15. Warranty Provision:
   Photikon warrants each toner or ink jet cartridge to be free of defects in both workmanship and materials for a period of 18 months. Photikon cartridges are remanufactured to the highest quality control standards possible, guaranteeing performance that meets or exceeds that of the Original Equipment Manufacturer (OEM). Photikon will replace any of its toner or ink jet cartridges found to be defective at no cost to the customer. Photikon also warrants that, under normal use, our cartridges will not damage, abnormally wear, or deteriorate any compatible printer. If a defect in an Photikon remanufactured (or compatible) cartridge causes a printer to fail, Photikon will reimburse the customer the full amount for all service, repair or Replacement
of the printer. We will also, if requested, handle the service repair call through our authorized source to save the inconvenience. The tampering of any Photikon cartridge by any persons other than an Photikon representative voids all warranties and releases Photikon liability as stated above. All returns must be returned in original packaging with protection.
