Appendix B. - MALCOM COMPANY INC. TERMS AND CONDITIONS.

A. PRODUCT WARRANTY POLICY
Malcom Company warrants goods supplied under the order conform to specifications supplied and are
MERCHANTABLE and fit for the particular purposes for which goods are ordinarily employed.

Seller further warrants to the Buyer and to any party ultimately using any item whether such third party is a customer of
Buyer or not, that all items delivered under the order will be free from defects in material and workmanship and will
conform to applicable specifications, drawings, samples and descriptions.

The foregoing express warranties shall be, in addition to any warranty customarily made by Seller of its products and
any implied warranties shall be construed as conditions as well as warranties.

Seller’s warranty shall extend for a period of 12 months (365 days) after the item is delivered and accepted by buyer.
Heating elements, carbon brushes and any electronic replacement parts are not covered by the terms of this warranty.

The warranties represented and covenants of parties outlined shall survive the delivery of the goods or completion of
the work or services provided and are fully enforceable thereafter. Seller’s warranty is part consideration for the order;
any payment by buyer is conditional upon warranty remaining in effect and no modification or other change of this
warranty shall be valid unless evidenced by Buyer’s written change order.

Seller undertakes to repair free of charge and damage occurring to tools that is established by Seller to result from
defects in production. In order for repair to be affected in accordance with the provisions currently valid, tools must be
returned with authorization from the Seller to Seller’s works carriage paid and free of charges.

No replacement will be effected in the event of incorrect use, unauthorized repair interference with the product and
normal wear and tear.

Seller’s liability will exclusively comply with the sections specified under warranty, as well as the currently valid general
conditions of business and terms of delivery. Any claims on the part of the buyer for compensation of damages against
Seller, which are not expressly granted in the above sections, irrespective of the sort of claim or its basis in law,
particularly claims arising from violation of accessory contractual obligations, for loss and damage in transit, from
positive breach of contract, for consequential loss of damage arising from defects (in as much as these are not covered
by contractual guarantee), from buyer’s claims of recourse resulting from product liability, from buyer’s claims for
commercial material damages due to defective products, etc., are excluded unless these are the result of unlawful
intent or gross negligence.

Manufacturer’s Warranty. For information on a specific manufacturer’s warranty, please contact Malcom Company
Inc. at 1-800-289-7505.

Service. Any request for service repair must be authorized by the Malcom Company Service Department before the
item is returned to the Company for Service. The buyer shall pay any freight charges that may be incurred. Please go to
the Malcom website: www.malcomtools.com, and download the service form. Any questions regarding warranty issues,
operation, maintenance, repairs, parts service and accessories can be directed to Malcom Company through Malcom’s
website, www.malcomtools.com, email service@malcom.com, or through the toll free number from the USA at 888-807-
4030 or from other parts of the world by calling 401-625-5099.

Product Compliance and Suitability. Jurisdictions have varying laws, codes and regulations governing construction,
installation, and/or use of products for a particular purpose. Certain products may not be available for sale in all areas.
Malcom does not guarantee compliance or suitability of the products it sells with any laws, codes or regulations, nor
does Malcom accept responsibility for construction, installation and/or use of a product. It is customer’s responsibility to
review the product application and all applicable laws, codes and regulations for each relevant jurisdiction to be sure
that the construction, installation, and/or use involving the products are compliant.

Cross-Reference Information. Product cross-reference comparisons do not imply that products are available or
perfectly comparable. CROSS-REFERENCED PRODUCTS ARE NOT REPRESENTED OR WARRANTED AS
FUNCTIONAL OR PERFORMANCE EQUIVALENTS. Customer shall review all cross-referenced product specifications
prior to purchase and use to determine suitability of the product for customer’s intended use.
