CORPORATE OVERVIEW

J. Terry & Associates, Inc. (JTA) is a CVE-certified Service Disabled Veteran Owned Small Business (SDVOSB), Historically Underutilized Business Zone (HUBZone) business, and Woman Owned Small Business (WOSB) that has provided quality service to federal customers since 2007. We have provided multiple customers with a range of professional services, earning us a reputation as a dependable small business that can satisfy diverse and emerging requirements, on time and within budget. Some of the contract requirements that we have recently supported include: organizational assessments (manpower and force structure planning); business process reengineering and continuous process improvement for supply chain and life-cycle management; cost and budget analysis; acquisition/procurement support; database management; information assurance/cybersecurity; and program management and office administration. Bottom line, JTA is a dependable resource, on which you can rely.

CONTRACT OVERVIEW

JTA’s business consulting solutions and overall program management services are available through our professional services contract (**GS00F199GA**). Since 2008, our management and consulting services have assisted agency-level customers within the Department of Defense, Department of State, and the Department of Homeland Security to improve and optimize their organizational performance, all while meeting their operational goals. These services have encompassed a variety of functions, to include: research; evaluations; studies; quality assurance analysis; scenarios/simulations; reporting; business policy and regulatory development assistance and strategy formulation; facilitation and related decision support services; survey services, using a variety of methodologies (including survey planning, design, and development, survey administration, data validation and analysis, reporting, and stakeholder briefings); program and project management; administrative support; and other advisory and assistance services.

CUSTOMER INFORMATION

1a. Table of awarded special item number(s) with appropriate cross reference to item descriptions and awarded price(s):

SIN	Recovery	SIN Description
541611	541611RC	Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer should show the range of the lowest price and cite the areas to which the prices apply. Pricing list begins on page 4.

- 1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. Labor category descriptions begin on page 4.

PRICE LIST AND TERMS

Our pricing supports the deployment of seasoned subject matter experts who also serve as functional managers for program, project, and office administrative requirements. Therefore, the price list below consists of four broad labor categories that can be tailored to our customers' needs depending upon project scope and requirements as well as budgeting and scheduling constraints. Although we generally prefer to undertake projects that have a minimum duration of three months, we will work with customers to meet their needs within budgeting and scheduling constraints. Notably, *the rates shown below include the Industrial Funding Fee (IFF) of 0.75%.*; also, any Economic Price Adjustment for this contract is handled in accordance with Clause I-FSS-969(b)(1).

Five years of applicable experience may be substituted for a Bachelors degree.</p>	\$78.26	\$79.83	\$81.42	\$83.05	\$84.71

* The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS). While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and/or when the Contractor adds SCLS/SCA labor categories / employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and applicable wage determination (WD) number. Failure to do so may result in cancellation of the contract.
