Please see the Labor Categories and Rates on Page 4 of this document.

2. MAXIMUM ORDER:

1) Any order for a single item in excess of SIN's 412-21 is \$200,000, 412-50 is \$200,000 and 412-52 is \$200,000;

(2) Any order for a combination of items in excess of SIN's 412-21 is \$200,000, 412-50 is \$200,000 and 412-52 is \$200,000;

(3) A series of orders from the same ordering office within 5 days that together call for quantities exceeding the limitation in paragraph (1) or (2) of this section.

If this is a requirements contract (i.e., includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the ordering activity is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in of this section 2.

Notwithstanding the above paragraphs of this section, the Contractor shall honor any order exceeding the maximum order limitations state above unless that order (or orders) is returned to the ordering office within 5 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the ordering activity may acquire the supplies or services from another source.

If the "best value" selection places your order over this Maximum Order, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contractor for a better price. The contractor may (1) offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the Schedule contract in accordance with FAR 8.404.
