CUSTOMERS

With over 40,000 shade structure systems across the world our list of satisfied clientele include: Honeywell, U.S. Department of Justice, MacDonald's, Raytheon, U.S. Marines, U.S. Army, Navy and Air Force, MCI, Hertz, National, Alamo and Enterprise Rent-A-Car facilities, Banner Health, U.S. Fish and Wildlife. We follow NACCRA safety standards working with NACCRA approved playgrounds to provide shade structures to federal and state agencies, shade for MWR playgrounds, shade structures for school districts and Parks and Recreation departments throughout the country.

Leading Shade Structure Manufacturer

A leading producer of innovative shade structure products, Shade 'N Net designs, engineers and manufactures state-of-the-art fabric shade canopy and shade awning products using UV stabilized polyethylene shade netting over steel frames.

TRAINING AND DEVELOPMENT

With our continuous improvements in fabric canopy engineering and shade structure fabrication at our manufacturing facility in Phoenix, Arizona we supply shade structures to every part of the country and abroad. We strive to ensure optimum production strategies throughout our entire process from conceptual design of architectural shade systems, high precision engineering to a complete finished product that is securely packaged to safeguard your shade structure for a quality delivery. Our commitment for a complete chain of events from production to delivery to after sales service continues to earn us the satisfaction of our long list of customers.

Innovative Shade Awning Products

We offer a variety of shade structure shapes, sizes and models to give singular or complex shade configurations to suit both commercial and residential shade solutions.

We work with Architects and Landscape Architects from project origin to retail customers through both custom shade structures and standard shade solutions. Our

fabric cable tension canopies are available in our popular 4-post, T-post shade structures, cantilever shade canopies, extreme span, umbrellas, triangles, pentagons, hexagons, octagons, shade sails to fit any outdoor space that requires shade.

VALUE CREATION

Due to our medium-sized company status, we are able to practice lean management principles which give us the advantage of quick decisions and flexibility. We instill a white glove care to all our shade structure projects and shade umbrella systems whether they are simple standard projects to highly complex industrial shade systems. We invite you to test our performance and allow us to partner with your project for seamless execution.

Experience

Since our inception in the United States in 1995 we have quickly become one of the country's most experienced commercial manufacturers of quality fabric shade systems today. Shade 'N Net was originally founded in Australia in the early 1990's and is widely recognized as one of the shade structure pioneers setting standards for cable-tension shade structures in the USA. American owned and operated shade structure manufacturers we strive to offer optimum premium shade structure products in Sun /UV / Hail protective canopies nationwide.

HIGHLY TRAINED AND LOYAL STAFF

Our greatest asset is our staff that we value and recognize are the cornerstone to the quality and successful delivery of our tension fabric products. Each day they carefully manufacture yards of shade tops and sheets of steel to give us the excellent shade products we offer our valuable customers. We continue together to improve our processes through harmonious training for seamless shade structure fabrication.

COMMUNITY PARTICIPATION

Shade 'N Net partners with various recognized national organizations in the areas of sun/ UV protection that include Kaboom, American Dermatology Association, Curt & Shonda Schilling's Shade Foundation, Ronald McDonald House, Make-a-Wish Foundation, Extreme Makeover Home Edition.
