ACADEMI Policy on Third Party Instructors

ACADEMI reserves the right to refuse, by individual or organization, third party personnel (including instructors and observers) from utilizing or training on ACADEMI facilities. This policy is designed to manage the liability exposure of ACADEMI and its customers and to optimize the use of ACADEMI resources.

SIN 426-6 Law Enforcement and Security Training

ACADEMI offers a 5.95% GSA discount off commercial prices for all items under this SIN. All prices show below are net and include the **5.95% discount and the Industrial Funding Fee.**

All items in this section are available at the North Carolina facility. Selected items are available at locations in San Diego, CA and Salem, CT.

CLASSROOM RENTAL

Classroom Rental

GCLASSROOM

All classrooms are climate controlled in permanent buildings and fully Computer-Aided-Instruction with computers and LCD projectors or devices, plus dry-erase boards and markers. Individual classrooms to 35 students; some classrooms may be combined to accommodate even 90 students, depending on classroom configuration. Many Internet capable upon request. Restrooms are located near all Specialty classrooms include:

- Armorer Classroom – includes digital camera presenter, video monitors, and workbench with vice for each student.
- Driving Classroom – larger classrooms with digital projection and other instructional tools for advanced driving presentations.

\$47.38 per day
equipped for alternate display can accommodate 14 groups of 50, 70 or classrooms may be classrooms.

SPECIALTY RANGE TRAINING - RANGE RENTAL

(No contractor instruction, self-administered training by unit)

Tactical Training Area

GTTA1

\$1,184.44 per day

Each tactical shoot-house is fully ballistic, live-fire capable for all pistol, sub-machine gun, and buckshot rounds. Also rated for 5.56mm frangible ammunition (frangible ammunition must be approved by ACADEMI Training Center). All interior and exterior walls are AR500 fully ballistic (with the exception of doorways). Each facility is fully ventilated for shooter health and safety and is capable of supporting live fire shotgun door breaching and explosive door breaching up to 1.5 oz. TNT equivalent. Doors for breaching are not included in the rental price. Most facilities are equipped with catwalks for instructor observation and lighting for extended training hours.

Door Packages (Breaching) To Support Tactical Shoot House

GDOORI

\$771.31 per package

Internal Doors: 12 wood hollow-core doors with hardware and install

GDOORE

\$156.35 each

External Doors: 1 each metal door with hardware and install

1200 Yard Known Distance Range Rental

GKD1

\$758.04 per day

Premier long-distance range with military style butts system and six foot by six foot target backing. Provides 20 shooting lanes and shooting positions every 100 yards; motor driven lateral moving targets installed on the 100 yard line. Able to support all long distance rifle rounds and up to 7.62mm crew served weapons (ball ammunition only). Spent brass pick-up required. Shooting blocks are 0800 to 1200, 1230 to 1730, and 1800 to 1000 daily.

****User is required to supply targets, spotters, spray glue etc.**

800 Yard Known Distance Range Rentals

GKD1

\$758.04 per day Long-distance range with military style butts system and six foot by six foot target backing. Provides 10 shooting lanes and shooting positions every 100 yards. Able to support long distance rifle rounds and crew served weapons up to 7.62 (ball ammunition only). No .50 Caliber allowed. Spent brass pick-up required. Shooting blocks are 0800 to 1200, 1230 to 1730, and 1800 to 1000 daily except Sundays.

****User is required to supply targets, spotters, spray glue etc.**

Urban Training Area (UTA)/MOUT Rental

GUTA1

ACADEMI Training Center has four different Urban Training Areas North Carolina facility with 5 to 22 buildings in size to support marking including slow vehicle maneuvers, vehicle assaults, mounts and tactical movement, entries, and force on force evolutions. One of the four support limited live fire training with computerized pop-up targets. for mechanical breaching may be available.

\$1,184.44 per day

available at the round training dismounts, is also able to Mounted doors

FLAT RANGE TRAINING – RANGE RENTAL

(No contractor instruction)

GFLAT10

All ranges listed under this section are capable of supporting all pistol, shotgun ammunition, and carbine ammunition to 5.56mm unless otherwise noted on that specific range. Some ranges are capable up to 7.62mm. No expended brass pick-up required by customers except shotgun hulls.

\$758.04 per day

Rogers Reactive Steel Range (Automated)

- Individual sheltered stations with eight computerized Reactive Steel targets at ranges of 7 to 18 yards on each.
- Lighted for low light application.
- Unlimited number of computerized target combinations.
- Computer applications consist of Manual, Custom Programming and Totally Random capability.
- Pistol, 12 ga Birdshot and Buckshot only

Multi-Purpose Range (Automated)

- Seven ranges available from 25 to 65 yards and 12 to 24 shooting positions.
- Completely automated system involving moving targets, turners, static steel and four to eight plate racks.
- Each plate rack has six reactive plates.

Carbine Range (Automated)

- All ranges are at least 100 yards long and 75 yards wide.
- All have 24 paper turners, 8 sets of six-plate pistol steel racks, and one adjustable speed steel moving target with interchangeable plates.
- Portable barricades available.
- Selected ranges may also provide:
 - Left and right step down barricades.
 - Big wall barricade with mouse hole.
 - 10 pneumatic carbine pepper poppers.
 - Barricade two story shooting.

Unknown Distance Range

- Three unknown distance ranges
- Variety of shooting positions including elevated tower, high ground, and urban area including dimensional shot through second window opening.
- Targets from 200 yards to 600 or 800 yards, depending on range.
- Steel targets and vehicle targets available.

OTHER TRAINING AREAS – Charged as Flat Ranges

Tactical Marking Round House/Area

Each tactical shoot-house is a multi-room facility with four-way hallway and side/center fed rooms ideal for room entry, building clearing and protective detail training using marking rounds.

Static Ship Trainers

Three-story land-based ship-simulators provide realistic environment maritime close-quarters battle using marking rounds. Includes both interior and exterior ladders to different levels. This area requires expended brass cleanup after use.

Train & Station Simulator

This facility simulates three 80 foot passenger cars located next to a station. Two of the rail cars are configured with open coach seating with a center aisle while the third car contains individual compartments, half with an offset aisle, and half with a center aisle. The station features and elevated platform with access to all three cars plus a single room station building ideal for tubular assault force-on-force scenarios with marking rounds.

Urban GPS/Orienteering Course

One to two mile navigation course with eight or more check-in stations to validate students' ability to navigate on the ground using GPS or compass and bearing. Course can be configured to meet client requirements.

Container Climbing and Inspection Tower

A tower of four standard ISO shipping containers configured for the instruction of technical climbing and rigging for maritime cargo container inspection. Doors are operable on all levels.

Demolition Ranges

Open sand-covered demolition ranges for explosive practical demonstrations and exercises. Each area exceeds 150 yards by 400 yards. All shots must be non-fragmentary and are limited to equivalent of four pounds TNT unless specifically approved by ACADEMI. The area can also be used for 40mm training using non-pyrotechnic practice rounds. Stand-by fire-fighting equipment provided.

DRIVING SPECIALTY RANGES

Rental prices for track do not include contract instruction. Groups renting the track without instruction may be required to also hire one instructor as a track safety officer due to the unique risk involved in driving training.

General Track

GGENTRACK

\$852.80 per day

- Five-turn, two-lane asphalt road course; lanes are delineated with painted lines the same as public roads and highways.
- Positive and negative camber corners.
- Two straight stretches.
- Constant, increasing, and decreasing radius turns.
- Direct access to 350 foot skid pad with sprinkler system.
- 4 way intersections and side streets.
- Elevation changes; uphill and downhill straights and turns.
- Natural terrain surrounding track edges with safety run-off and off-road recover area.
- Eight-tenths of a mile; length sufficient to set up at least four vehicle dynamic exercises at different locations simultaneously.

Tactical Track

GTRACTACK

\$1,184.44 per day

- Ten-turn, one-mile, two-lane road course.
- Straight stretch with hill and 90 degree turns at each end.
- Asphalt driving surface with painted lines as found on public roads.
- Two sets of S-turns with varying degrees of radius.
- Positive and negative camber corners.
- Constant, increasing, and decreasing radius turns.
- Hairpin turns.
- Off -road recovery areas.
- Natural terrain surrounding track edges with safety run-off and off-road recover area.
- Direct access to:
 - 350 foot skid pad with sprinkler system.
 - Live fire tactical training area.
 - Simulated city areas and narrow streets with vehicles on both sides for tactical and normal driver training.

Law Enforcement Track

GLETRACK

\$947.55 per day

- Ten-turn, two-lane road course.
- Driving surface of nine-tenths of a mile changes from asphalt to concrete to asphalt.
- Elevation changes: uphill and downhill with integrated straights and turns
- Constant, increasing, and decreasing radius turns.
- Two four-way intersections with stop signs, plus side streets with yield signs and merge lanes.
- Direct access to 350 foot skid pad with sprinkler system.
- Natural terrain surrounding track edges with safety run-off and off-road recover area.

Two Track Combinations

GCOMBOTRACK

\$1,421.33 per day

- Any two of the above tracks used in combination to provide additional training space for larger groups or to meet training requirements.

Skid Pad – Single Rental Only

GSKIDPAD

\$284.27 per day

- The skid pad is a 350 foot circle with constant sprinkler system capable of soaking or flooding the surface specially designed to induce loss of control.
- Used for driver training and skill development to correct and control under-steer and over-steer, braking and acceleration control, hydroplaning control.

Ramming Pad – Single Rental Only

GRAMPAD

\$284.27 per day

- The 200 x 300 foot ramming pad is designed for barricade breaching skill development with multiple ramming scenarios.
- Using designated rammer and target vehicles, students get ram-through-barricade training.

Off Road Training Area

GORTA

\$758.04 per day

- The obstacle course portion of the course features: vehicle climb and descent hills, side traverse hills, tipping points and straddle obstacles, stair climb, log traverse, and a water ford.
- The trail portion includes up to 19 miles of trails and obstacles where students can conduct hands-on training in tactical off-road driving skills using commercial, off-road SUVs and HMMWVs. Obstacles presented to the students will include ruts, logs, hills, sand, water, mud, ditches, boulders, side slopes and mud. Each vehicle team may be required to recover their vehicle using techniques to include towing, snatch strap, high lift jack, and winch operations. Illegal vehicle checkpoints and ambush scenarios can be incorporated into trail drives.

TRAINING VEHICLES

(for Contractor instructed training only)

Primary Training Vehicles

GPTV

\$781.73 per day

Late-model, four-door, American made sedans with body-on-frame construction provide a powerful and rugged vehicle that lends itself readily to use as a training platform. All Primary Training Vehicles are equipped with automatic transmission and a switch to disable the ABS breaking system allowing students to experience the difference between ABS and non-ABS automobiles.

Off Road Vehicles

GORV

\$829.11 per day

The available off-road fleet of vehicles represents the variety of vehicles used by our students all over the world including:

- Four-wheel drive compact sport-utility vehicles with automatic transmission.
- Four-wheel drive compact pick-up with manual transmission.

All vehicles are equipped with the necessary extraction tools (winch, hi-lift jack, snatch strap, etc.) for the challenges of the off-road training area.

Consumable Vehicles/Tactical Training Vehicles

GCOMV

\$758.04 each

A variety of used vehicles, mechanically safe, intended for instruction in close proximity driving, P.I.T. maneuvers, rolling ambush drills and other scenarios that involve metal-to-metal contact.

Rammer

GRAM

\$758.04 each

Stock production model vehicles to be used for barricade breaching.

Target/Shoot Vehicles

GTRGT

\$260.58 each

- *Target Vehicle:* Stock production model vehicles with all hazardous fluids removed used as blocking or barricade vehicles to be rammed through.
- *Shoot Vehicle:* Stock production model vehicles with all hazardous fluids removed used as ballistic penetration models to demonstrate the effects of various ammunition on the vehicle.

Specialty Vehicles

GSPECV

\$1,042.31 per day

Unique vehicles used in driver training or hard surface or off-road training areas to meet specific training requirements. Also used for tactical and scenario based training.

- Military HUMMV or commercial Hummer
- Armored full-sized sport utility vehicles
- Right-hand drive vehicles

ACADEMI INSTRUCTORS

ACADEMI instructors possess at least the minimum qualifications required by a nationally acceptable industry or academic standard for certification as an instructor in firearms, law enforcement, driving, or force protection. All instructors pass a prescribed shooting or driving test/evaluation and NCIC certified records check. All instructors are in compliance with the Lautenberg Amendment to the Gun Control Act and pass shooting qualifications or driving proficiency quarterly to maintain proficiency on each course taught.

ACADEMI Firearms and Tactics Instructor

GINSTR

\$568.53 per day

A professional firearms and tactics instructor with at least seven years of weapons handling experience in a training program and at least four years of prior military and/or law enforcement experience. Each instructor is fully vetted and tested quarterly on firearms proficiency, tactical knowledge, instructor competence, and safety hazard recognition. Assigned instructor is available to the group for 8 hours each training day. Firearms and tactics training is provided at a minimum of one instructor for every five students; some higher risk training may require an additional instructors.

ACADEMI Specialty Instructor

GINSTRSP

\$1,137.06 per day

A professional instructor with specific expertise in the discipline required to meet the unit's stated requirements. This instructor is available to the unit for 8 hours each training day. Examples of specialty areas include (but are not limited to):

- Combat Medicine
- Water Survival (STCW 95)
- Climbing & Repelling
- Improvised Explosive Device Awareness & Avoidance
- Surveillance and Counter-Surveillance
- Classified Material

ACADEMI Role Player

GROLEPLR

\$189.51 per Day

A trained and vetted role player with knowledge of the appropriate subject areas. Role players may also provide services such as weapons custodians, camera crew escorts, and other services as required.

Mobile Training Teams

(call for quote)

ACADEMI is able to provide mobile training teams at a customer's location to meet customer requirements. Price will be based on the location providing the instructors and will include travel and per-diem costs in accordance with GSA guidelines.

SIN 426-4J – Target Systems/Target Range Accessories

ACADEMI offer a 10.9% GSA discount off commercial prices for all items under this SIN except as noted. All prices show below are net and include the discount and the Industrial Funding Fee.

TARGET SYSTEMS

Integrated Target Systems

GBEARR Rolling BEAR® Target System

\$31,598.42

System includes six paper turners, two sets of six reactive steel plates, and a 20' lateral moving target, all mounted on a road-ready trailer constructed of AR-500 ballistic steel. The Rolling BEAR® is provided with ballistic wheel covers/deflector plates, on-board generator and compressor, six plastic target backers, and four static steel target plates with universal stands, and wired control system.

Note: The Rolling BEAR® Target System is classified as a vehicle and does require appropriate title transfer under state and federal regulations.

Bullet Containment Systems

GPBT Portable Bullet Trap

\$479.36

Portable bullet trap for use in ballistic shoot-house. Trap is 30" high x 21" wide and is provided with 5' uprights on a 2'x2' rolling base. The 3.5" thick trap is capable for all handgun and frangible munitions.

GHVBT High Velocity Bullet Trap

\$1,194.82

Portable bullet trap for use in ballistic shoot-house. Trap is 30" high x 21" wide and is provided with 5' uprights on a 2'x2' rolling base, plus a winch system for raising the trap to the desired shooter height. The 3.5" filled trap is capable for all handgun munitions and up to 5.56mm/.223 caliber rifle munitions.

GWCC Weapons Clearing Container

\$278.28

Container will safely contain bullet resulting from accidental discharge during loading/unloading drills.

GPP24 Pepper Popper 24"

\$219.93

GPP32 Pepper Popper 32"

\$253.15

GPP38 Pepper Popper 38"

\$252.25

GPP42 Pepper Popper 42"

\$273.79

Each Pepper Popper comes complete with the hinged base. Each popper is ideal for action shooting and stands 24" to 42" tall. Manufactured from hardened AR 500 steel, the stand includes a rubber bumper for extended life of the target.

GSPP24 Split Pepper Popper 24"

\$237.89

GSPP32 Split Pepper Popper 32"

\$273.79

GSPP38 Split Pepper Popper 38"

\$278.28

GSPP42 Split Pepper Popper 42"

\$300.72

This is a single popper target split down the middle designed to improve accuracy configured by requiring exact center hits to down both halves of the target. Each Split Pepper Popper target comes complete with a single hinged base mounting both halves of the target, which can be from 24" to 42" tall.

GCS24 Colt Speed 24" (6" disk)

\$255.84

GCS32 Colt Speed 32" (8" disk)

\$281.87

GCS38 Colt Speed 38" (10" disk)

\$301.62

GCS42 Colt Speed 42" (12" disk) \$314.19

The Colt Speed Plate Target series are patterned after the NRA Bianchi Cup competition targets. These targets stand 24" to 48" tall and are crafted from hardened AR 500 steel.

GSP21 Stop Popper 21" \$323.17
GSP24 Stop Popper 24" \$345.61
GSP32 Stop Popper 32" \$464.10

Two 3/8" AR 500 knock down targets configured so that the targets overlap when hit, allowing users and judges to determine which target was hit first. Each Stop Popper target comes complete with a single hinged base mounting both targets, which can be from 24" to 42" tall.

GCPR Commercial Plate Rack - Manual

Six knock down plates mounted on an 8' long x 4' high rack that can be bolted down or portable. Supplied with 100' manual pull-rope reset and 8" plates.

remain

\$1,2

GRSS5 Range Swinger Stand 5' \$149.02
GRSS30 Range Swinger Stand, 30" \$119.39

5' or 30" tall A-frame target stand for hanging swinging steel targets used as high power rifle targets

GSTB Static Target Base \$49.37
GSTU3 Static Target Upright 3' \$19.75
GSTU4 Static Target Upright 4' \$24.24
GSTU5 Static Target Upright 5' \$29.62

Cross base and uprights for presenting static steel targets. Forward angle is built into the base to ensure proper deflection of spent bullet fragments

GUTS Universal Target Stand \$79.00

Universal stand for paper target backers; adjusts from 18.5" to 28" wide to accommodate different backers.

\$79.00

Turning & Moving Targets

<i>GTRNA</i>	Standalone Turning Target, Armored Steel Stand	\$718.15
Provides a fixed single turning target mechanism without the requirement for a large front deflector plate		
<i>GTRNM</i>	Standalone Turning Target, Mild Steel Stand	\$651.72
Provides a fixed single turning target mechanism behind a berm, wall, or large front deflector plate		
<i>GMVR20</i>	Steel Moving Target system - 20'	\$7,083.61
<i>GMVR20+</i>	Steel Moving Target system - 20' Add-on Section	\$1,393.20
<i>GMVRD</i>	Deflector Plate for Moving Target system - 2' x 20' (3/8" AR500)	\$1,732.53
Lateral moving target system with adjustable speed and auto-reverse features.		

Rifle Target Carriages

<i>GRC</i>	Push/Pull Rifle Carriage (Galvanized with stainless steel chain)	\$1,717.27
Used to raise and lower the large targets used for long distance shooting from behind the berm or wall as found on a "butts" style range. Each item comes painted and ready for installation.		

Ammunition Storage

<i>GRSL8</i>	Ready Service Locker (RSL) - 1/4" AR500, 8'W x 7'D x 7'H	\$8,190.66
<i>GRSL10</i>	Ready Service Locker (RSL) - 1/4" AR500, 10'W x 7'D x 7'H	\$12,876.36
<i>GRSL12</i>	Ready Service Locker (RSL) - 1/4" AR500, 12'W x 7'D x 7'H	\$14,906.02

Type 2 magazines are modular provide for safe ammunition and explosive storage. They are manufactured from 1/4" AR 500 steel and lined with kiln dried military grade hardwood.

Replacement Steel Targets

<i>GRSTD8</i>	Reactive Steel Target Disc 8"	\$88.87
<i>GSD6</i>	Swinger Disc - 6"	\$46.88
<i>GSD8</i>	Swinger Disc - 8"	\$56.55
<i>GSD10</i>	Swinger Disc - 10"	\$66.43
<i>GSD12</i>	Swinger Disc - 12"	\$71.81
<i>GSP12</i>	Swinger Plate - 12" x 12"	\$80.79
<i>GSP18</i>	Swinger Plate - 12" x 18"	\$99.64
<i>GSPIPSC</i>	Swinger Plate - Reduced IPSC	\$145.42
<i>GPPT21</i>	Pepper Popper Target - 21"	\$95.15
<i>GPPT24</i>	Pepper Popper Target - 24"	\$107.72
<i>GPPT32</i>	Pepper Popper Target - 32"	\$144.53
<i>GPPT38</i>	Pepper Popper Target - 38"	\$180.43
<i>GPPT42</i>	Pepper Popper Target - 42"	\$208.26
<i>GSPT24</i>	Split Popper Target - 24"	\$109.52
<i>GSPT32</i>	Split Popper Target - 32"	\$145.42
<i>GSPT38</i>	Split Popper Target - 38"	\$184.02
<i>GSPT42</i>	Split Popper Target - 42"	\$210.96
<i>GPRD6</i>	Plate Rack Disc - 6"	\$44.88
<i>GPRD8</i>	Plate Rack Disc - 8"	\$54.76
<i>GPRD10</i>	Plate Rack Disc - 10"	\$64.63
<i>GPRD12</i>	Plate Rack Disc - 12"	\$105.93
<i>GSTD6</i>	Static Target Disc - 6"	\$49.37
<i>GSTD8</i>	Static Target Disc - 8"	\$59.25
<i>GSTD10</i>	Static Target Disc - 10"	\$68.22
<i>GSTD12</i>	Static Target Disc - 12"	\$84.38
<i>GSTP12</i>	Static Target Plate - 12" x 12"	\$88.87
<i>GSTP18</i>	Static Target Plate - 12" x 18"	\$132.86
<i>GSTP24</i>	Static Target Plate - 18" x 24"	\$137.35
<i>GSTPIPSC</i>	Static Target Plate - Reduced IPSC	\$138.24

Paper & Plastic Targets

GPBK Corrugated Plastic Target Backing with 2" x 2" Wood frame \$3232
24"x36" white corrugated plastic target backer with 4' wooden uprights

Paper targets listed below are 36 inches tall by 23 inches wide, and provided in packages of 100 targets each.

GPAPER001 Black Silhouette Paper Target \$39.50
GPAPER002 6 x 8" Black Dots Paper Target \$39.50
GPAPER003 24 x 3" Black Dots Paper Target \$39.50
GPAPER007 Grey Silhouette with 6' target circle Paper Target \$39.50
GPAPER008 Geometric Shapes (Triangles, Squares and Circles) Paper Target \$39.50
GPAPER009 Mixed 3" (16) and 6" (4) Dots Paper Target \$39.50
