About Hagerty Consulting

Hagerty Consulting is an emergency management consulting firm that helps clients prepare for, respond to, and recover from disasters. Established in 2001, Hagerty has worked on some of the nation's largest preparedness, response, and recovery projects and is consistently recognized throughout the industry for its innovative thinking, client-centric service, and the superior results it delivers to every project.

Hagerty professionals bring diverse qualifications and experiences, a passion to make a difference, and academic success to every project assignment. We are one of the nation's leading management consulting firms focused exclusively on emergency management and disaster preparedness, response, and recovery. Our professionals reside in all 10 FEMA regions; the firm's offices are in Evanston, Illinois (corporate headquarters); Austin, Texas; New York City, New York; Sacramento, California; San Juan, Puerto Rico; Hickory, North Carolina; and Washington, D.C.

Our capabilities are diverse, and our professionals are exceptional. Please visit Hagerty's website at hagertyconsulting.com to learn more about the breadth of services that we offer through our GSA schedule or on an open market basis.

Labor Category Descriptions

SIN 541611 Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services

Disaster Recovery Project Executive: Experience of twelve or more years with an advanced degree or fifteen years or more experience with a Bachelor's degree and demonstrates senior experience in management consulting. Managing director of the MOBIS Schedule and responsible for all assurance and specialized disaster recovery services on MOBIS engagements and that these services comply with applicable professional standards, professional excellence, and the firm's mission, vision, and values. Provides programmatic guidance and direction to leadership of MOBIS disaster recovery engagements.

Disaster Recovery Subject Matter Expert: Experience of fifteen or more years in a specific subject or industry, or ten years experience and possess more than one specialized advanced degree. Provides senior level advice, guidance, and training on subject and industry matter expertise relative to disaster recovery services on MOBIS engagements and tasks. Responsible for ensuring technical accuracy of subject/industry matter topics for internal documents and submittals, adherence to subject/industry standards, and assisting Project Executive in the development of the overall MOBIS disaster recovery engagement approach. Interfaces with client's specialists and resolves subject/industry matter issues with the Manager.

Disaster Recovery Project Manager: Experience of ten or more years with a Bachelor's degree, or an advanced degree or registration and eight years experience. Responsible for the management and supervision of the engagement team, quality control, review and approval of internal documents and submittals, adherence to standards, and assisting Project Executive in the development of the overall MOBIS disaster recovery engagement approach. Provide guidance and direction of MOBIS disaster recovery projects to subordinates. Has overall responsibility, with input from the Project Executive, for client relations; project methodology, scope and budget; and performance of project and HCI personnel. Interfaces with the client and resolves project specific issues or elevates issues when necessary.
