Course Description:

Security Solutions & Training Inc. will provide your unit with scenario based training. We provide all of the role players, safety officers, weapons, and equipment. All you need to do is provide us with the scenario(s). This allows your unit to experience the most realistic training of its kind. We can simulate terrorist attacks, hostage scenarios, mock disasters, ambushes, IED attacks, etc. These scenarios can be conducted at your facility or ours. We also provide a one of kind scenario at our facility. The scenario involves a terrorist training camp. Your unit must successfully assault our camp, eliminate or capture the terrorists, and gather as much intelligence as possible. By utilizing a third party for your role players, you add the element of realism. All of our role players have been trained to react properly to the student's actions. The scenarios we can conduct are only limited by the client's imagination.
