## Why SofSURFACES?

### Safety

Whether the safety concerns are falls, slips or heavy use to your facility, trust the sofSURFACES range of products to protect you and the people you serve. Engineered for the way kids really play, our duraSAFE playground tiles outperform the competition when it comes to fall protection. Our duraTRAIN fitness tiles can handle the weight from repeated drops and bounces. duraSOUND acoustic tiles was engineered to reduce structure-borne vibrations for a better acoustic experience for both you and your neighbors business. And our duraSTRONG paver tile offers a slip-resistant surface no matter the weather conditions.

### Durability

All sofSURFACES tiles are built to stand up to even the harshest conditions. Whether it's the rigors of a northern winter, the heat of the desert sun, or the repeated abuses doled out by fitness facility customers, sofSURFACES tiles are made with durable reconstituted rubber that makes it weather-resistant and vandal-resistant.

### Design

At sofSURFACES, we appreciate the beauty and versatility in rubber tile surfacing. We start with our 'plus' or 'premium' color offerings and use our interactive design-rendering program to create a near-endless array of custom colour combinations, designs and patterns.

It is important to engage an architect or engineer prior to the design process in order to determine suitability of the product for a particular application.

### Sustainability

Made with up to 100 percent post-consumer recycled content, sofSURFACES rubber surface tiles deliver maximum performance with a minimal footprint.

### Low Maintenance

Once your sofSURFACES tiles are installed, all you have to do is enjoy them. Easy to care for and easy to clean, sofSURFACES tiles are guaranteed to last with minimal regular maintenance treatments required. Lifetime Guarantee We have you covered. All sofSURFACES products are backed by our best-in-industry Limited Lifetime Guarantee.

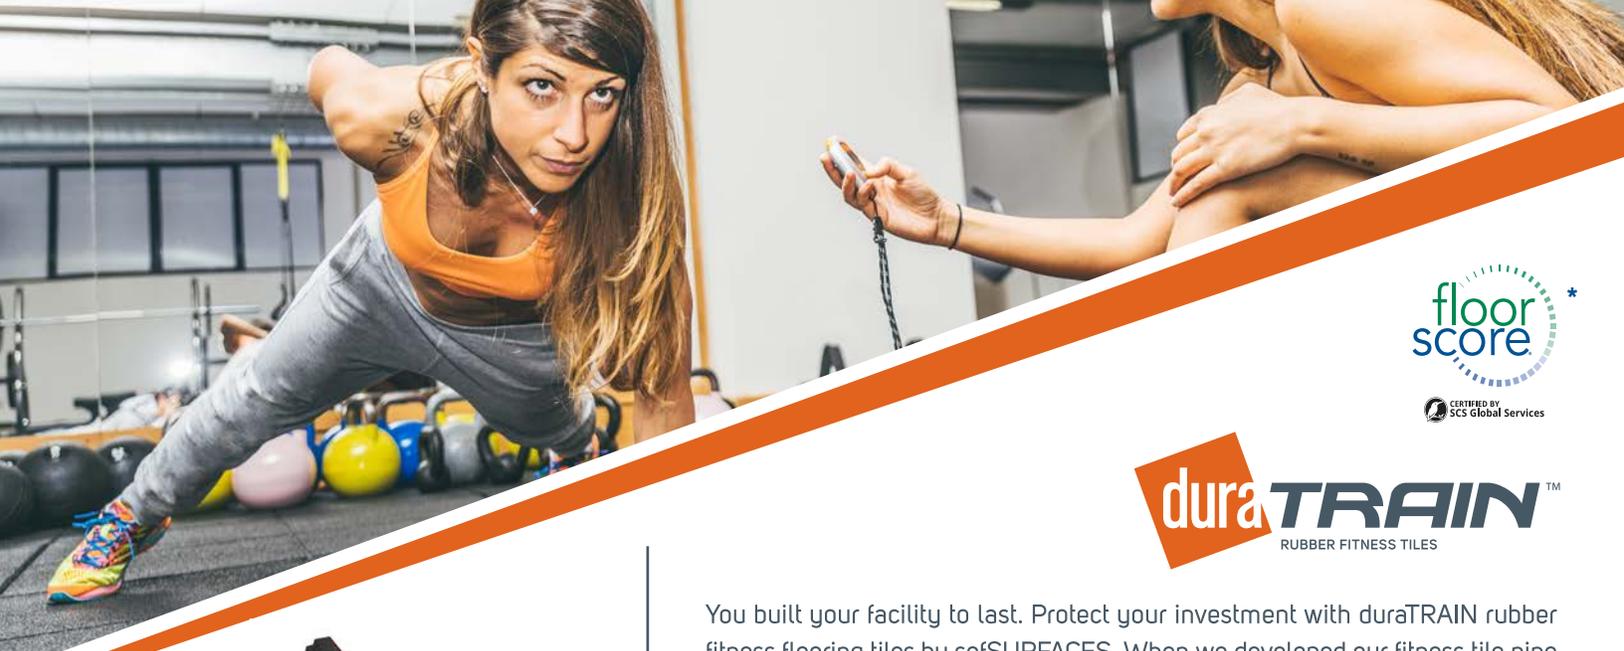

- Superior sound attenuation & shock insulation
- Tight seam lines provide superior aesthetics
- Drop free weights directly onto the floor!
- Maintenance Free

## Engineered for PERSONAL BESTS.

Virtually indestructible, duraTRAIN rubber fitness flooring tiles are designed for a range of applications, from heavy use fitness facilities to high impact health clubs, offering superior sound insulation. Our interlocking design and proprietary manufacturing process are the result of extensive testing and engineering backed by a best-in-industry Limited Lifetime Warranty.

You built your facility to last. Protect your investment with duraTRAIN rubber fitness flooring tiles by sofSURFACES. When we developed our fitness tile nine years ago, we set our sights on a sophisticated interlocking yet attractive flooring solution to handle any heavy use environment. Today, duraTRAIN rubber fitness tiles (formerly DuraFLEX) are being rigorously tested in Division 1 schools, fitness gyms and crossfit facilities all over the world. At 1.25" thick, duraTRAIN delivers the best in sound and shock insulation backed by the muscle of sofSURFACES' new industry-leading Lifetime Guarantee.

- Superior sound attenuation and shock insulation
- New Best-In-Industry Lifetime Warranty
- Available in 6 standard colors and an infinite range of premium custom color blends
- Innovative Patented KROSLOCK Tile-Locking System
- Maintenance Free
- Drop free weights directly onto the floor
- Tight seam lines provide superior aesthetics

\* **FloorScore®** is a certification program established by the Resilient Floor Covering Institute (RFCI) for hard surface flooring and flooring adhesives products that meet strict indoor air quality (IAQ) requirements. Products bearing the FloorScore label meet the indoor air quality emissions criteria of LEED, CHPS, the Green Guide for Health Care, and are recognized by a long list of healthy building programs.

# duraSOUND™

RUBBER ACOUSTIC TILES

- Superior sound attenuation & shock insulation
- Drop free weights directly onto the floor!
- New best-in-industry Lifetime Warranty
- Patented KROSLOCK Tile-Locking System provides tight seam lines and superior aesthetics

USGBC® and the related logo are trademarks owned by the U.S. Green Building Council and are used with permission.

## Improve the experience **REDUCE** the sound.

Dramatically reduce the transmission of clanking free weights or pulsating music of any fitness facility with duraSOUND™ rubber acoustic tiles by sofSURFACES.

duraSOUND was engineered to reduce structure-borne vibrations for a better acoustic experience for both your customers and neighboring businesses.

duraSOUND all-in-one fitness floor tiles are performance-engineered to control vibrations, minimize low-frequency impact noise, and reduce the transmission of audible structure-borne sound by up to 36 dB!

Use duraSOUND in cardio studios, free weight/dumbbell areas, high-impact studios, personal training areas, machine areas, Cross Fit training areas, spinning studios, locker rooms, or even daycare centers where sound and vibration threaten to travel beyond your facility's floors and walls.

We install duraSOUND tiles using our high compression process to ensure tight seamlines and superior aesthetics. duraSOUND offers a choice of six attractive standard colors and infinite range of hybrid custom color blends.

Made from 100 percent post-consumer recycled materials and backed by our Limited Lifetime Guarantee, duraSOUND rubber acoustic tiles control audible sound transmissions and keep neighboring residents satisfied.

### PHYSICAL DIMENSIONS

Size	Thickness	Weight (lbs.) Ea.	sofRAMP Length
24" x 24"	2.75" (other thicknesses available)	PLUS – 29.00 HYBRID – 29.00 (with 40% TPV)	47.75"

### PHYSICAL PROPERTIES

STANDARD COLORS

HYBRID CUSTOM BLENDS

Available in 6 standard colors and an infinite range of hybrid custom color blends. Customer-Favorite Hybrid color blends shown above.

Build your very own custom blend right here using our new custom color renderer:  
[sofSURFACES.com/design-center](http://sofSURFACES.com/design-center)

- Safety Performance that exceeds the required ASTM standards by nearly 50%!
- Best-In-Industry Lifetime Warranty – including safety standard compliance.
- Unmatched durability with years of maintenance-free performance.

## Safe landings. Guaranteed.

Playgrounds should be a place where only happy memories are made. So trust **duraSAFE™** rubber playground tiles by sofSURFACES to ensure the children who use your space are protected, from the ground up. For more than two decades, we have been pioneers in developing, testing and installing the world's safest playground tiles. Our proprietary fifth generation duraSAFE design exceeds all industry safety standards. And we offer an industry-leading Limited Lifetime Warranty to ensure safe landings, anytime.

To verify product certification, visit [www.ipema.org](http://www.ipema.org).

# TRIED. TESTED & TRUE.

Since 1992, sofSURFACES has been a pioneering voice within the playground safety arena, advocating for safer and higher performing surfacing systems. **duraSAFE** has been engineered to comply with the safety ratings mandated for vehicle impact safety by the National Highway Traffic Safety Administration – performance that exceeds current required ASTM standards by nearly 50%! Additional features and benefits include:

- The world's safest playground tile!
- New Best-In-Industry Lifetime Warranty.
- Available in a large assortment of standard colors and premium colour blends
- Innovative Patented KrosLock Tile-Locking System
- Maintenance Free

**Attachment 2 – Commercial Warranty**

---

**sofSURFACES Inc. warrants that duraTRAIN tiles will be free from defects in materials and workmanship.**

### What does the warranty cover?

Surface wear due to ordinary abrasion from pedestrian traffic will not penetrate the wear course of the surface. The locking system when installed according to the manufacturers' specifications, will ensure the surface remains fixed and functional.

### What will we do?

Any segment of a duraTRAIN surface that fails to meet the warranty criteria will be repaired or replaced, at and in conjunction with the warranty coverage schedule below.

### Warranty Coverage

sofSURFACES shall be responsible for 100% of the product cost of the repair or replacement of any product found to be defective or not in compliance with the warranty herein within the first six (6) years following the original shipment of the product.

Where any product is found to be defective or not in compliance with the warranty herein more than six (6) years following the original shipment of the product, sofSURFACES shall be responsible for 50% of the cost of the repair or replacement of such products as follows (and the buyer shall bear and pay the remaining portion of such costs):

# OF YEARS FROM DATE OF ORIGINAL SHIPMENT TO DATE OF CLAIM	% OF CURRENT LIST PRICE OF PRODUCT FOR WHICH SOFSURFACES IS RESPONSIBLE
0-6 years	100%
more than 6 years	50%

### Warranty Exclusions

Product failure caused by accidents, misuse, natural disasters, vandalism, improper installation, or maintenance and the like (see installation care and maintenance instructions).

- ▶ Color change caused by exposure to UV and/or normal abrasion from pedestrian traffic
- ▶ Black transfer which can occur over time to recycled rubber
- ▶ Failure due to improper sub-surface preparation
- ▶ Punctures from extreme high forces, such as high heels, narrow tipped chair or table legs, kickstands and pogo sticks
- ▶ Use of the product in a manner not intended for its manufactured application
- ▶ duraTRAIN rubber fitness tiles may suffer visible damage as a result of extreme high forces (up to 2,000 pounds per square inch). sofSURFACES will not accept damage claims caused by such concentrated high pressure.

### How to submit a warranty claim

A warranty claim should be made directly to sofSURFACES. Please provide a description of the claimed defect, the date the defect was discovered, photographic images and the project name, site address, phone and email address so we can contact you and request additional information if required to process your claim.

### Additional Considerations

sofSURFACES' liability is limited to the material and transportation costs of repair or replacement of the product at sofSURFACES' option.

Where duraTRAIN is installed only in high traffic areas or installed in combination with other surfacing products not sold by sofSURFACES, such duraTRAIN are excluded from this warranty.

- ▶ In the event of repair, replacement, or refinishing under this warranty, the warranty applicable to the replacement material or to the repaired or refinished products will extend only for the time remaining under the original warranty.

- ▶ sofSURFACES reserves the right to discontinue or change any design or color of any products at any time without notice or liability. If, for any reason, products of the type originally purchased are no longer available at the time a warranty claim is made, a suitable replacement of comparable quality and price will be recommended.

**THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

Your exclusive remedy for any breach of warranty is as set forth in this warranty. This warranty gives you specific legal rights. You may have other rights which vary from state to state and province to province.

sofSURFACES Inc. warrants that duraTRAIN systems installed by certified sofSURFACES installation crews will be free from defects in workmanship.

sofSURFACES has led an effort to bring about more advanced and higher performing surfacing systems to the market. A key component of this effort includes installation. sofSURFACES has developed advanced and proprietary installation techniques that are unique to our duraTRAIN product. duraTRAIN's product warranty revolves around the mandatory use of factory certified installers that are experienced and professionally trained in the use of these techniques. Proper installation is the only way to ensure that your new duraTRAIN surface performs as expected for years to come.

The installer of the project is responsible for any issues deemed to be at fault of the installer. Issues such as but not limited to; seam separation, gapping, curling, faulty cuts or missed adhesive.

Our Installation Manual should be reviewed by the end user to confirm all elements have been followed.

# LIMITED LIFETIME PRODUCT WARRANTY

Effective as of:    YR /    MO /    DAY

Last Revised: May 26, 2016

sofSURFACES Inc. warrants that duraSAFE tiles will be free from defects in materials and workmanship. sofSURFACES further warrants that duraSAFE tiles comply with the requirements of the ASTM F1292-13 standard specification for impact attenuation.

### What does the warranty cover?

Surface wear due to ordinary abrasion from pedestrian traffic will not penetrate the wear course of the surface. The product will comply with the requirements of ASTM F1292-13 at the height for which the duraSAFE product was rated by the manufacturer at the time of purchase.

### What will we do?

Any segment of a duraSAFE surface that fails to meet the warranty criteria will be repaired or replaced, at and in conjunction with the warranty coverage schedule below.

### Warranty Coverage

sofSURFACES shall be responsible for 100% of the product cost of the repair or replacement of any product found to be defective or not in compliance with the warranty herein within the first six (6) years following the original shipment of the product.

Where any product is found to be defective or not in compliance with the warranty herein more than six (6) years following the original shipment of the product, sofSURFACES shall be responsible for 50% of the cost of the repair or replacement of such products as follows (and the buyer shall bear and pay the remaining portion of such costs):

# OF YEARS FROM DATE OF ORIGINAL SHIPMENT TO DATE OF CLAIM	% OF CURRENT LIST PRICE OF PRODUCT FOR WHICH SOFSURFACES IS RESPONSIBLE
0-6 years	100%
more than 6 years	50%

### Warranty Exclusions

Product failure caused by accidents, misuse, natural disasters, vandalism, improper installation, or maintenance and the like (see installation care and maintenance instructions).

- ▶ Color change caused by exposure to UV and/or normal abrasion from pedestrian traffic
- ▶ Black transfer which can occur over time to recycled rubber
- ▶ Failure due to improper sub-surface preparation
- ▶ Punctures from extreme high forces, such as high heels, narrow tipped chair or table legs, kickstands and pogo sticks
- ▶ Use of the product in a manner not intended for its manufactured application

### How to submit a warranty claim

A warranty claim should be made directly to sofSURFACES. Please provide a description of the claimed defect, the date the defect was discovered, photographic images and the project name, site address, phone and email address so we can contact you and request additional information if required to process your claim.

### Additional Considerations

sofSURFACES' liability is limited to the material and transportation costs of repair or replacement of the product at sofSurfaces option. Where duraSAFE is installed only in high traffic areas or installed in combination with other surfacing products not sold by sofSURFACES, such duraSAFE are excluded from this warranty.

- ▶ In the event of repair, replacement, or refinishing under this warranty, the warranty applicable to the replacement material or to the repaired

or refinished products will extend only for the time remaining under the original warranty.

- ▶ sofSURFACES reserves the right to discontinue or change any design or color of any products at any time without notice or liability. If, for any reason, products of the type originally purchased are no longer available at the time a warranty claim is made, a suitable replacement of comparable quality and price will be recommended.
