Main Street Pedi-Cabs, Inc.

Main Street Pedicabs Inc. has been an innovator in making pedal-powered vehicles that can carry heavy loads in a wide variety of settings. MSP is the largest manufacturer in North America of **pedicabs** (modern versions of rickshaws) and is branching out to pedal trucks, advertising tricycles, and industrial tricycles, including customized boxes on the back. A large inventory of related bike parts is available on-line at www.wheelgoods.com. All models are available in electric-assist models, cutting down on our dependence on fossil fuels.
