10. **Foreign items (list items by country of origin):** Austria, Germany, Italy, and Taiwan

11a. **Time of Delivery**: 14-45 Days ARO.

11b. **Expedited Delivery:** Next Day Delivery is Available**.** As Negotiated with the Customer Agency.

11c. **Overnight and 2-day delivery:** Contact Contractor.

11d. **Urgent Requirements:** Contact Contractor

12. **FOB Point:** Destination, **F-FSS-210-B DELIVERY—F.O.B. ORIGIN (APR 1984)** applies to Laser Systems, Scanners & Verifiers.

13. **Ordering Address**:

    CodeSource
    4115 Mesa Drive
    Denton, TX 76207
    Fax: (940) 484-7234
    TIN : 61-1486038 CAGE Code : 45XE4

13a. **Ordering procedures:** For supplies and services, the ordering procedures and information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. **Payment address:**

CodeSource
4115 Mesa Drive
Denton, TX 76207

15. **Warranty provision:** See attached (*"Factory Warranty Statements')*.
Return Goods Policy: The CodeSource LLC cancellation and return policy on goods is as stated below:

1. Cancellation. Purchaser may cancel orders only upon reasonable advanced written notice and upon payment to Seller of Seller's cancellation charges which include, among other things, all costs and expenses incurred, and, to cover commitments made, by the Seller and a cancellation charge of20% of the initial price quoted. Seller's determination of such termination charges shall be conclusive.
2. Returned Goods. Except as otherwise provided with respect to warranty defects, advance written permission to return Goods must be obtained from Seller. Such goods must be current, unused, catalogued Goods and must be shipped, transportation prepaid, to Seller's designated shipping point. Returns made without proper written permission will not be accepted by Seller. Credit for such returned Goods will be at the billing price or current price, whichever is lower, from which will be deducted an inspection and repacking charge and the cost of any reconditioning. Seller reserves the right to inspect the Goods prior to authorizing return. Each class of products has separate return privileges as listed below.

a) *Laser Systems*: Systems are non-returnable. Due to long lead times orders for laser systems must be cancelled within 2 weeks of placing the order with a 20% cancellation fee.
b) *Bar code scanners & verifiers*: 30 days from the date of purchase. All goods must comply with the return goods policy above and are subject to a 20% restocking fee.
c) *CodeSource Labels*: All laser engraved labels and tags are non-returnable.
d) *Tape Products*: 30 days from the date of purchase. All goods must comply with the return goods policy above and are subject to a 20% restocking fee.

16. **Export Packaging:** Handled per request.

17. **Terms & Conditions of Government Purchase Cards:** CodeSource, LLC accepts above and below Micro-purchase threshold.

18. **Data Universal Number System (DUNS) number:** #198024486

19. **Notification regarding registration in Central Contractor Registration (CCR) database:**

Contractor is currently registered in CCR. CAGE Code: 45XE4

20. **Participation in the Disaster Recovery Program: Yes.**

CodeSource

CodeSource Products

CodeSource provides innovative solutions and products for part identification, product traceability, asset tracking, and inventory control. We specialize in labeling technologies and direct part marking for a wide variety of applications and industries. We can provide product/part traceability through your entire manufacturing or distribution process. Our extensive line of laser marking systems, barcode scanners and imagers, label printers, interface software, severe duty tags, tape products, and labels combine to meet the needs of the most demanding applications.

CodeSource Services

Providing the best possible service to our customers is CodeSource's highest priority! If you don't have the time or resources to mark your products in-house, CodeSource provides an outsource marking service that will do it for you. We can mark directly on your parts, or on the new generation of laser-engraveable, adhesive tapes and anodized aluminum tags. In addition, our engineers are standing by to offer consultation, training and installation, and systems integration services.

CodeSource Government Solutions

No matter the industry, the ability to trace a product from manufacture through its normal life cycle in the field is an extremely valuable tool. The products and services offered by CodeSource have been used to mark, identify, and track parts and products in both the private and public sectors, through a wide spectrum of fields.

➢ **Product/asset tracking materials** (labels & aluminum tags)

➢ **Laser marking systems**

➢ **Handheld bar code and RFID readers, scanners and verifiers**

➢ **Tape products** (laser-engravable, double sided, strapping, masking and general purpose tapes)
