2. **MAXIMUM ORDER**

The Contractor is not obligated to honor any order for a combination of items in excess of $250,000.

3. **MINIMUM ORDER**

The minimum dollar value of orders is $100.

4. **GEOGRAPHIC SCOPE OF CONTRACT**

This contract may be used as sources of supplies or services described herein for domestic and/or overseas delivery.

Definitions—

*Domestic delivery* is delivery within the 48 contiguous United States and Washington, DC; and to a CONUS port or consolidation point for orders received from overseas activities.

*Overseas delivery* is delivery to points outside of the United States, and Washington, DC.

This contract may be used on a non-mandatory basis by the following activities: Executive agencies; other Federal agencies, mixed-ownership Government corporations, and the District of Columbia; Government contractors authorized in writing by a Federal agency pursuant to 48 CFR 51.1; and other activities and organizations authorized by statute or regulation to use GSA as a source of supply. U.S. territories are domestic delivery points for purposes of this contract. (Questions regarding activities authorized to use this schedule should be directed to the Contracting Officer.)

(1) The Contractor is obligated to accept orders received from activities within the Executive Branch of the Federal Government.

(2) The Contractor is not obligated to accept orders received from activities outside the Executive Branch of the Federal Government; however, the Contractor is encouraged to accept orders from such Federal activities.

5. **POINT OF PRODUCTION**

All services provided under this contract will be originated at the PAE headquarters facility in Falls Church, Virginia.
6. DISCOUNT FROM LIST PRICES

Prices shown are NET Prices; Basic Discounts have been deducted.

7. QUANTITY DISCOUNTS

None

8. PROMPT PAYMENT TERMS

Prompt Payment: net - 30 days from receipt of invoice or date of acceptance, whichever is later.

9. GOVERNMENT PURCHASE CARDS

Purchase card orders below the micro-purchase threshold (currently $3,000) will be accepted provided they exceed the minimum order limitation in paragraph 3 above.

Purchase card orders above the micro-purchase threshold (currently $3,000) will not be accepted.

10. FOREIGN ITEMS

None

11a. TIME OF DELIVERY

The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:

| DELIVERY TIME (Days ARO) | 60 |

11b. EXPEDITED DELIVERY

Contact Contractor

11c. OVERNIGHT AND 2-DAY DELIVERY

Contact Contractor

11d. URGENT REQUIREMENTS

When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering agency, agencies are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering agency, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

27. DESCRIPTION OF SECURITY CONSULTING SERVICES OFFERED

**Physical Security:** Develop and implement programs to provide physical protection of people, information, facilities and other assets. Services may include security and safety system design, risk assessment, threat assessment, security survey, safety survey, independent validation and verification of system operations, installation and maintenance and/or providing staff to assist in development and implementation of facility management and protection processes.

**Technical Security:** Develop systems and processes for protecting information and perform countermeasures services to detect electronic or other surreptitious attacks and system anomalies, or weaknesses that create security vulnerabilities.

**Information Security:** Provide services to protect proprietary, sensitive or classified information and information processing systems. Services might include developing policy and procedure; investigating computer systems to determine vulnerabilities and recommend solutions; designing and testing automated information security systems and processes; staffing information security centers; and/or providing program security, information operations and technology protection support.

**Personnel Security:** Provide services to support programs designed to ensure the suitability of personnel engaged in sensitive, trust and/or classified positions. Conduct investigations, adjudicate investigations and assist in development and implementation of personnel security policy and procedure.

**Counterintelligence:** Assist in the development and implementation of programs, systems and investigative programs designed to detect and prevent compromise of sensitive, proprietary and classified information. Provide analysis of hostile intelligence and terrorist elements/threats.

**Training:** Develop training programs and provide training relative to processes and procedures for ensuring security and safety, for operating security and safety systems, and/or to promote understanding of security threats.

**Management Support:** Provide professional services to assist in facility management and operations and related activities such as budget and fiscal support, manpower resource management support, contracting and acquisition, logistics, and security and safety systems operation and maintenance.
28. LABOR CATEGORY DESCRIPTIONS

Security Specialist I

Functional Responsibility: Performs security and/or intelligence services in one or more of the specialized security and/or intelligence areas. Duties may include, but are not limited to:

Applying incident management, problem solving, and task performance. Producing finished documentation; e.g., reports, special studies, policy and procedure development, security designs, training programs and assessments. Providing research and technical support to projects. Producing solutions and documentation. Conducting analysis of data from multiple sources. Monitoring project tasks and schedules.

Minimum Experience & Education: With an Associate’s Degree this position requires one year of relevant experience.
