   CENTEVA, LLC has registered with the Central Contractor Registration (CCR) Database.

27. Uncompensated Overtime
   CENTEVA, LLC’s labor rates are based on a forty-hour work week.

28. SCA Applicability
   The Service Contract Act (SCA) is applicable to this contract as it applies to the entire PSS schedule and all services provided. While no specific labor categories have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101 and 29 CFR 541-3000), this contract still maintains the provisions and protections for SCA eligible labor categories. If and/or when the contractor adds SCA labor categories/employees to the contract through the modification process, the contractor must inform the contracting officer and establish an ACA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable wage determination (WD) number. Failure to do so may result in cancellation of the contract.
CORPORATE EXPERIENCE

Centeva is an 8(a) certified, minority-owned, woman-owned small business providing a full array of professional and technical services to public and private sector organizations. We have been in business since January 2007 with a knowledgeable team of professionals encompassing more than 100 years of combined federal and private work experience. Centeva’s inception was the outcome of its ability to provide in-depth, end-user support to the VA Contracting Community. Through a commitment to Service Excellence in Pursuit of Customer Excellence, Centeva has flourished and expanded its service offerings to include additional support services in many domains across the federal space.

We have emerged as a leader in the field of forward thinking, results-oriented service with a passionate team of outside-the-box professionals. Centeva works closely with its clients to help them clearly define their needs, tailoring our approach to meet the needs of each respective engagement. We are specialists in the fields of business and technical consulting, acquisition and financial services, program and project management, auditing and compliance, facilitation services, data management, help desk support, training, and custom software development.

Centeva delivers mission-critical, service-oriented consulting to both private industry and government clients. Although we use a systematic approach to conducting our work, we know that every situation is different and tailor our efforts to meet the unique requirements of our clients. We have proven our skills in these areas as evident by the number of agencies we currently support. We bring expertise in supporting Federal Agencies with all facets of portfolio, program, and project oversight and management. Centeva has Project Management Institute (PMI)-certified experts on staff and are always providing training and certification opportunities to its staff.
