1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. See awarded rates and descriptions below.

2. **Maximum Order:** $1,000,000.00

3. **Minimum Order:** $100.00

4. **Geographic Coverage (delivery Area):** Domestic

5. **Point of production:** Same as company address.

6. **Discount from list prices or statement of net price:** Government prices are net (discounts already deducted). See pricelist.

7. **Quantity discounts:** None

8. **Prompt payment terms:** None

9a. Government purchase cards are accepted up to the micro-purchase threshold.

9b. Government purchase cards are accepted above the micro- purchase threshold.

10. **Foreign items:** None

11a. **Time of Deliver:** Specified on the Task Order

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor
11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: Contact Contractor

12. F.O.B Points: N/A

13a. Ordering Address: Same as company address

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s), and a sample BPA can be found at the GSA/FSS Schedule homepage (fss.gsa.gov/schedules).

14. Payment address: Same as company address

15. Warranty provision: Contractor’s standard commercial warranty.

16. Export Packing Charges: N/A

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro- purchase level): Contact Contractor

18. Terms and conditions of rental, maintenance, and repair: N/A

19. Terms and conditions of installation: N/A

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices: N/A

20a. Terms and conditions for any other services: N/A

21. List of service and distribution points: N/A

22. List of participating dealers: N/A

23. Preventive maintenance: N/A

24a. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants: N/A

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contactor’s website or other location.) The EIT standards can be found at: www.Section508.gov/

25. Data Universal Numbering System (DUNS) number: 872741616

26. Notification regarding registration in System for Award Management (SAM) database: CAGE: 541C7
LABOR CATEGORIES

Project Manager

The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the indicated (**SCA**) labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices awarded are in line with the geographic scope of the contract (i.e. nationwide).
ERS, Inc. DBA Document Freeze Drying Service Descriptions

**Document- Drying/Cleaning** - Restoration of damaged document of all sizes, which have been compromised by soot and various, contaminates including water. This process ensures each document is restored individually. DFD has several freeze drying units of various size and capacities to maximize process flows and customer turnaround expectations. DFD also maintains appropriate inventory levels for file folder rebuilds, and processing equipment for the exact replication of file labeling and all file identifiers.

**Blue Print- Drying/Cleaning** - Restoration of damaged blueprints, which have been compromised by soot and various, contaminates including water. This process ensures each blueprint is restored individually. DFD utilizes both engineered fixturing and process controls for the optimization of their freeze drying and restoration processing.

**X-Ray- Drying/Cleaning** - Restoration of damaged x-rays which have been compromised by soot and various contaminates including water. This process ensures each x-ray is restored individually. DFD utilizes both engineered fixturing and process controls to vacuum dry the sheets without using any heat, for the optimization of the drying and restoration.

**Microfiche Sheet- Drying/Cleaning** - Restoration of damaged microfiche sheet which have been compromised by soot and various contaminates including water. This process ensures each microfiche sheet is restored individually. DFD utilizes both engineered fixturing and process controls to vacuum dry the sheets without using any heat, for the optimization of the drying and restoration.

**Microfiche Roll- Drying/Cleaning** - Restoration of damaged microfiche roll which have been compromised by soot and various contaminates including water. This process ensures each microfiche roll is restored individually. DFD utilizes both engineered fixturing and process controls to vacuum dry the sheets without using any heat, for the optimization of the drying and restoration.

**Digitizing/Copy - Letter & Legal Size (B/W Only)** - DFD has integrated technology for the digitizing (at 300 DPI)/copying of documents/records. DFD offers full services for both a photo copy as well as electronic copies. Electronic files can be customized and sorted per the customer’s file folder structure requirements.

**Digitizing/Copy - Letter & Legal Size (Color Only)** - DFD has integrated technology for the digitizing (at 300 DPI)/copying of documents/records. DFD offers full services for both a photo copy as well as electronic copies. Electronic files can be customized and sorted per the customer’s file folder structure requirements.

**Portable Freeze Drying** - DFD has portable freeze drying systems that can dry over 800 cubic feet of documents within 48 hours. These dryers are portable and with an average on-site arrival within 24 hours. DFD also has mobile processing centers which provide on-site full customer support for all document service needs.

The Service Contract Act (SCA) is applicable to this contract and as it applies to the entire 00CORP The Professional Services Schedule and all services provided. While no specific labor categories have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29CRF 5413.300), this contract still maintains the provisions and protections for SCA eligible labor categories. If and/or when the Contractor adds SCA labor categories / employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and applicable wage determination (WD) number. Failure to do so may result in cancellation of the contract.
