

Since its inception CACI has positioned itself as a pacesetter — combining visionary technology with outstanding client support to deliver comprehensive, practical solutions for real-world needs. CACI was founded in 1962 with a focus on simulation technology and the burgeoning computer industry. Since then we've grown from a two-person operation to a multifaceted solutions provider with almost 10,000 employees in more than 100 offices around the world.

Today, CACI is a two billion-dollar company. Our clients include the DoD and all the armed services; the Departments of Homeland Security, Justice, State and Veterans Affairs; and the Federal Aviation and Social Security Administrations. We deliver the IT applications and infrastructures our clients use to

- Improve communications and collaboration
- Secure network and systems information
- Enhance data collection and analysis
- Increase efficiency and mission effectiveness

CACI solutions lead the transformation of defense and intelligence, assure homeland security, enhance decision-making and help government work smarter, faster and more responsively. Visit CACI on the web at <http://www.caci.com/>.
