AlphaB2B LLC further provides a one (1) year warranty on our Compatible Toner Cartridges from the original date of purchase.

The warranty does not include failures or malfunctions that may result from tampering, alterations, neglect, misuse, electrical power, and/or unusual storage conditions such as extreme heat or cold. This warranty also does not cover customer usage of product that is not in the accordance with the proper installation of product. This warranty is negated when any persons other than AlphaB2B LLC opens, defaces, obstructs, or otherwise tampers with the internal or external functionality of our products.

When the replacement item has been shipped, AlphaB2B will issue a Return Merchandise Authorization Number (RMA#) and provide the ordering agency contact person with a pre-paid Return Label so they can ship the reported defective product to AlphaB2B LLC for inspection.

Absolutely no returns will be accepted without a provided AlphaB2B LLC RMA#.

When the returned item is received, AlphaB2B LLC will first confirm that the item came from AlphaB2B LLC. Once this is confirmed, the AlphaB2B LLC item will be sent to our Quality Control Department for inspection and testing to determine what the cause for the problem is.
