The Service Contract Act (SCA) is applicable to this contract as it applies to the entire MOBIS Schedule and all services provided. While no specific labor categories have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCA eligible labor categories. If and/or when the contractor adds SCA labor categories/employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

ISC Consulting Group, Inc. possesses an adequate and auditable labor hour recording and invoicing system capable of fully supporting labor hour invoices; therefore, the firm is approved to accept both Labor-Hour and Firm-Fixed-Price Delivery/Task Orders from authorized agencies under this contract.
