"Elevate your business with Enduring results"

We provide a compelling mix of **ADVISORY, DELIVERY, and OPERATIONAL** services during all lifecycle stages of your **TECHNOLOGY INITIATIVES.**

WHO WE ARE

- CACG, LLC is a privately held technology strategy and management consulting services firm that provides commercial and public-sector clients with innovative information technology services and solutions that optimize their return on investment.
- Our skill team has numerous years of industry experience delivering high quality and comprehensive technology solutions in accelerated timeframes. We are a full scoped lifecycle consulting firm with flexible and intelligent solutions that meet each client's unique needs or challenges. Our professionals have the expertise and experience to design, deliver and implement technology solutions from project planning to execution, completion, and post-implementation for continuous improvements.

WHAT WE DO

Advisory Services

- Strategy
- Research
- Planning
- Communications
- Management and Experts

Operational Services

- Operations and Administration
- Engineering and Development Support
- IT Service Management (ITSM) Support

Delivery Services

- Analysis (Business, Systems, Applications)
- Architecture and Design
- Engineering and Development
- Test and Integration

WHAT WE DO

What sets us apart is our team of exceptionally smart professionals with a **wealth of knowledge to draw upon and an unyielding "can do" attitude.**

Digital Modernization

- Automation & Integration
- Refactoring and transformations
- Web 3.0 enablement

Cloud Capabilities

- Cloud native tools and operations enablement
- Cloud migration and transition
- FedRamp experience working with public, hybrid and private clouds of varying impact levels

Enterprise Applications and Capabilities

- Mission, business, and operational support applications and system capabilities
- Mobility applications (Mobile apps for Apple and Android iOS)

Unified Communications

- Identity, Credential, and Access Management (ICAM) and Directory services for enterprise-wide information sharing capabilities (Voice/Video/Chat/Email/etc..)

Program Support

- Systems Engineering Technical Assistance (SETA) support
- Program Management Office (PMO) support
- Independent Technical Management Services

Advanced Technologies

- Business Intelligence, Reporting and Data Analytics
- Artificial Intelligence and Machine Learning (AI/ML) enablement and management

EXPERIENCE – OUR PAST PERFORMANCE
