Multiple Award Schedule
FSC Group: Professional Services
Contract Number: GS-00F-291GA

For more information on ordering from Federal Supply Schedules
go to the GSA Schedules page at GSA.gov.

Contract Period: July 22, 2017 - July 21, 2022

Contractor: Defense Architecture Systems, Inc.
11820 West Market Pl. Suite P
Fulton, MD 20759
Telephone: 443-831-3055
FAX Number: 888-600-5226
Web Site: http://www.defensearchitecturesystems.com
E-mail: micah@dasystemsinc.com
Contract Administration: Micah Carlson

Business Size: Small Business

In accordance with 13 C.F.R. 121.404, the Contractor is ineligible to participate in any RFQ that is set aside for small business where the subject contract’s awarded size status for the preponderance NAICS designated in the RFQ is “other than small”.

Pricelist current through Modification Number PS-0009 effective June 29, 2021

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. Not Applicable

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility, and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. See Page 4

2. Maximum Order:

3. Minimum Order: $100.00

4. Geographic Coverage (delivery Area): Domestic delivery that includes 48 contiguous states and Washington D.C. only

5. Point(s) of production (city, county, and state or foreign country): Same as company address

7. Quantity discounts: None Offered

8. Prompt payment terms: Net 30 days. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions."

9. Foreign items (list items by country of origin): None

10a. Time of Delivery (Contractor insert number of days): Specified on the Task Order
10b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

10c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor

10d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: Contact Contractor

11. F.O.B Points(s): Destination

12a. Ordering Address(es): Same as Contractor

12b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s), are found in Federal Acquisition Regulation (FAR) 8.405-3

13. Payment address(es): Same as company address

14. Warranty provision.: Contractor’s standard commercial warranty.

15. Export Packing Charges (if applicable): N/A

16. Terms and conditions of rental, maintenance, and repair (if applicable): N/A

17. Terms and conditions of installation (if applicable): N/A

18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable): N/A

18b. Terms and conditions for any other services (if applicable): N/A

19. List of service and distribution points (if applicable): N/A

20. List of participating dealers (if applicable): N/A

21. Preventive maintenance (if applicable): N/A

22a. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants: N/A

22b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g., contractor’s website or other location.) The EIT standards can be found at: www.Section508.gov/. N/A

23. Unique Entity Identifier Number (UEI): HQJCRUGL9MM3

24. Notification regarding registration in System for Award Management (SAM): Registered
Final Pricing:
The rates shown below include the Industrial Funding Fee (IFF) of 0.75%.

Service Contract Act: The Service Contract Labor Standards, formerly the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule and all services provided. While no specific labor categories have been identified as being subject to Service Contract Labor Standards due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCA eligible labor categories. If and/or when the contractor adds SCA labor categories/employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

Labor Categories Descriptions

**Principal Manager**

*Minimum/General Experience:* 16 years of related experience

*Functional Responsibilities:* This position combines considerable technical and/or business knowledge with an established history of successful management of government projects. Professional management services are provided with defined objectives with considerable latitude to plan, organize, staff, direct, and control financial and human resources. Demonstrated skills are required in coordinating large project activities to ensure delivery of their requisite quality and quantity of results in a timely, cost controlled manner. Oversees the most complex, and technically challenging projects on the program.

*Minimum Education:* Master’s Degree

**Senior Engineer**

*Minimum/General Experience:* 12 years of related experience

*Functional Responsibilities:* Works in a senior engineering level on the analysis, design, development, modification and implementation of systems. Utilizes broad subject matter knowledge and independent judgment in the evaluation, selection, and modification of design techniques to solve complex assignments. Provides expertise in one or more engineering disciplines such as: mechanical, electrical or software (architecture, coding, database design, documentation, hardware requirements). Well versed in quality assurance applications or other discipline(s). Demonstrates broad
technical or highly specialized skills, may lead tasks within a project, occasionally lead for entire project, and/or occasional supervise less senior staff at the project level.

Minimum Education:
Bachelor’s Degree

### Project Manager I

**Minimum/General Experience:**
6 years of related experience.

**Functional Responsibilities:**
Responsible for managing and overseeing work performance on one or more task orders. Primary responsibility for planning, managing and overseeing work efforts of project team personnel; determining and monitoring task order schedules and budgets; and ensuring compliance with all contract and task order requirements and quality standards. Serves as primary interface with the task order customer. Serves as an interface with contracting officer and technical representatives. Demonstrates skills in the scope of work encompassed by the task order; provides technical guidance to the project team in performance of the work; and provides quality review of all work products. Assists the program manager as required in managing contract performance. Manages smaller projects/specific tasks within larger contract.

Minimum Education:
Bachelor’s Degree

### Associate Engineer

**Minimum/General Experience:**
6 years of related experience.

**Functional Responsibilities:**
Designs key components and integrated products and systems to meet requirements, applying knowledge of engineering principles. Performs computer based analysis such as mechanical, thermal, dynamic, static, operational, performance loading assessments as requested by customer. Coordinates fabrication, assembly, evaluation and installation of Systems. Activities include product design, operation, and maintenance. Oversees installation to ensure systems and equipment are installed and functioning according to specifications. Oversees system components or directs modification of products to ensure conformance with engineering design and performance specifications. Inspects, evaluates, and arranges field installations and recommends design modifications to eliminate machine or system malfunctions. Plans and directs engineering personnel in fabrication of test control apparatus and equipment, and develops procedures for testing products. Tests ability of machines to perform tasks. Selects or designs tools to meet specifications, using manuals, drafting tools, computer, and specialized software programs. Conducts experiments to test and analyze existing designs and equipment to obtain data on performance of product, and prepares reports.

Minimum Education:
Bachelor’s Degree
