

# **GENERAL SERVICES ADMINISTRATION**

## **Federal Supply Service** *Authorized Federal Supply Schedule Price List*

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA *Advantage!*®, a menu-driven database system. The INTERNET address GSA *Advantage!*® is: [GSAAdvantage.gov](http://GSAAdvantage.gov).

### **Multiple Award Schedule**

**Professional Services, Scientific Management and Solutions, Miscellaneous  
Technical and Engineering Services (non-IT), Business Administration Services, Environmental Services,  
Testing and Analysis**

**Product Service Codes: R425, R499, F999**

**Contract Number: GS-00F-085CA**

**For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at  
[fss.gsa.gov](http://fss.gsa.gov).**

**Contract Period: March 20, 2015 – March 19, 2025**

**Price list current as of Modifications #PS-0017 effective January 9, 2020 and  
PO-0013 effective March 20, 2020**

**Contractor:** CDM Federal Programs Corporation  
10560 Arrowhead Drive  
Suite 500  
Fairfax, VA 22030

**Business Size:** Large Business

**Telephone:** (303) 383-2300

**FAX Number:** (303) 308-3003

**Web Site:** [www.cdmsmith.com](http://www.cdmsmith.com)

**E-mail:** [zaczkowskitn@cdmsmith.com](mailto:zaczkowskitn@cdmsmith.com)

**Contract Administration:** Talia Zaczkowski

## **CUSTOMER INFORMATION:**

**1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s):**

SIN	Recovery	SIN Description
OLM	OLMRC	Order-Level Materials (OLM)
541330ENG	541330ENGR	Engineering Services
541380	541380RC	Testing Laboratories
541420	541420RC	Engineering System Design and Integration Services
541611	541611RC	Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services
541620	541620RC	Environmental Consulting Services

541715	541715RC	Engineering Research and Development and Strategic Planning
--------	----------	---

- 1b. **Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. See below.**
- 1c. **If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item. See below.**
2. **Maximum Order:** 541330 ENG, 541420, 541611, 541620 and 541715 is \$1,000,000.00  
541380, and OLM is \$250,000.00
3. **Minimum Order:** \$100.00
4. **Geographic Coverage (delivery Area):** The scope of services provided under 541330ENG, 541380, 541420, 541620, 541715, and OLM is Domestic; 48 states, DC.  
  
The scope of services provided under SIN 541611 is worldwide.
5. **Point(s) of production (city, county, and state or foreign country):** Same as company address
6. **Discount from list prices or statement of net price:** Government net prices (discounts already deducted).
7. **Quantity discounts:** None
8. **Prompt payment terms:** Net 30 days. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.
- 9a. **Notification that Government purchase cards are accepted up to the micro-purchase threshold:** Yes
- 9b. **Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold:** Yes
10. **Foreign items (list items by country of origin):** None
- 11a. **Time of Delivery (Contractor insert number of days):** Specified in the Task Order
- 11b. **Expedited Delivery:** Contact Contractor
- 11c. **Overnight and 2-day delivery:** Contact Contractor
- 11d. **Urgent Requirements:** Contact Contractor
12. **F.O.B Points(s):** Destination
- 13a. **Ordering Address(es):** Same as Contractor

**13b. Ordering procedures:** For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

**14. Payment address(es):** Same as company address

**15. Warranty provision.:** N/A

**16. Export Packing Charges (if applicable):** N/A

**17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level):** Contact Contractor

**18. Terms and conditions of rental, maintenance, and repair (if applicable):** N/A

**19. Terms and conditions of installation (if applicable):** N/A

**20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable):** N/A

**20a. Terms and conditions for any other services (if applicable):** N/A

**21. List of service and distribution points (if applicable):** N/A

**22. List of participating dealers (if applicable):** N/A

**23. Preventive maintenance (if applicable):** N/A

**24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants):** N/A

**24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contactor's website or other location.) The EIT standards can be found at: [www.Section508.gov/](http://www.Section508.gov/). N/A**

**25. Data Universal Numbering System (DUNS) number:** 161563440

**26. Notification regarding registration in System for Award Management (SAM) database:** Registered

**27. Final Pricing:**

The rates shown below include the Industrial Funding Fee (IFF) of 0.75%.

Service Contract Labor Standards/Service Contract Act (SCLS/SCA) Matrix

SCA Eligible Labor Category	SCA Equivalent Code Title	Wage Determination No
Clerical	01112 - General Clerk II	2015-4281
Technician	30085 - Engineering Technician V	2015-4281

The Service Contract Labor Standards, formerly the Service Contract Act (SCA), apply to this contract and it includes SCLS applicable labor categories. Labor categories and fixed price services marked with a (\*\*) in this pricelist are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCLS/SCA matrix. The prices awarded are in line with the geographic scope of the contract (i.e., nationwide).

### Labor Category Descriptions

Schedule	Labor Category	Minimum Education	Years Experience	Functional Responsibilities
541330ENG, 541380, 541420, 541715	Senior Engineer/Planner/ Economist	Bachelors	7	Serves in a professional level role to plan, organize, and direct technical work related to tasks, phases or projects. Work requires independent problem solving, decision making, and adaptation of procedures to direct the work of support staff. Directs work that involves specialized practices and complex features in their discipline. Responsibility includes larger and more difficult project tasks and technical design. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources.
541330ENG, 541380, 541420, 541715	Engineer/Planner/ Economist	Bachelors	4	Serves in a technical role involving elements related to tasks or phases of projects. Work requires independent problem solving, decision making, and adaptation of standard procedures with general direction given by higher level personnel. Performs work that involves conventional and specialized practices, and often includes complex features. May assist senior staff with planning, scheduling, and coordinating detailed phases of projects. Responsibility includes larger and more difficult project tasks and technical design.
541611	Senior Consultant	Masters	12	Responsible for extensive and highly diversified programs that are of extraordinary difficulty which resist solution and consist of several segments requiring specific knowledge base. Performs advisory and consulting work as an authority in broad program areas. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources.
541611	Consultant	Bachelors	7	Responsible for devising new approaches to problems encountered and coordinates various aspects of the problem to formulate solution sets. Works under the direction of the Senior Consultant. May determine methods and procedures on new technical assignments and may provide oversight to other technical staff.

541611	Junior Consultant	Bachelors	3	Responsible for assisting others in solution sets. Independently evaluates, selects and applies standard techniques, procedures and criteria using judgment and knowledge of principles and techniques in making minor adaptation and modifications. May assist in the preparation of written and verbal reports, analysis of earned value, cost and schedule reports, and participate in the planning and tracking of project technical tasks.
541330ENG, 541380, 541420, 541715, 541611, 541620	Program Manager	Masters	14	Responsible for the management of funds and personnel. Accountable for quality and timely delivery of all contractual items. Serves as the communication link between client and project teams for all client and program activities. Manages program consisting of multiple projects from development to delivery. Possesses experience in designing, planning, and supervising. Provides staff oversight and manages project activities. Possesses experience in designing, planning, and supervising. Provides staff oversight and manages project activities.
541330ENG, 541380, 541420, 541715, 541620	Clerical**	High School	2	Provides clerical support to an operating division, assists with administrative functions, coordinates and maintains efficient work flow and communications. Maintains records for the division. This labor category is only used for task order services that go beyond typical overhead services that are done in the normal course of business.
541611	Clerical**	High School	0	Responsible for performing support program activities (typing, filing, production of reports, etc.)
541330ENG, 541380, 541420, 541715, 541611, 541620	Contract Administrator	Bachelors	2	Develops cost estimates and pricing for contracts and work orders; administers contracts and team subcontracts. Prepares, tracks, and analyzes project earned value, cost and schedule reports.
541330ENG, 541380, 541420, 541715, 541611, 541620	Billing Clerk	Bachelors	2	Prepares, analyzes and distributes client billings for a number of client contracts and provides collection support for assigned contracts under general supervision.

541330ENG, 541380, 541420, 541715, 541611, 541620	Senior Technical Expert	Masters	15	Serves as a subject matter technical expert in areas relevant to the project. Supervises the collection of data in the field, conducts assessments of environmentally sensitive and potentially dangerous areas. Plans, directs and manages large sized projects. Assists Staff and Project Professionals with performance of assigned tasks. Determines the appropriate methods and procedures to implement on project technical tasks.
541330ENG, 541380, 541420, 541715, 541611, 541620	Senior Project Manager	Bachelors	10	Provides overall administrative and technical management from bid preparation to project completion on large sized projects of moderate to high complexity. Responsible for daily project operations and ensures project schedule is achieved. Oversees project staff and implementation of technical activities, manages cost and schedule, ensures contract compliance, and interacts with client.
541330ENG, 541380, 541420, 541715, 541611, 541620	Project Manager	Bachelors	4	Provides overall administrative and technical management from bid preparation to project completion on <del>multiple</del> medium sized projects of moderate to high complexity. Responsible for daily project operations and ensures project schedule is achieved. Oversees project staff and implementation of technical activities, manages cost and schedule, ensures contract compliance, and interacts with client.
541620	Principal Engineer	Bachelors	14	Serves as a subject matter expert in areas relevant to the project. Plans, develops, coordinates, and manages engineering activities on medium to large size projects of low to high complexity. Determines the appropriate methods and procedures to implement on project technical tasks. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources.
541620	Senior Engineer	Bachelors	7	Plans, develops, coordinates, and manages engineering activities on medium to large size projects of low to high complexity. Work requires independent problem solving, decision making, and adaptation of procedures to direct the work of support staff. Directs work that involves specialized practices and complex features in their discipline. Plans, schedules and coordinates phases of projects. Responsibility includes larger and more difficult project tasks and technical design. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources.

541620	Mid-Level Engineer	Bachelors	3	Plans, develops, coordinates, and manages engineering activities on small to medium size projects of low to moderate complexity. Work requires independent problem solving, decision making, and adaptation of standard procedures with general direction given by higher level personnel. Performs work that involves conventional and specialized practices, and often includes complex features. May assist senior staff with planning, scheduling, and coordinating detailed phases of projects. Responsibility includes larger and more difficult project tasks and technical design. May oversee technical tasks, milestones, and deliverables. May determine methods and procedures on new technical assignments and may provide oversight to other technical staff.
541620	Junior Engineer	Bachelors	1	Supports and assists engineering activities on small to large size projects. Performs work that involves conventional and specialized practices. Supports and assists specialty discipline activities under direct supervision. Assists in preparation of written and oral technical reports. This is an entry level professional position.
541620	Principal Scientist	Bachelors	14	Serves as a subject matter expert in areas relevant to the project. Provides specialty expertise on medium to large size projects of low to high complexity. Work requires a broad knowledge in single or multiple technical disciplines. Plans, develops, coordinates, and manages technical activities on medium to large size projects of low to high complexity. Determines the appropriate methods and procedures to implement on project technical tasks. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources.
541620	Senior Scientist	Bachelors	7	Provides specialty expertise on medium to large size projects of low to high complexity. Work requires a broad knowledge in single or multiple technical disciplines. Directs work that involves specialized practices and complex features in their discipline. Plans, schedules and coordinates phases of projects. Responsibility includes larger and more difficult project tasks and technical design. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources.

541620	Mid-Level Scientist	Bachelors	3	Provides specialty expertise on small to medium size projects of low to high complexity or works as a task leader with responsibility for their technical discipline. Work requires independent problem solving, decision making, and adaptation of standard procedures with general direction given by higher level personnel. Performs work that involves conventional and specialized practices, and often includes complex features. May assist senior staff with planning, scheduling, and coordinating detailed phases of projects. Responsibility includes larger and more difficult project tasks and technical design. May oversee technical tasks, milestones, and deliverables. May determine methods and procedures on new technical assignments and may provide oversight to other technical staff.
541620	Junior Scientist	Bachelors	1	Supports and assists specialty discipline activities under direct supervision. Performs work that involves conventional and specialized practices. Supports and assists specialty discipline activities under direct supervision. Assists in preparation of written and oral technical reports. This is an entry level professional position.
541330ENG, 541380, 541420, 541715, 541611, 541620	Technician**	Associates	1	Works under supervision to perform a variety of engineering tasks of a broad nature concerned with design and implementation. Supports the planning and performance of technical specifications. Supports the technical activities related to the development and implementation of project methods and procedures.
541330ENG, 541380, 541420, 541715, 541611, 541620	CAD/Modeler/ GIS	Bachelors	2	Performs moderate design and modeling assignments in accordance with company and industry standards and codes under minimal supervision.
541330ENG, 541380, 541420, 541715, 541611, 541620	Technical Writer	Bachelors	5	Assist in the development of client work products through writing, editing and production of draft and final written deliverables; providing needed research; or other efforts that will benefit and enhance the delivery of work products for the firm's clients.
541620	Word Processor	Associates	2	Performs routine to moderately complex word processing duties under general supervision.

541330ENG, 541380, 541420, 541715	Principal Engineer/Planner/ Economist	Bachelors	15	Serves as a subject matter expert in areas relevant to the project. Work requires independent problem solving, decision making, and adaptation of procedures to direct the work of support staff. Determines the appropriate methods and procedures to implement on project technical tasks. Oversees technical staff, ensures quality and timely delivery of contractual deliverables, and responsible for effective management of project technical resources. Responsibility includes larger and more difficult project tasks and technical design.
541330ENG, 541380, 541420, 541715	Junior Engineer/Planner/ Economist	Bachelors	1	Serves in a technical role involving elements related to tasks or phases of projects. Performs work that involves conventional and specialized practices. Supports and assists specialty discipline activities under direct supervision. Assists in preparation of written and oral technical reports. This is an entry level professional position.
541611	Principal Consultant	Bachelors	15	Serves as a subject matter expert in areas relevant to the project. Provides specialty expertise on medium to large size projects of low to high complexity. Work requires a broad knowledge in single or multiple technical disciplines. Supervises project staff and technical activities through project completion. Coordinates with project manager to ensure complex, technical issues are resolved.
