- 24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduce pollutants): **West meets all the environmental regulations required for its services. West is committed to recycling and source reduction whenever possible. All documentation and software packaging that West supplies in conjunction with its computer assisted legal research services are made from recycled material and are recyclable. In addition, West has an extensive recycling program in place for a variety of materials including: office paper, manufacturing paper, cardboard, plastic, computers/electronic equipment, and toner. West has also frequently been recognized with awards for its environmental practices.**
- 24b. If applicable, indicates that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g., contractor's website or other location). The EIT standards can be found at www.Section508.gov/:

As the foremost provider of integrated information products and services to the U.S. legal market, West recognizes the need to develop electronic and information technology (E&IT) products and services that are accessible and usable by all people, including those with disabilities and special needs. West is committed to making its products and services compliant with the accessibility standards of Section 508 to the maximum extent practicable, or to provide equivalent facilitation (as provided by §1194.5 and §1194.31). West's efforts to accommodate the needs of our

customers with disabilities and to promote the accessibility of our products and services are described in full at <http://legalsolutions.thomsonreuters.com/law-products/about/legal-notices/accessibility>.

West routinely works with government agencies, procurement officers, contracting officers, and other personnel to provide information about the accessibility of West products and services. If you have questions about the procurement of accessible West products and services, please contact: WestAccessibility@thomsonreuters.com. Voluntary Product Accessibility Templates (VPATs) for our products are available upon request.

25. Data Universal Number System (DUNS) number: **14-850-8286**
26. Notification regarding registration in System for Award Management (SAM) database: **Registration is active.**

Research Subscriber Agreement for GSA Subscribers

RESEARCH SUBSCRIBER AGREEMENT (“Subscriber Agreement”) entered into between (“Subscriber”), as set forth on Subscriber’s Purchase Order (“Purchase Order”) and WEST PUBLISHING CORPORATION, a Thomson Reuters business (“West”) regarding certain West research services, as follows:

1. FAR Applicability. All of the terms and conditions set forth below are subject to and governed by the language of FAR clause 52.212-4 (Contract Terms and Conditions - Commercial Items). In the event any language in the terms and conditions of this Agreement conflicts with the governing FAR clause, such FAR clause takes precedence over the language of this Agreement.

2. License Grant. West grants Subscriber a non-exclusive, non-transferable, worldwide, limited license to access and use in accordance with the provision expressly set forth herein, the Data (as defined below), features, services, remotely-accessed gateways, and other components of the products named and described in the Agreement (as defined below) (collectively, the “Product”) which may change from time to time. Access to certain Data may be restricted.

a. Usage. Subject to the restrictions set forth in paragraph 2 (License Restrictions) below, Subscriber may use the Product(s), including Data (as defined below) in the regular course of Subscriber’s business, legal, and other research and related work subject to the limitations contained herein. “Data” means all information and representations of information, including, but not limited to, graphical representations, and other content made available to Subscriber through the Product. Subscriber may: (i) display Data internally; (ii) quote and excerpt from Data (appropriately cited and credited) by electronic cutting and pasting or other means in memoranda, briefs, reports, and similar work product created by Subscriber in the regular course of Subscriber’s research and work; and (iii) to the extent not expressly prohibited by the terms of the Agreement, use Data as permitted under the fair use provision of the Copyright Act (17 U.S.C.A. § 107).

b. Storage. Subscriber may store, on a matter-by-matter basis, insubstantial portions of Data in Subscriber’s database, maintained in connection with an active matter being handled by Subscriber in its regular course of business (“Project Database”). Such database must consist preponderantly of Subscriber’s work product, with access to Data limited to internal users who have a need to know such information. Subscriber may maintain Data in the Project Database until the file or case becomes inactive or until any termination of the Agreement, whichever occurs first. Subscriber may also store insubstantial portions of Data in accordance with Subscriber’s records retention policies, provided that such policies are in keeping with prevailing industry standards. For purposes of the Agreement, the term “insubstantial portions” means amounts of Data that (a) have no independent value other than as part of Subscriber’s work product; and (b) could not be used in any way in whole or in part as a substitute for any service or product provided by West, any affiliate of West, or any third-party that licenses, contributes, or otherwise provides Data, features, or other materials to West for inclusion in the Product (“Contributor”).

c. Print Outs. Provided that all printouts and other reproductions of Data retain, unaltered, all proprietary notices appearing on such reproductions, Subscriber may print, or otherwise reproduce, in hard copy form, insubstantial portions of Data in Subscriber’s regular course of business and share such printouts: (i) with Subscriber’s clients in relation to specific, ascertainable matters; and/or (ii) as required or reasonably necessary, to regulatory agencies, court officials, or parties to legal actions in which Subscriber is directly involved.

d. Electronic Distribution. Subscriber may, on an occasional basis and via Product functionality, direct West to transmit individual documents in electronic format to individual internal user(s), and to individual third parties in connection with actual, ascertainable matters being handled by Subscriber. Subscriber may also include downloaded Data in briefs prepared for a specific cause of action for a specific court in an electronic format. Distribution or dissemination of such downloaded Data in connection with, or as part of a brief must be limited to the court before which the cause of action is to be heard, the parties to the cause of action, or their representatives. All other direct transmission of electronic copies by Subscriber is prohibited.

3. License Restrictions.

a. Usage Restrictions. Subscriber may not copy, download, scrape, store, publish, post, transmit, retransmit, transfer, distribute, disseminate, broadcast, circulate, sell, resell, or otherwise use the Data, or any portion of the Data, in any form or by any means except as expressly permitted by paragraph 1 (License Grant) above, or as otherwise expressly permitted in writing by West. Subscriber shall not reverse engineer, decompile, disassemble, or otherwise attempt to discern the source code of the Products, their components, or any avenue by which Products are accessed.

b. Compliance with Applicable Law. Subscriber shall not use any Data and shall not distribute any Data to a third party for use in a manner contrary to or in violation of any applicable federal, state, or local law, rule or regulation.

c. Copyright Notices. Subscriber shall not remove or alter any copyright notices from any saved, downloaded, or otherwise reproduced Data. Subscriber shall indicate that use of, distribution, and dissemination of Data is with the permission of West.

4. Regulated Data. Certain Data available through the Products is subject to heightened regulatory scrutiny under state and federal law (“Regulated Data”).

a. Regulated Data Restrictions

- i. Subscriber acknowledges that West provides Regulated Data to support Subscriber’s own processes and decisions, and Subscriber should not deny any service or access based solely on Regulated Data provided through the Product or results provided by West. Subscriber is responsible for any denial of services or access and Subscriber will not deny such services or access without first conducting its own appropriate internal review in conjunction with its decision-making process.
- ii. West is not a consumer reporting agency, and Subscriber certifies that it will not use any Data as a factor in establishing a consumer’s eligibility for credit or insurance to be used primarily for personal, family, or household purposes, for employment purposes, or for any other purpose authorized under section 1681b of the Fair Credit Reporting Act (15 U.S.C.A. § 1681b).
- iii. Subscriber acknowledges that access to Regulated Data, available through the Product, including but not limited to

credit header Data, motor vehicle Data, driver license Data, and voter registration Data is regulated by state or federal laws, such as the Gramm Leach Bliley Act (“GLBA”), the Driver’s Privacy Protection Act (“DPPA”), or other state or federal laws and regulations, or is subject to Contributor restrictions.

- iv. If Subscriber is permitted to purchase motor vehicle records (“MVR Data”) from West, without in any way limiting Subscriber’s obligations to comply with all state and federal laws governing use of MVR Data, the following specific restrictions apply and are subject to change:
 - Subscriber shall not use any MVR Data provided by West, or portions of information contained therein, to create or update a file to the end that Subscriber develops its own source of driving history information.
 - As requested by West, Subscriber shall complete any state forms that West is legally or contractually obligated to obtain from Subscriber before serving Subscriber with state MVR Data.
- v. Subscriber agrees not to access Regulated Data for any purpose that is not allowed by the GLBA, by the DPPA, by any other applicable state or federal laws or regulations, or that is contrary to any Additional Terms, as defined in paragraph 5 (Additional Terms) below.
- vi. Subscriber represents and warrants that it is the end user of Regulated Data and shall limit use and dissemination of Regulated Data solely to the permissible uses stated by Subscriber in the application and online (Subscriber’s “Permissible Use”). Subscriber agrees to keep confidential and shall not disclose any Regulated Data except to Subscriber employees in the United States of America whose duties reasonably require access to such Regulated Data to carry out Subscriber’s Permissible Use.

b. Regulated Data Usage Compliance. West retains the right to temporarily or permanently block access to certain Data if West, in its sole discretion, reasonably believes that the Data may be or has been used for an improper purpose or otherwise in violation of the terms of the Agreement, or as otherwise required by a Contributor. By accessing Data, Subscriber acknowledges that from time to time, West and its Contributors and/or various government entities will require Subscriber to identify a permissible use (if applicable) and may inquire as to Subscriber’s compliance with applicable laws or the Agreement. Subscriber agrees to reasonably cooperate with any inquiry, subject to any attorney-client confidentiality. Subscriber shall immediately report to West any misuse, abuse, or compromise of Data of which Subscriber becomes aware.

c. Regulated Data Subscriber Credentials. West’s provision of access to Regulated Data is contingent on West’s verification of Subscriber’s credentials in accordance with West’s internal credentialing procedures. Subscriber shall notify West immediately of any changes to the information on Subscriber’s application for Services and, if at any time Subscriber no longer meets such credentialing requirements, West may terminate Subscriber’s access to Regulated Data.

d. Subscriber Responsibility for Use of Regulated Data. Subscriber recognizes that its access to and use of Regulated Data is contingent upon complying with its contractual obligations. Except as otherwise prohibited by law and without waiving any defenses to which it may be entitled, Subscriber is responsible for all damages due to (i) the misuse of Regulated Data by Subscriber (or any other party receiving such Regulated Data from or through Subscriber); and (ii) Subscriber’s breach of any representation, or warranty, or other provision of this Subscriber Agreement relating to its use of or purpose in using Regulated Data. This provision shall not be interpreted to impose on Subscriber liability for the actions of West.

5. Rights in Data. Except for the license granted in this Subscriber Agreement, all rights, title, and interest in the Product, including Data, in all languages, formats, and media throughout the world, including all copyrights, are and will continue to be the exclusive property of West and its Contributors.

6. Additional Terms. Certain Data, products and features are governed by specific terms and conditions (“Additional Terms”) which are supplemental to and may be different from those set forth either in this Subscriber Agreement or elsewhere in the Agreement. All applicable Additional Terms are available for review at the following locations: <http://legalsolutions.com/westlaw-additional-terms> and <http://legalsolutions.com/clear-additional-terms>. In the event of a conflict between any Additional Terms and terms set forth elsewhere in the Agreement, the Additional Terms will control.

7. Protection of Personal Information. West and Subscriber acknowledge that both parties may be required to comply with various privacy and security requirements, including but not limited to those set forth in paragraph 3.a. (Regulated Data Restrictions) above, the European Union Directive on Data Protection (95/46), and all other applicable legal directives and applicable industry standards (collectively “Privacy Laws”) pursuant to which each party wishes to obtain certain undertakings from the other with regard to the use and protection of the Personal Information of either party. For purposes of this Subscriber Agreement, “Personal Information” shall refer to, without limitation, the following types of information: name, address, e-mail address, age, date of birth, telephone number, fax, social security number or equivalent or similar government identification numbers, credit/debit card information, bank account information, logins, passwords, or medical or health records of an identifiable human being. Each party shall be responsible for any collection, access, use, and disclosure of Personal Information subject to this Subscriber Agreement. Without limiting the foregoing, each party shall employ appropriate administrative, physical, and technical safeguards in order to sufficiently protect the Personal Information and any information assets and resources in question. Each party shall promptly notify the other of any event that may result in the unauthorized collection, access, use, or disclosure of Personal Information subject to this Subscriber Agreement (“Information Protection Incident”). The parties shall make reasonable efforts to assist one another in relation to the investigation and remedy of any such Information Protection Incident claim, allegation, action, suit, proceeding, or litigation with respect to the unauthorized access, use, or disclosure of Personal Information. Furthermore, any access to or use of Personal Information must be in accordance with all applicable law. No individual shall access records that require a permissible purpose unless such a purpose exists for such individual. For purposes of its obligations hereunder, any acts or omissions by the personnel of each party shall also be deemed to be the acts or omissions of that respective party.

8. Product Software and Internet Based Services.

a. Product Software. West may make available to Subscriber, on a subscription basis, software for use in connection with the Product. Such software, including new versions and the accompanying user documentation, may be referred to collectively as “Software.” All Software will be licensed to Subscriber under a license agreement which will accompany the Software. By using the Software and taking such other action as may be referenced in the license agreement as constituting acceptance, Subscriber agrees to be bound by the terms and conditions of the accompanying license agreement. If Subscriber does not so agree, Subscriber must return any tangible copies of the Software in its possession or control.

b. Internet Based Services. Certain Products may be accessed via the Internet. Subscriber may use Data cached in Subscriber’s local disk drive solely in support of its use of the Product via the Internet (“Internet Based

Services"). Certain software used by Subscriber may not be capable of supporting Internet Based Services. The performance of Internet Based Services varies with the manufacturers' equipment with which it is used.

9. Disclaimer of Warranties. EXCEPT AS SPECIFICALLY PROVIDED IN THIS SUBSCRIBER AGREEMENT, ANY SCHEDULE, OR LICENSE AGREEMENT, ALL PRODUCTS, DATA, SOFTWARE, AND INTERNET-BASED SERVICES ARE PROVIDED "AS IS," WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF PERFORMANCE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, OMISSIONS, COMPLETENESS, CURRENTNESS, AND DELAYS.

10. Limitation of Liability. SUBSCRIBER'S EXCLUSIVE REMEDY AND WEST'S, ITS AFFILIATES, AND/OR CONTRIBUTORS' ENTIRE LIABILITY UNDER THE AGREEMENT, IF ANY, FOR ANY CLAIM(S) FOR DAMAGES RELATING TO PRODUCTS, DATA, SOFTWARE, OR INTERNET BASED SERVICES WHICH ARE MADE AGAINST THEM, INDIVIDUALLY OR JOINTLY, WHETHER BASED IN CONTRACT OR NEGLIGENCE, SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF SERVICE OR SOFTWARE CHARGES PAID BY SUBSCRIBER FOR THE INDIVIDUAL PRODUCT TO WHICH SUCH LIABILITY APPLIES DURING THE 12 MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO SUCH CLAIM. IN NO EVENT SHALL WEST, ITS AFFILIATES, AND/OR CONTRIBUTORS BE LIABLE TO SUBSCRIBER FOR ANY CLAIM(S) RELATING IN ANY WAY TO (i) SUBSCRIBER'S INABILITY TO USE PRODUCTS, DATA, SOFTWARE, OR INTERNET BASED SERVICES, OR ITS INABILITY OR FAILURE TO PERFORM LEGAL OR OTHER RESEARCH OR RELATED WORK OR TO PERFORM SUCH LEGAL OR OTHER RESEARCH OR WORK PROPERLY OR COMPLETELY, EVEN IF ASSISTED BY WEST, ITS AFFILIATES, OR CONTRIBUTORS, OR ANY DECISION MADE OR ACTION TAKEN BY SUBSCRIBER IN RELIANCE UPON DATA; OR (ii) THE PROCURING, COMPILING, INTERPRETING, EDITING, WRITING, REPORTING, OR DELIVERING DATA. IN NO EVENT SHALL WEST, ITS AFFILIATES AND/OR CONTRIBUTORS BE LIABLE TO SUBSCRIBER FOR ANY LOST PROFITS OR OTHER CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES RELATING IN WHOLE OR IN PART TO SUBSCRIBER'S RIGHTS UNDER THE AGREEMENT EVEN IF WEST, ITS AFFILIATES AND/OR CONTRIBUTORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, WEST SHALL HAVE NO LIABILITY WHATSOEVER TO SUBSCRIBER FOR ANY CLAIM(S) RELATING IN ANY WAY TO ANY THIRD PARTY FEATURE. NEITHER WEST NOR CONTRIBUTORS MAKE ANY WARRANTY THAT ACCESS TO PRODUCTS AND DATA WILL BE UNINTERRUPTED, SECURE, COMPLETE, OR ERROR FREE. NOR DOES WEST MAKE ANY WARRANTY AS TO THE LIFE OF ANY URL OR THIRD PARTY WEB SERVICE. SUBSCRIBER ACKNOWLEDGES THAT PROVISION OF PRODUCTS AND DATA ENTAILS THE LIKELIHOOD OF SOME HUMAN AND MACHINE ERRORS, DELAYS, INTERRUPTIONS, AND LOSSES, INCLUDING THE INADVERTENT LOSS OF DATA. THE DISCLAIMERS OF WARRANTY AND LIMITATIONS OF LIABILITY SET FORTH IN THIS SUBSCRIBER AGREEMENT WERE MATERIAL FACTORS IN THE DETERMINATION OF SERVICE CHARGES.

10. Responsibility for Certain Matters. Subscriber shall provide to West the office location and address associated with Subscriber's passwords issued under the Agreement. Subscriber's personnel may also access Products via home computers, laptops, or other wireless devices. Subscriber is responsible for promptly notifying West in writing of persons to whom passwords are to be issued or from whom passwords are to be revoked. Subscriber is solely responsible for maintaining security of passwords. Subscriber is also responsible for all access to and use of all

Products, Data, Software, and Internet Based Services through Subscriber's account, login credentials, and/or systems, whether or not Subscriber has knowledge of or authorizes such access and use. Sharing of passwords that have been issued to individual users of Subscriber is strictly prohibited.

11. Term and Termination. This Subscriber Agreement will become effective upon approval and acceptance by West in St. Paul, Minnesota, and will continue in force until terminated by either party upon at least 30 days prior written notice of termination to the other party, provided, however, that this Subscriber Agreement may not be terminated prior to one year after the date Subscriber first accesses the Product unless a different term is otherwise provided in the GSA Agreement currently in effect between Subscriber and West. Notwithstanding the foregoing, (i) West may terminate this Subscriber Agreement immediately upon giving written notice of termination to Subscriber if West reasonably believes that Subscriber's use of Data violates any applicable law or this Subscriber Agreement, or may result in a risk to public safety, including but not limited to the safety of private individuals; (ii) Subscriber may terminate the Agreement immediately upon giving written notice of termination to West after receiving notice of an amendment (as permitted under paragraph 6 (Additional Terms) which contains new terms that materially alter the terms of this Subscriber Agreement and are unacceptable to Subscriber; (iii) either party may terminate the Agreement immediately upon giving written notice of termination to the other party if the other party commits a material breach of this Subscriber Agreement; or (iv) West may terminate the Agreement immediately upon giving written notice of termination to Subscriber if Subscriber commits a material breach of any obligation to West under any other agreement between the parties. Upon any termination of this Subscriber Agreement, the Product Software licenses shall also terminate.

12. Force Majeure. Each party's performance under the Agreement is subject to interruption and delay due to causes beyond its reasonable control, such as acts of God, acts of any government, war or other hostility, civil disorder, the elements, fire, explosion, power failure, equipment failure, industrial or labor dispute, inability to obtain necessary supplies, and the like.

13. Notices. Except as otherwise provided herein, all notices must be in writing to West at 610 Opperman Drive, P.O. Box 64833, St. Paul, Minnesota 55164-1803, Attention: Customer Service, and to Subscriber at the address set forth below.

17. General Provisions. Neither the Agreement nor any part or portion may be assigned, sublicensed, or otherwise transferred by Subscriber without West's prior written consent. Should any provision of the Agreement be held to be void, invalid, unenforceable, or illegal by a court, the validity and enforceability of the other provisions will not be affected thereby. Failure of any party to enforce any provision of the Agreement will not constitute or be construed as a waiver of such provision or of the right to enforce such provision. The headings and captions contained in the Agreement are inserted for convenience only and do not constitute a part of the Agreement. West, as used herein, also applies to West Services Inc.

15. Feedback. Any and all Feedback that Subscriber provides to West shall become the exclusive property of West without any payment, accounting, remuneration, or attribution to Subscriber. "Feedback" means information provided, in any manner, by or on behalf of Subscriber with respect to any feature, West product or service, or their enhancement, customization, configuration, installation, or implementation, including but not limited to ideas, concepts, suggestions, materials, functions, methods, processes, and rules.

TO BE COMPLETED BY CLEAR® SERVICES SUBSCRIBERS ONLY

Addendum for CLEAR Services Only – Law Enforcement and Usage Logging

**Law Enforcement Agencies and Correctional Facilities
Subscriber Certifications**

Subscriber Certification Section must be completed by Subscribers that interact with, manage or house inmates or detainees.

Account # _____ Account Name _____

Subscriber by his/her initials below certifies and acknowledges understanding and acceptance of the security limits of CLEAR and Subscriber's responsibility for product, Internet and network access:

_____ **Subscriber's Initials.** Functionality of CLEAR cannot and does not limit access to non-West Internet sites. It is the responsibility of Subscriber to control access to the Internet. Subscriber by his/her initials acknowledges its understanding and acceptance of the security limits of CLEAR and Subscriber's responsibility for controlling Internet access.

_____ **Subscriber's Initials.** Subscriber certifies that it shall be responsible for controlling network access to the Internet or internal Subscriber sites. Subscriber agrees to provide its own firewall, proxy servers or other security technologies as well as desktop security to limit access to the CLEAR URL and West software. Subscriber must design, configure and implement its own security configuration.

_____ **Subscriber's Initials.** Subscriber shall not use any Data, and shall not distribute any Data to any other party for use, in a manner contrary to or in violation of any applicable federal, state, or local law, rule or regulation or in any manner inconsistent with the Subscriber Agreement.

_____ **Subscriber's Initials.** CLEAR will be accessed by Subscriber employees only for administrative or internal business purposes. All such access use will fully comply with the following restrictions:

- In no event shall anyone other than approved Subscriber employees be provided access to or control of any terminal with access to CLEAR or CLEAR Data.
- Terminals with CLEAR access, access credentials, and CLEAR Data will be in secured locations that do not provide inmate/detainee access.
- No access shall be outsourced or otherwise provided to any other parties.
- Subscriber shall be solely responsible for ensuring that no sensitive information is made available beyond its stated permissible use.

Usage Logging

All subscribers will be restricted to "standard logging"; provided, however, authorized law enforcement agencies with arrest powers may request that user input values entered in a search or report be "blind logged". Authorized law enforcement agencies choosing Blind Logging must initial below:

_____ Subscriber initials if Subscriber is an authorized law enforcement agency with arrest powers and requests Blind Logging

Required for, and applicable to, only accounts with arrest powers.

West reserves the right to change the logging type based on credentialing and account validation.

Subscriber must complete and attach the Exhibit 1 for CLEAR Services

Subscriber by his/her signature below acknowledges his/her understanding and acceptance of the terms and conditions of the Subscriber Agreement and certifies that the information provided in the Exhibit 1 for CLEAR Services is complete and accurate.

Permissible Use under Gramm Leach Bliley Act

Subscriber's use of the data is limited by the U.S. Gramm-Leach-Bliley Act (15 U.S.C. 6801 et. seq.) and can only be used for specific **non-FCRA (Fair Credit Reporting Act)** purposes. Please indicate below (check box) what permitted use(s) will apply to your research needs:

At least one permissible use must be selected to be granted access or the Subscriber must select the non- permissible use:

- Subscriber certifies there is no permissible use.
- For use by a person holding a legal or beneficial interest relating to the consumer.
- For use in complying with federal, state, or local laws, rules, and other applicable legal requirements.
- For use as necessary to effect, administer, or enforce a transaction requested or authorized by the consumer.
- For use in complying with a properly authorized civil, criminal, or regulatory investigation, subpoena, or summons by federal, state, or local authorities.
- For use to protect against or prevent actual or potential fraud, unauthorized transactions, claims, or other liability.
- For use by any Law Enforcement Agency, self regulatory organizations or for an investigation on a matter related to public safety.
- To persons acting in a fiduciary or representative capacity on behalf of the consumer.

- For required institutional risk control or for resolving consumer disputes or inquiries.
- With the consent or at the direction of the consumer.

Permissible Use under Drivers Privacy Protection Act

Subscriber's use of the data is limited by the U.S. Drivers Privacy Protection Act (18 U.S.C. §2721 et seq.) and can only be used for specific **non-FCRA (Fair Credit Reporting Act)** purposes. Please indicate below (check box) what permitted use(s) will apply to your research needs:

At least one permissible use must be selected to be granted access or the Subscriber must select the non-permissible use:

- Subscriber certifies there is no permissible use.
- For official use by a Court, Law Enforcement Agency or other Government agency.
- To verify or correct information provided to you by a person in order to prevent fraud, pursue legal remedies or recover a debt; skip tracing.
- For use in connection with a civil, criminal or arbitral legal proceeding or legal research.
- For use in connection with an insurance claims investigation or insurance antifraud activities.

UNMASKED OR FULL DISPLAY OF SENSITIVE PERSONAL INFORMATION SECTION
Qualified Accounts Only

Complete the below section if Subscriber requests unmasked or full display of full Security Numbers, Day of Date of Birth and/or Driver's License Wallet

- Subscriber **IS NOT** requesting unmasked or full display of Sensitive Personal Information.
- Subscriber **IS** requesting unmasked or full display of Sensitive Personal Information.

WEST PUBLISHING CORPORATION ("WEST") – AUTHORIZED SENSITIVE PERSONAL INFORMATION DISPLAY POLICY: West seeks to balance overall individual privacy needs and concerns with the legitimate personal information needs of specific entities as allowed within the provisions of the U.S. Gramm Leach Bliley Act (15 U.S.C. § 6821 et seq.) (U.S. GLB), U.S. Drivers Privacy Protection Act (18 U.S.C. §2721 et seq.) (U.S. DPPA) and other laws. As a general rule, sensitive data on West Public Records Databases is truncated. In order to help ensure that access to authorized unmasked and full display of sensitive data is warranted, West requires validation on a regular basis as necessary for each account requesting access to unmasked and full display of sensitive personal information to certify that the unmasked and full display of personal information is needed, and will only be used in connection with legitimate business. West, in its sole discretion, reserves the right to discontinue access to unmasked and full display of personal information.

CLEAR Subscribers: All CLEAR Users on this account will be granted access to the same type of sensitive personal information upon approved credentialing.

Westlaw Subscribers: Only those Westlaw users listed below will be granted access the sensitive personal information.

Please provide the names and passwords of those individuals for which unmasked access should be added or removed. Use additional page with the information below if needed.

Information Protection Affirmation

Subscriber shall be fully responsible for any unauthorized collection, access, use, and disclosure of Personal Information subject to this Agreement. Without limiting the foregoing, Subscriber shall employ appropriate administrative, physical, and technical safeguards in order to sufficiently protect the Personal Information and information assets and resources in question. Subscriber shall immediately notify West of any Information Protection Incident that may result in the unauthorized collection, access, use or disclosure of Personal Information subject to this Agreement. Subscriber shall make all reasonable efforts to assist West in relation to the investigation and remedy of any such Information Protection Incident and any claim, allegation, action, suit, proceeding or litigation with respect to the unauthorized access, use or disclosure of Personal Information. For purposes of its obligations hereunder, the acts or omissions of Subscriber's employees, shall also be deemed the acts or omissions of Subscriber.

Appropriate Use Standard

West provides computer devices, networks, and other electronic information systems to meet missions, goals, and initiatives and must manage them responsibly to maintain the confidentiality, integrity, and availability of its information assets. The use of any West information asset will be for legitimate business purposes only and in accordance with all applicable West corporate policies. Any access to or use of non-public personally identifiable information must be in accordance with all applicable law. No individual shall access records that require a permissible purpose unless such a purpose exists. It is your responsibility to seek guidance and clarification in case of any question about the proper use of West resources, including but not limited to the use of non-public personally identifiable information. All employees associated with the Subscriber, including all personnel must adhere to these requirements.

Fair Credit Reporting Act (FCRA) Use Prohibited

Subscriber certifies that it has read, understands and will comply with the terms of the Research Subscriber Agreement including in particular (but not limited to) the Data Usage Restrictions. Subscriber understands that West is not a Consumer Reporting Agency and Subscriber will not use any Westlaw/CLEAR Data for any purpose regulated by the U.S. Fair Credit Reporting Act (15 U.S.C. § 1681 et seq.) or any similar statute.

By signing below, you acknowledge that you and all authorized persons under your account(s) agree to limit the use of this information, as described above, and to comply with the provisions of the U.S. Gramm Leach Bliley Act (15 U.S.C. § 6821 et seq.) (U.S. GLB), U.S. Drivers Privacy Protection Act (18 U.S.C. §2721 et seq.) (U.S.DPPA) and all other applicable federal, state, and local laws, rules, and regulations.

You further certify that you are authorized to execute this Account Validation and Certification Form on behalf of the Subscriber listed above and that statements you have provided in this form are true and correct. Further, you agree to the terms and conditions set forth in this form and understand that you may periodically be required to re-certify information provided herein.

AMERICAN JURISPRUDENCE 2D WestlawNext® PRO LIBRARY
ALL PRICING SHOWN ARE MONTHLY, ORDERS MUST BE SUBMITTED FOR A 12 MONTH PERIOD

506 **AMERICAN JURISPRUDENCE 2D WestlawNext® PRO LIBRARY**

The American Jurisprudence 2d Library provides authoritative answers to any aspect of civil, criminal, substantive, and procedural law in *Am Jur*® online. Cases, statutes, and regulations from all 50 states and federal courts are researched and analyzed to create *Am Jur* articles. Each article clearly examines not only the point of law, but also the spirit and intent of the courts in construing the law, and the legislature's intent in enacting and amending the law.

CLEAR

CLEAR is a Web-based public records product that leverages extensive data sources and proven technologies to maximize the usefulness of the returned data. CLEAR provides public records and related information on individuals and businesses and is used to identify and locate persons; identify assets; reveal public records such as bankruptcies, liens, and judgments; disclose business affiliations; and identify associates. Additionally, CLEAR provides innovative tools for reporting and visualizing data in ways that enrich the context of the information.

Item No.	CLEAR Searches	Description	Price per Search
512	CLEAR Person Search V.1	The CLEAR Person Search is typically conducted in order to find information that will help verify an individual's identity or locate an individual. The search hits against multiple sources, and returns data such as names, aliases, addresses, phone numbers, dates of birth, Social Security numbers, etc.	\$ 2.62
513	CLEAR Business Search V.1	The CLEAR Business Search is conducted in order to find information about a business. Types of information can include name and address of the business, phone number, corporate information, tax identification number, fictitious business names, and, possibly, Uniform Commercial Code filings.	\$ 3.53
514	CLEAR Delaware Corporate Gateway Search V.1	The CLEAR Delaware Corporate Gateway premium search option provides gateway access to the Delaware Secretary of State's Office and provides a list of results containing the name and file number.	\$ 9.57
515	CLEAR Delaware Corporate Gateway Detail V.1	The CLEAR Delaware Corporate Gateway Detail premium search option provides expanded information from the Delaware Secretary of State's Office, such as stock information, merger information, general company information, etc.	\$ 14.36
516	CLEAR Web Analytics Search V.1	CLEAR Web Analytics V.1 is a premium option that searches surface-Web and deep-Web sources in real-time for data on a person, business, or phone number of interest. Results may include information from social networking sites, blogs, chat rooms, news references, etc. Key-word analysis and watch-list features provide added value over other search engines and help users focus on relevant information.	\$ 1.25
517	CLEAR Asset Search--Vehicles V.1	The CLEAR Asset Search for Vehicles provides information about vehicle registrations as recorded by state agencies. Types of information provided can include license plate information, vehicle information, and registrant/owner information.	\$ 2.02
518	CLEAR Asset Search--Real Property V.1	The CLEAR Asset Search for Real Property is conducted to ascertain information about the ownership of property and/or the property value and description. The information is sourced from deed records and tax assessment records.	\$ 2.02
