Specialized Labor Average												

Notes:

Rates for the first three years are the rates charged to TetraTech NUS's MSA with IMTC under the ERT Training Contract with an average 3.6% escalation.

Years four through eight are at 4% escalation. Years nine & ten are at 5% escalation.

Currently, all of our ICS Specialist/Advisors are at the Senior rate. Business growth may require the addition of the other position.

Some of our courses require the Administrative Support and ICS Simulation Technician positions.

Any agreement must include IMTC's permission to subcontract since all but three of our ICS Specialist/Advisors and all of the other categories are independent sub-contractors (affiliates.)
