SIN 426-99 – New Products/Services

Prices shown reflect a 5.95% discount off commercial prices and are inclusive of the Industrial Funding Fee.

CLASSROOM RENTAL

\$47.38 per Day

- Classroom with seating for 24
- Whiteboard and markers
- PowerPoint© Projection equipment

TACTICAL TRAINING AREA

Less than 20 shooters \$1,184.44 per Day

(No Blackwater Instruction, Self-administered training by Unit)

20-32 shooters \$1,421.33 per Day

32 or more shooters \$1,658.22 per Day

- Warm-up Range
- Exclusive use of the one and two story ballistic shoot houses

Door Packages (Breaching) to Support Tactical Training Area

Internal Doors: 12 wood hollow core doors with hardware and install

\$771.31 per Package

External Doors: 1 ea. Metal door

\$156.35 each

Direct Action Tactical Area Exercise includes 1 Internal Door Package

\$2,217.28 per Day

This option is made available for units, divisions or agencies that require a facility to rehearse a full force, live fire exercise. This asset will be made available after regular working hours and can be scheduled at almost anytime. Due to the destruction of the training asset, Blackwater is required to repair the facility prior to sunrise the following day.

1200 YARD KNOWN DISTANCE RANGE TRAINING

\$75.80 per Day per Person

(No Blackwater Instruction, Self-administered training by Unit)

(Minimum \$758.00)

Range maximum 40 personnel (Shooters)

Twenty shooting positions
Military style butts & Target Backings
Shooting berm every 100 yards

.50 Caliber Restrictions:
Special Ball Ammunition ONLY!

****User is required to supply targets, spotters, spray glue etc.**

800 YARD KNOWN DISTANCE RANGE TRAINING

(No Blackwater Instruction, Self-administered training by Unit)
Range maximum 20 personnel (Shooters)

\$75.80 per Day per Person
(Minimum \$758.00)

Ten shooting positions
Manual style butts & Target Backings
Shooting berm every 100 yards

No .50 Caliber allowed

Special Ball Ammunition ONLY!

****User is required to supply targets, spotters, spray glue etc.**

URBAN TRAINING AREA (UTA)

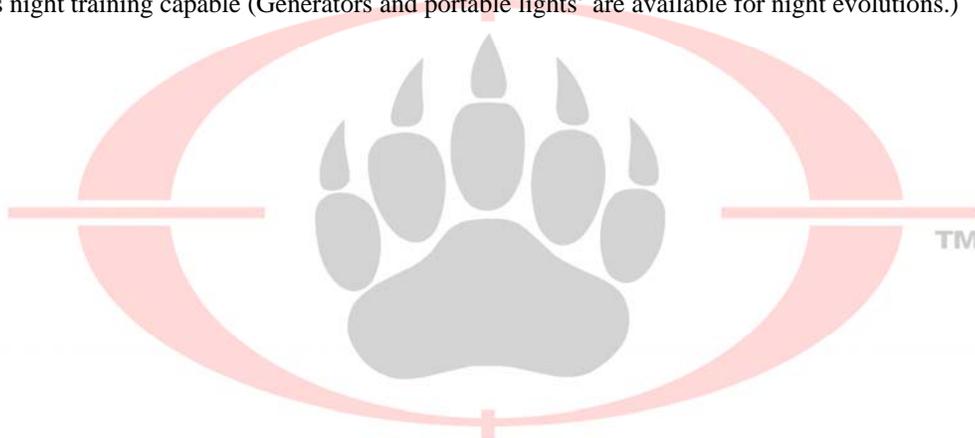

(No Blackwater Instruction, Self-administered training by Unit)

30 Personnel or less \$1,184.44 per Day
31 or more \$1,421.33 per Day

This complex has over 126,000 square feet of training area.
The UTA configuration supports live fire with computerized pop-up targets.
Slow vehicle maneuvers, vehicle assaults, mounts and dismounts, medium shoots and a computer activated interactive target system.

Supports tactical movement, entries and force on force evolutions.

This entire complex is night training capable (Generators and portable lights' are available for night evolutions.)

FLAT RANGE TRAINING – RANGE RENTAL

(No Blackwater Instruction)

Rogers Reactive Steel Range (automated)

\$75.80 per Day per Person (Minimum \$758.00)

- Individual sheltered stations with seven computerized Reactive Steel targets at ranges of 7 to 18 yards on each.
- Lighted for low light application.
- Unlimited number of computerized target combinations.
- Computer applications consist of Manual, Custom Programming and Totally Random capability.

BEAR Range (automated)

\$75.80 per Day per Person (Minimum \$758.00)

- 25 yards, 50 yards
- 12 – 36 Shooting Positions
- Completely automated system involving movers, turners, static steel and plate racks.
- Each plate rack has six multi-shaped interchangeable plates.

Carbine Range (automated)

\$75.80 per Day per Person (Minimum \$758.00)

- 100 yards x 75 yards.
- 82' adjustable speed steel moving target with interchangeable plates. (on selected ranges)
- 15 portable static steel 12" x 18" carbine targets with portable stands.
- Removable 20 firing point paper target line.
- Ten portable paper target stands with uprights.
- Six 12 x 18 steel plates with 5' uprights and bases
- 1 circle hole barricade
- 6 upright barricades
- 1 left and 1 right step down barricade
- 1 big wall barricade with mouse hole
- Barricades rubberized
- 10 pneumatic carbine pepper poppers (on selected ranges)
- Barricade two story shooting

Unknown Distance Range

\$75.80 per Day per Person

- 600 yards
- 25 steel targets
- 30' tower and shooting deck with various roof positions
- 4 vehicle targets

DRIVING SPECIALTY RANGES

General Track

\$852.80 per Day

- Five turn two lane asphalt road course
- Positive and negative camber corners
- Two straight stretches
- Constant - increasing - decreasing radius turns
- Off Road recovery Area
- Direct Access to 350 foot Skid Pad with sprinkler system
- 4 way intersections and side streets
- Uphill and downhill straights and turns
- Natural terrain of sand – gravel - grass around the track edges
- Six tenths of a mile in shortest configuration

Tactical Track

\$1,184.44 per Day

- Ten turn, one mile, two lane road course
- Straight stretch with hill and ninety degree turns at each end
- Asphalt driving surface has painted lines as found on public roads
- Two sets of S - turns with varying degrees of radius
- Positive and negative camber corners
- Constant – increasing – decreasing radius turns
- Hairpin turns
- Off Road Recovery areas
- Natural terrain of sand – gravel – grass from track edges to vegetation areas
- Access to 350 foot Skid Pad with sprinkler system
- Live fire tactical training area

Law Enforcement Track

\$947.55 per Day

- Ten turn two lane road course
- The driving surface 7 tenths of a mile, changes from asphalt to concrete to asphalt
- A sprinkler system can wet both surfaces two corners and a steep hill
- Uphill – downhill straights and turns
- Constant – increasing – decreasing radius turns
- Two 4-way intersections with stop signs
- Side streets with yield signs and merge lanes
- Direct access to 350 foot skid pad with sprinkler system
- Natural terrain surrounding track edges with safety run off
- Off Road Recovery area

Two Track Combination

\$1,421.33 per Day

- Use of both the General and Tactical tracks.

Skid Pad – Single Rental Only

\$284.27 per Day

- The skid pad is a 350 foot circle with constant sprinkler system capable of soaking or flooding entire driving area.
- Designed for driver training and skill development to correct and control under-steer and over-steer, braking and acceleration control, hydroplaning control.

Ramming Pad – Single Rental Only

\$284.27 per Day

- The 200 x 300 foot ramming pad is designed for barricade breaching skill development with multiple ramming scenarios.

Off Road Training Area

\$758.04 per Day

DRIVER TRAINING VEHICLES

Training Vehicles

\$781.73 per Day

- Primary Training Vehicles: Late model 4 door sedans with automatic transmission.

Off Road Vehicles

\$829.11 per Day

- Late model 4X4 pickup with manual transmission, SUVs with automatic transmission.

Consumable Vehicles

\$758.04 each

- A variety of used vehicles, mechanically safe, and intended to be consumed.

Rammer

\$758.04 each

- Stock production model vehicles to be used for barricade breaching.

Target Vehicles

\$260.58 each

- Stock production model vehicles that do not run and are used as blocking or barricade vehicles to be rammed through.

Surveillance Vehicles

\$71.07 per Day

- Nondescript average vehicles of all makes and models.

Specialty Vehicles

\$1,042.31 per Day

- Military HUMV
- Armored Vehicles

OTS INDIVIDUAL TRAINING UTILIZING BLACKWATER INSTRUCTORS

Three Day Pistol Course

\$734.35 per Student

This course is designed to develop a solid foundation of shooting skills. The student will exercise these skills in a variety of shooting situations. The student will quickly gain experience, confidence and increase his skill level with a handgun.

Five Day Pistol Course

\$942.82 per Student

This course is designed to develop skills for the student who uses his weapon in a tactical environment. The course will start with developing fundamental shooting skills. You will soon advance to skills that will reduce your reaction time, allow you to shoot faster with higher degree of accuracy, and increase your confidence with your handgun.

Three Day Shotgun Course

\$734.35 per Student

This course fully develops the student's ability to employ the shotgun in any tactical environment. Student will progress from basic handling and marksmanship to advanced shooting techniques that can be used in any tactical environment.

Three Day Carbine Course

\$734.35 per Student

This course is a Bushmaster factory certified course taught by Blackwater. The certification is valid for three years. The course is designed to teach students the skills necessary to properly operate and maintain the Bushmaster carbine rifle or any AR15 style weapon. This will be accomplished by a conducting a combination of classroom lectures and practical range exercises. The students will be required to pass both a written test and a shooting test.

Five Day Carbine Operator Course

\$942.82 per Student

This course is designed to develop understanding and proficiency with a tactical carbine. Students will progress from basic handling and marksmanship skills to advanced shooting drills. This course will focus on techniques used in an urban environment. The student will develop skills that will increase their speed, accuracy and confidence with the carbine.

Five Day Carbine Instructor Course

\$942.82 per Student

This course is designed to develop understanding and proficiency with a tactical carbine. Students will progress from basic handling and marksmanship skills to advanced shooting drills. This course will focus on techniques used in an urban environment. The student will develop skills that will increase their speed, accuracy and confidence with the carbine. The course also includes instructor development in the areas of methods of instruction and training program development.

Five Day Pistol / Carbine Course

\$942.82 per Student

This course is designed to develop a solid foundation of shooting skills with both the pistol and carbine rifle. The student will exercise these skills in a variety of shooting situations. The student will quickly gain experience, confidence and increase their skill level with the handgun and carbine.

High Risk Warrant / Hostage Rescue (5 days)**\$942.82 per Student**

This course will focus on the three most common SRT situations: warrant service, barricaded suspect, and hostage rescue. The course is designed for officers who are already assigned to a Special Response Team. Students conducting the training will be required to dress out in their tactical gear. A gear list will be provided. Students should have a primary weapon (subgun / carbine) and a secondary weapon (pistol). If you are only issued a handgun, you can still participate in the course.

Maritime Security Training (5 Days)**\$942.82 per Student**

This course is designed to develop a solid foundation of Maritime rapid response tactics for the Law Enforcement Tactical Officer who has the responsibility to enforce laws in a maritime environment. For the purpose of this course, a Maritime environment is described as an environment that would be on or near water. This five day course is a comprehensive course of instruction that will cover all practical aspects of maritime SWAT operations. This course is not a live fire course of instruction. Focus will be on specialized tactics. The student will be exposed to inherently dangerous training scenarios such as swimming, climbing on board small to large vessels and fast roping. The course of instruction will be conducted during normal working hours; however, two night training events will be scheduled. The student will quickly gain experience and confidence in all aspects of maritime operations.

Force Protection (10 Days)**\$2,028.95 per Student**

This 10 day course is designed for military unit support personnel operating in hostile environments. The student will undergo instruction in evasive driving, countering ambush, surveillance detection, live fire bail outs, high speed evasive maneuvers, skid control, and convoy operations.

Surveillance & Surveillance Detection (5 Days)**\$2,037.24 per Student**

This course of instruction is designed for those individuals who are living, working or visiting high threat areas that have high criminal or terrorist activities. Training will focus on the principles of surveillance, techniques used to conduct surveillance and the methods used to detect surveillance. These techniques will be taught using classroom presentation and practical field exercises. The field exercises will involve several hours of walking and driving. Training will take place in a hotel conference room. Practical exercises will take place in the Hampton roads area of Virginia. Call Blackwater for information regarding hotel reservation. Training days will usually last eight hours, however, several days will last into the evening hours.

Executive Protection (5 Days)**\$1,231.82 per Student**

This course will cover the range of Executive Protection from the basic principals to advanced techniques. The course will be taught using classroom lectures and practical field exercises. The training days will usually last eight hours plus night exercises.

Executive Protection Driving (6 Days)**\$3,087.13 per Student**

This 6-day course is designed to teach motorcade operations used in extreme high threat areas of the world. The course will focus on protective operations. This course will teach techniques used in two, three and four vehicle motorcades/convoys. This 6-day course will incorporate two days of an evasive driving package plus four days of motorcade/convoy driving techniques.

Evasive Driving (3 Days)**\$1,842.99 per Student**

This course is designed to teach advanced driving skills and the basic skills required to maneuver a vehicle out of an attack zone. The student will learn how to recognize, respond and escape from an attack while operating a motor vehicle. These techniques can be used to counter attacks from either common criminals or organized terrorist groups. This course is excellent for personnel who have been threatened, are traveling in high threat areas of the world, or are designated drivers for executives or high-ranking officials.

High Risk Protective Security Detail (10 Days)**\$2,525.23 per Student**

This 10 day comprehensive course of instruction is designed for military units who may be tasked with providing protection service to high ranking officials. The course will be taught using classroom lectures and practical field exercises. Training lasts eight hours daily except where low light training is required.

COD[®] Armed Personal Defense Level I Readiness Certification (Three Days) **\$710.67 per Student**

This course encompasses portions of the six divisions of CQD[®] utilizing enhanced evolutions designed to create a broader base of skills. Training will primarily focus on Direct Defense Skills (DDS), Weapon and Zone Control, and will include an in-depth study of strategy and tactics. The integration and development of these skills is validated through operational training scenarios.

- CQD[®] *Full Circle*[™] Theory – comprehension and development
- Development of the First Level of Defense “protective reflex”
- Operator’s weapons system

- *Attack the Attacker*[™]
- Weapon control and retention – the “Power Point”
- Zone domination
- Weapon defense and disarmament
- Force control/justification of use
- Situational awareness and response
- Warrior mindset
- Physical conditioning through tactical exercises
- Tactical weapons flow
- Multiple threats
- Identification and remediation of *Training Scars*[™]
- Practical evolution and validation exercises – *Hooded Box*[™]/*Tac-House*[™] with SIMUNITION[®] FX[®] marking cartridges

CQD[®] Law Enforcement Officer Level I Readiness Certification (Five Days) \$1,184.44 per Student

This course utilizes the six divisions of CQD[®]. The training meets the specialized needs of the law enforcement officer. Instruction is progressive, beginning with isolated skills followed by an in-depth study of each segment of the tactical responsibilities required. All skills are validated to ensure officer interoperability and duty readiness through practical drills and realistic scenario evolutions using SIMUNITION[®] FX[®] marking cartridges.

- CQD[®] *Full Circle*[™] Theory – comprehension and development
- Development of the First Level of Defense “protective reflex”
- Officer’s weapons system
- *Attack the Attacker*[™]
- Pressure control points, *realistic* application
- Weapon control and retention – the “Power Point”
- Zone domination
- Force control/justification of use
- Situational awareness and response
- Warrior mindset
- Physical conditioning through tactical exercises
- Sensory search and verbal, physical, and weapon commands
- Tactical weapons flow
- Multiple threats
- Identification and remediation of *Training Scars*[™]
- Practical evolution and validation exercises – *Hooded Box*[™]/*Tac-House*[™] with SIMUNITION[®] FX[®] marking cartridges

CQD® Protective Specialist Level I Readiness Certification (Five Days)

\$1,184.44 per Student

This course is designed exclusively for the Protective Specialist in both shooting and non-shooting responses. It encompasses portions of the six divisions of CQD® utilizing enhanced evolutions designed to create a broader base of skills. Training will primarily focus on Direct Defense Skills (DDS), Weapon and Zone Control, and will include an in-depth study of strategy and tactics. The integration and development of these skills is validated through operational training scenarios.

- CQD® *Full Circle*™ Theory – comprehension and development
- Development of the First Level of Defense “protective reflex”
- Operator’s weapons system capabilities
- Strike Intervention – Soft Hand Control
- Overt and Covert defense activation
- *Attack the Attacker*™
- Weapon control and retention – the “Power Point”
- Zone domination
- Weapon defense and disarmament
- Force control/justification of use
- Situational awareness and response
- Warrior mindset
- Physical conditioning through tactical exercises
- Tactical weapons flow
- Multiple threats
- Principal rescue and evacuation
- Crowd control
- Identification and remediation of *Training Scars*™
- Practical evolution and validation exercises – *Hooded Box*™/*Tac-House*™ with SIMUNITION® FX® marking cartridges

CQD® Protective Specialist Level II Readiness Certification (Five Days)

\$1,184.44 per Student

This course is designed to expand the foundational elements of the Protective Specialist Level I with advanced training in all six divisions of CQD® with a focus on live fire shooting and advanced Protective Operations techniques and procedures. The integration and development of these skills is validated through operational training scenarios.

- CQD® *Full Circle*™ Theory advancement
- Direct Defense Skills (DDS) enhancement
- Transitional fighting
- Force control/justification of use
- Operational mindset
- Physical conditioning through tactical exercises
- Low/No profile tactics and techniques
- Awareness and detection of threat
- Room entry – clear to contact
- Formations to and from vehicle
- Attacks inside vehicle
- Subject control for both complying and non-complying subjects from approach to transport
- No and low light operations
- Development of the *Cycle of Shooting*™
- *Visual Projection Shooting*™ (VPS™)
- Practical evolution and validation exercises – *Hooded Box*™/*Tac-House*™ with SIMUNITION® FX® marking cartridges

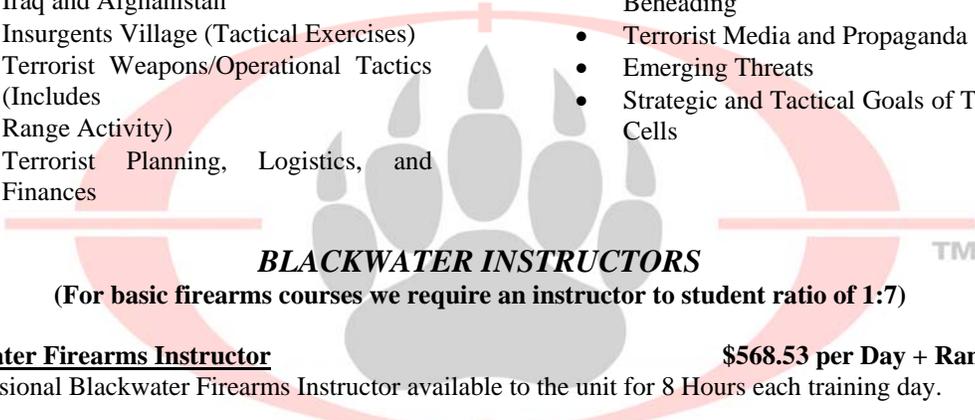

Mirror Image: Training to Combat Terrorism (Five Days)

\$2,648.41 per Student

Mirror Image is an intensive, one-week classroom and field training program, designed to realistically simulate terrorist recruiting, training techniques and operational tactics. During the course, participants will receive insight into the mindset and rationale of the terrorist, through hands-on experience with the methods and means they use, and education about the ideologies that motivate them and cultural dimensions that influence their decision making process.

Military, law enforcement, intelligence, and security professionals will, in turn, be able to see themselves as the terrorists see them, and understand the weaknesses in their own environment that the terrorists will see, and which all too often they miss. Armed with these insights, participants will leave the course better able to anticipate, prevent and respond to multiple terrorist threats. Some topics that will be addressed:

- History of Islam, (Radical Islam)
- Prayers and the Quran
- Arab Culture, Customs and Phases
- Terrorist Training
- Cultural Issues and Differences
- Assessments of Individuals and Selection for Particular
- Camps and Operations
- Terrorist Attacks Worldwide
- Casing and Targeting Tradecraft
- IED's, Deployment and Evolution in Iraq and Afghanistan
- Insurgents Village (Tactical Exercises)
- Terrorist Weapons/Operational Tactics (Includes
- Range Activity)
- Terrorist Planning, Logistics, and Finances
- Martyrdom Operations
- Terrorist Casing, Surveillance of Targets
- Terrorist Operations
- Internal Security (Terrorist OPSEC)

\$710.67 USD per Day

A Blackwater security professional with at least four years of military or law enforcement experience and/or attended the Blackwater Training Academy with concentration in the areas of special operations, security, or SWAT skills. Skill sets may include but are not limited to:

- Force Protection
- Static Security
- Reconnaissance and Surveillance
- Sniper/Counter-Sniper Operations
- Forward Observer/Call-for-Fire
- Small Unit Tactics
- Communications
- Medic
- Area of Operation language skills

Price includes Standard Blackwater uniform and insurance.

Tier 4 Consultant

\$473.78 USD per Day

Description: A Blackwater Security consultant with English as their primary language and experience as a US federal, state or municipal law enforcement officer.

Tier 5 Consultant

\$236.89 USD per Day

Description: Vetted and trained foreign national security personnel with area familiarity and language skills pertinent to the Area of Operation.

BLACKWATER AVIATION AIRCRAFT

CASA 212 – Mobilization/Demobilization

\$1,326.58 per Block Hour

Cost to move the aircraft from North Carolina to Customer Location, essentially any location not in and around Fayetteville, NC.

CASA 212 – Mission Support

\$1,516.09 per Block Hour

These are hours in support of the customer once on station. A minimum of three hours per day is the required minimum charge for each scheduled day.

Cessna Grand Caravan, C208B

\$758.04 per Block Hour

This cost applies to both mobilization/demobilization and mission support time.

Metro 23 - Mobilization/Demobilization

\$1,516.09 per Block Hour

Cost to move the aircraft from North Carolina to Customer Location, essentially any location not in and around Currituck, NC.

Metro 23 - Mission Support

\$1,421.33 per Block Hour

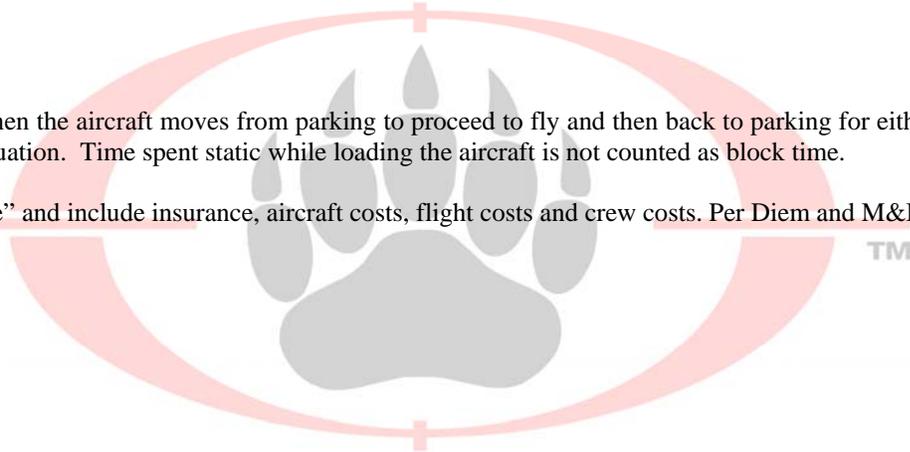

These are hours in support of the customer once on station. A minimum of three hours per day is the required minimum charge for each scheduled day.

Aircraft are not available on an “hourly” basis as described above. However, aircraft can be positioned for short or long term work on a case-by-case basis.

Notes on Aviation:

Block Hour is defined as when the aircraft moves from parking to proceed to fly and then back to parking for either mission complete or reload for mission continuation. Time spent static while loading the aircraft is not counted as block time.

Aircraft hours are “wet lease” and include insurance, aircraft costs, flight costs and crew costs. Per Diem and M&I are billed separately at JFTR rates.

SIN 426-2A – Canine Training & Handling, Canine Search & Detection

Prices shown reflect a 5.95% discount off commercial prices and are inclusive of the Industrial Funding Fee.

BLACKWATER CANINE ASSETS

Fully Trained Patrol Dogs

\$7,106.65 per Dog

Utility/Patrol dogs trained in obedience, agility, handler protection, aggression control, gun fire control, man tracking and article search. All dogs will meet or exceed the certification standards of the North American Police Work Dog Association.

Fully Trained Explosive Detector Dogs

\$8,054.21 per Dog

Dogs trained on actual explosives, not pseudo-compounds and capable of detecting ten basic odors which include black powder, smokeless powder, dynamite, C-4 or Flex-X, TNT or Military Dynamite, primer (DET) cord, and Surries or Water gels.

Fully Trained Personal Security Detail (PSD) Dogs

\$9,001.76 per dog

Dogs fully trained as explosive detector dogs, which are also trained in aggression control, to be used in a defensive manner to protect the handler, PSD Team members and the principal. Blackwater PSD dogs are well balanced socially, capable of working around people and Team members, and highly trained in obedience.

Dog Handler (Handler Only, No Dog Provided)

\$1,184.44 per day

Dog handlers require a minimum of three years documented experience working a dog as either a military work dog handler or a law enforcement work dog handler.

Dog Only (No Handler)

\$236.89 per Day

Dog Team – Handler and Dog

\$1,421.33 per Day

BLACKWATER CANINE COURSES

K9 Tactical (5 Days)

\$639.60 per Student

The 5-day K9 Tactical Course is designed to educate the working K-9 handler with the knowledge and skills of tactical dog handling to safely approach high-risk situations. This is a challenging course that will test the handler's decision-making ability. In this course the handler and dog will be taught the following:

- Fundamentals of K9 tactical obedience
- Methods of maintenance training for tactical obedience and control work with the K9
- Tactical approach and movement with a dog to the potentially high risk situation
- Building and room entry techniques
- Tactical tracking
- "Shoot/don't shoot" and "deploy the dog/don't deploy the dog" scenarios
- Tactical K9 situation v. SWAT call situation
- Shooting techniques while handling a dog

K9 Decoy School (5 Days)

\$379.02 per Student

The Decoy School is a five-day physically challenging course designed to teach the novice as well the experienced K9 handler or trainer in the proper methods of being a K9 decoy. Through classroom and practical application, students will learn how to strengthen the drives of the working K9 as well as enhance their personal dog handling skills. Areas covered are:

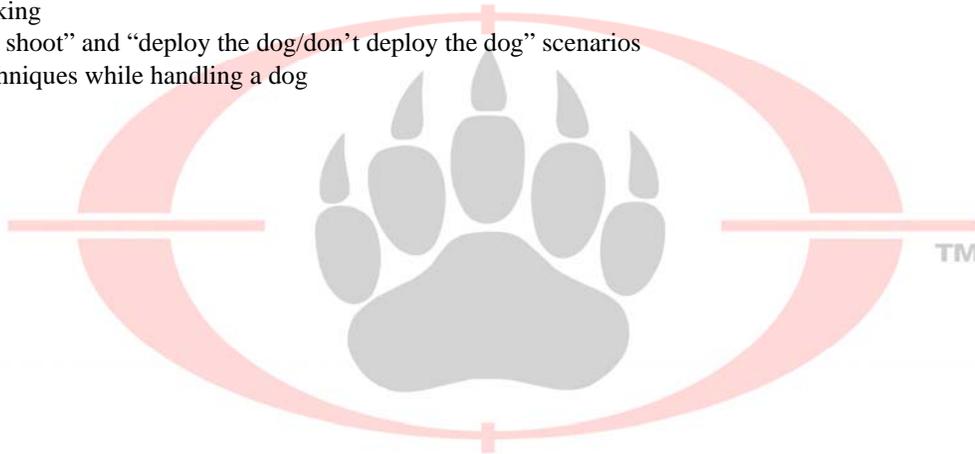

- Understanding K9 psychology related to the drives of the utility dog
- K9 behavior analysis
- Understanding the "Drive Triangle"
- Understanding how K9's communicate with each other
- Proper utilization of training equipment
- Body language and how to correctly communicate it
- Assessing and addressing your K9 opponent
- Safety issues and injury prevention for both the decoy and the K9

Three Day K9 Tactical Carbine / Pistol Course (3 Days)

\$734.35 per Student

The 3-day K9 Tactical Course is designed to educate the working K-9 handler with the knowledge and skills of tactical dog handling to safely approach high-risk situations. This is a challenging course that will test the handler's decision-making ability. In this course the handler and dog will be taught the following:

- Fundamentals of K9 tactical obedience
- Methods of maintenance training for tactical obedience and control work with the K9
- Tactical approach and movement with a dog to the potentially high risk situation
- Building and room entry techniques
- Tactical tracking
- "Shoot/don't shoot" and "deploy the dog/don't deploy the dog" scenarios
- Shooting techniques while handling a dog
