23. List of Participating Dealers

None - All products offered are sold and serviced directly by Intermountain Media Systems.

24. Preventative Maintenance

Not applicable.

25. Y2K Compliant

Intermountain Media Systems has evaluated the impact of the year 2000 problem on it's product lines and have determined that all products which have an understanding of time are Y2K compliant. Products which are based on the so-called "real time" operating systems are not aware of time and will therefore continue to operate normally before, during and after the year 2000.

26. Environmental

Not applicable.

27. Data Universal Number

03-396-6342
