### **Company Overview:**

Founded in 1895, GSH has vast experience in the FM/HVAC services industry and offers dynamic, innovative systems and trained personnel to provide exceptional service delivery. Our business solutions are based upon building long-term partnerships whereby goals and objectives are shared with business plans, detailed and performance monitored against agreeable targets set by both parties.

GSH staffs full-time and part-time employees, both on-site and route-based, depending on the needs of our clients. All of our employees are multi-skilled with the necessary experience and training to provide a first class service both safely and efficiently.

GSH employs over 1,500 personnel dedicated to property maintenance, who operate out of a network of branches located in the US, UK and Mainland Europe. All GSH branches adopted, implemented and maintain ISO 9001 quality approved systems.
