Schedule 84 – Total Solutions for Law Enforcement, Security, Facility Management Systems, Fire, Rescue, Special Purpose Clothing, marine Craft and Emergency/Disaster Response

Contract Number – GS-07F-0149X  
Mod # S75STLWA

For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at [fss.gsa.gov](http://fss.gsa.gov).

Contract Period: Jan 01, 2011 to Dec 31, 2020  
Security Install Solutions, Inc.  
3091 S. Jamaica Ct., Suite 150  
Aurora, CO 80014  
Office: 303-325-5987  
Fax: 877-325-5187

Business Size: Small Business

**Customer Information:**

1a. Awarded Special Item Numbers (SIN):

- a. 334290L Physical Access Control Systems (PACS) -Legacy SIN.
- b. 334512 Total Solutions Support Products for Facilities Management Systems.
- c. 541330L Security Systems Integration, Design Services, Management and Life Cycle Support.
- d. 334290 Security and Detection Systems
- e. 334290PACS Physical Access Control Systems (PACS)- FIPS 201
- f. 541330SEC Security System Integration, Design, Management, and Life Cycle Support.

3091 S. Jamaica Ct., Suite 150  
 Aurora, CO 80014  
 Office: 303-325-5987  
 Fax: 877-325-5187

1b. SIN Lowest Priced Item:

- a. 334290L – B-OSS-DS-SSA, \$116.37 USD
- b. 334512 – Administrator, \$65.49/hr USD
- c. 541330L – Administrator, \$65.49/hr USD
- d. 334290 – Lead Technician \$100.76/hr USD
- e. 334290PACS – C196350, \$1.96 USD
- f. 541330SEC– Administrator, \$65.49/hr USD

1c. Services Offered

SIN's	Service Offered	Hourly Rate
334512, 541330L, 541330SEC	Security System Consultant & Designer	\$151.13
334512, 541330L, 541330SEC	Project Manager	\$120.91
334512, 541330L, 541330SEC	CAD Specialist	\$75.57
334512, 541330L, 541330SEC	Administrator	\$65.49
334512, 541330L, 541330SEC	Lead Technician	\$100.76

Security System Consultant and Designer

Minimum/General Experience: Five years minimum security design, consulting, and/or training experience in the field of physical and electronic security systems. Experience includes the analysis of physical security infrastructure to identify physical and electronic systems to adequately protect the facility.

Functional Responsibility:

Define electronic systems and components requirements based on physical construction and customer protection level requirements, industry standards, and government's mandates if required. Analyze existing systems used and apply existing and new technologies based on requirements and risk assessment studies. Apply such requirements to generate a design package that may include system specifications, design drawings, trade off studies, industry research, and compliance requirements based on industry and government standards and mandates.

Minimum Education: Bachelor's degree from an accredited university or college and/or five years related experience with technical system level certifications and credentials.

3091 S. Jamaica Ct., Suite 150  
Aurora, CO 80014  
Office: 303-325-5987  
Fax: 877-325-5187

### Project Manager

Minimum/General Experience: Five years minimum business experience and at least three years minimum project management experience.

#### Functional Responsibility:

The Project Manager is responsible for overall system installation activities including equipment procurement, resourcing, financial management, and resolution any issues relating to the assigned project. The Project Manager serves as a primary interface with client or client representatives throughout the installation process.

Minimum Education: Bachelor's degree from an accredited university or college is required. A high school diploma/G.E.D. plus an additional four years of related experience in addition to that required above may be substituted for a bachelor's degree. Each additional year of college or training within a related field is equivalent to a year of experience required above.

Minimum/General Experience: Must have knowledge of engineering practices and techniques and three years of experience in the field.

### Computer Aided Drafter (CAD)

#### Functional Responsibility:

Prepares design layouts using computer-aided design (CAD) equipment or standard hand-drafting techniques, and/or applies standard technical or engineering practices and techniques in support of engineering, networking, or telecommunication functions.

Minimum Education: Associate's degree, or CAD Specialist or drafting certification

### Administrator

Minimum/General Experience: 0-3 years in a related field.

#### Functional Responsibility:

Administrative support duties range from clerical reporting to accounting activities that relate to receivables invoicing and payables activities, arranging travel, scheduling service calls, and answering incoming calls.

Minimum Education: High school diploma or

### G.E.D. Lead Technician

Minimum/General Experience: Five years' experience in security integration hardware and software installation, troubleshooting, configuration, administration of electronic security systems, including access control, video systems, intrusion detection, and other network peripherals.

#### Functional Responsibility:

In addition to skills of Technician, the Lead Technician possesses the personal knowledge and skills to work independently and provide on-site project supervision of other technicians while serving as primary customer interface. Must be proficient with intermediate level configuration of systems.

3091 S. Jamaica Ct., Suite 150  
Aurora, CO 80014  
Office: 303-325-5987  
Fax: 877-325-5187

Thoroughly familiar with industry standards and practices and can interpret and understand advanced technical documentation and concepts.

Minimum Education: High school diploma or G.E.D. and five years related experience

2. Maximum order: In accordance with the Maximum Order provisions contained in the Schedule, a delivery order may be placed against the Schedule contract even though it exceeds the maximum order.
  - a) 334290L is \$100,000 USD
  - b) 334512 is \$200,000 USD
  - c) 541330L is \$1,000,000 USD
  - d) 334290 is \$150,000 USD
  - e) 334290PACS is \$100,000USD
  - f) 541330SEC is \$200,000 USD
3. Minimum order: \$150.00
4. Geographic coverage (delivery area): The 50 United States and US Territories

3091 S. Jamaica Ct., Suite 150  
Aurora, CO 80014  
Office: 303-325-5987  
Fax: 877-325-5187

5. Point(s) of production (city, county, and State or foreign country): Pittsford, NY for Lenel, Bethesda, MD for Brivo, Melville, CA for HID and New Zealand for Gallagher.
6. Addition Discount: None
7. Prompt payment terms: None
8. Government purchase cards are accepted above and below the micro-purchase threshold
9. Foreign items (list Items by Country of origin): N/A
10. Time of delivery: 14DARO
  - a) Expedited Delivery: Consult with Contractor
  - b) Overnight and 2-day delivery: Consult with Contractor
  - c) Urgent Requirements: Consult with Contractor.
11. F.O.B. point(S): F.O.B Origin
12. Ordering address:

Security Install Solutions, Inc.  
3091.S Jamaica Ct Ave, Suite 150  
Aurora, CO 80014
13. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPAs), and a sample EPA can be found at the GSA/FSS Schedule homepage [fss.gsa.gov/schedules](https://fss.gsa.gov/schedules)
14. Payment address:

Security Install Solutions, Inc.  
3091.S Jamaica Ct Ave, Suite  
150 Aurora, CO 80014
15. Warranty provision: Warranty terms are standard commercial warranty on materials and workmanship for a period of 1 year from date of purchase
