Factory Warranty

WARRANTY - Seller warrants, to the original Buyer, that the Equipment is free from defects in material and workmanship for a period of twelve (12) months from the date of shipment by the Seller or for one thousand (1,000) hours of operation, whichever occurs first.

Seller will repair or replace, at its option, any such Equipment or device which is returned FCA to the applicable Seller factory, with transportation charges prepaid and within the warranty period. The liability of Seller shall be limited to the repair or replacement of the Equipment or device and shall not include removal, re-installation, or any other charge or expense incurred by Buyer. Seller will pay for return freight to customer's port of entry.

This warranty shall not apply to any Equipment or part thereof which, in the opinion of Seller, has been installed or used improperly; damaged by accident, misuse, or negligence; or altered or repaired in such a manner as to impair performance. Seller shall have the right of final determination as to the existence and cause of any such defect.

For Equipment or products that are not manufactured to Seller's detailed designs, Seller agrees to flow down to Buyer all available commercial warranties for such products.

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN OR ORAL, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR USE AND WARRANTIES ARISING FROM COURSE OF PERFORMANCE, DEALING, USAGE OR TRADE, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED. NO EXTENSION OR EXPANSION OF THIS WARRANTY SHALL BE BINDING UPON SELLER UNLESS SET FORTH IN WRITING AND SIGNED BY SELLER'S AUTHORIZED REPRESENTATIVE.

The obligations of this Article shall survive the cancellation, termination, or completion of any Orders.
