**SHIPPING POLICY DETAILS:**

We ship FOB Destination to the 48 contiguous states and District of Columbia. For locations outside of the 48 contiguous states and the District of Columbia, specific freight cost quotes will be provided to the customer prior to order processing but are subject to additional freight fees. Additionally, if you need items expedited overnight, please contact us at 877-934-3462 for availability and rates.

For all APO/FPO shipments, Document Imaging Dimensions (DID) claims responsibility for shipments up to the point of delivery to the APO/FPO sort facilities. If shipments are delayed once the package has been delivered to either sort facility, DID will not issue credit or reship the material.

**RETURN POLICY DETAILS:**

Returns must be initiated no later than 30 days after merchandise is received. Returned merchandise will be accepted for credit only if in sealed and resalable condition, and after arrangements have been made with DID for its return. In requesting authorization to return merchandise, the customer must provide the invoice or transaction number and date of purchase to insure prompt handling.

For any returns required due to a mistake made by DID or our distribution partners, we will return/exchange the item free of charge. The customer is asked to return the product utilizing the carrier of choice by DID and we will be responsible for these freight costs. The customer's GPC will be credited with the return upon receipt of the returned merchandise.

**All returns not the result of an error by DID are subject to a 15% restocking fee under this contract and return shipping charges must be prepaid by the customer.**

**SHIPPING AND CLAIMS FOR SHORTAGE:**

All claims for shortages must be made within 48 hours after merchandise is received. Our signed proof of delivery receipt from the transportation company for a shipment received in good condition constitutes delivery and DID's responsibility ceases.
