**Business Size:** Small

**CUSTOMER INFORMATION:**

1a. Table of awarded special item number(s):

SIN

Description

**253-2**

**Wheel and Tire Equipment**

1b. LOWEST PRICED MODEL NUMBER: 403 (\$0.21 each)

2. Maximum order: **253-2 \$150,000**

\*If the best value selection places your order over the Maximum Order identified in this catalog/pricelist, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contractor for a better price. The contractor may (1) offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the schedule contract in accordance with FAR 8.404.

3. Minimum order: **\$100.00**

4. Geographic coverage: **48 Contiguous States, Alaska and Hawaii, Washington DC and US territories**

5. Point(s) of production: **Pewag Austria GmgH, Bahnhofgürtel 59, A-8020 Graz, 43 (0) 0316/6070-0\***

6. Discount from list prices or statement of net price: **65%** from the accepted pricelist. For calculation of the GSA Schedule price (price paid by customers ordering from the GSA Schedule, and the price to be loaded in to GSA Advantage), the contractor should deduct the appropriate basic discount from the list price and add the prevailing IFF rate to the negotiated discounted price (Net GSA price). Current IFF rate is 0.75%.

7. Quantity discounts: **Purchase of a pallet of chains or more (1 pallet=50 bags =25 pairs of chains) = 2%, (65% + 2% = 67%)**

8. Prompt payment terms: **Net 30**

9a. Government purchase cards are accepted up to the micro-purchase threshold. **YES**

9b. Government purchase cards are accepted above the micro-purchase threshold. **YES**

10. Foreign items: **Yes, products made in Austria**

11a. Time of delivery: **7 DARO**

11b. Expedited Delivery. **2 DARO**

11c. Overnight and 2-day delivery: **Available**

11d. Urgent Requirements. The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery.

12. F.O.B. point: **Origin – Prepay & Add**

13. Ordering address(es): **3825 Cincinnati Avenue**  
**Rocklin, CA 95765**
14. Payment address(es): **600 W. Crossroads Parkway**  
**Bolingbrook, IL 60440**
15. Warranty provision: **Standard Commercial Warranty**
16. Export packing charges: **Not applicable**
17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level): **Yes, government purchase cards are accepted up to \$100,000.**
18. Terms and conditions of rental, maintenance, and repair (if applicable): **Not applicable**
19. Terms and conditions of installation (if applicable): **Not applicable**
20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable): **Not applicable**
- 20a. Terms and conditions for any other services (if applicable): **Not applicable**
21. List of service and distribution points (if applicable): **Not applicable**
22. List of participating dealers (if applicable): **Not applicable**
23. Preventive maintenance (if applicable): **Not applicable**
24. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants: **Not applicable**
25. Data Universal Number System (DUNS) number: **020779062**
26. Notification regarding registration in Central Contractor Registration (CCR) database. Valid until **1/11/2011**

# The Pewag "All-Square" Story

## **Pewag Snow Chains #1 In Safety #1 Brand in North America and World Wide**

Pewag has been manufacturing chains for over 530 years and was one of the first manufacturers to develop snow chains for the automotive industry. Located in the middle of the Alps in Graz, Austria, Pewag has exceptional experience with ice and snow conditions in the mountains. Pewag engineers have applied their experience and know-how to create newer and better traction devices that have made Pewag the #1 chain brand world-wide. All Pewag chains are manufactured in Europe under the strict specifications of Pewag Austria.

For over 35 years Pewag Inc. has continually provided the North American market with snow chains and is now the leading brand in the USA! Pewag has always provided high quality traction products that offer the user excellent performance and superior value. Pewag was the first company to introduce the "All-Square", long wearing, alloy square link chain. This chain is specifically designed to provide superior wear and traction under the most severe conditions.

Pewag "All-Square" Tire Chains outlast and outperform standard carbon steel twist link and V-Bar twist link chains at a minimum Four-to-One! How does Pewag achieve this performance?

- Highest Alloy content with **TITAN Grip®** - 63 RHC - tool like steel hardness
- Deeper case hardness at 6% depth for maximum wear resistance
- Unique square-link design for better traction
- Reversible for maximum wear

Pewag "All Square" is the chain of choice for many trucking companies and D.O.T.'s.

Pewag also offers a whole series of pattern style chains for light truck and heavy equipment applications. Pattern style chains provide superior performance and superb lateral traction under the most extreme conditions:

- Highest alloy content with **TITAN Grip®** - 63 RHC - tool like steel hardness
- Higher case hardness at 6% depth for maximum wear resistance
- Unique diagonal pattern designs for superior forward, stopping, and lateral traction
- More cross sections for better traction and increased safety
- Welded rings on side-chains for additional strength and durability

Pewag pattern-style chains are the preferred brand of many professional users such as Municipalities, Counties, the U.S. Military, the Canadian Military, N.A.T.O. and D.O.T.'s.

When you think of Safety, Wear, and Value...

**Think "All-Square"**

LIGHT TRUCK

### Important Information: Tire Chains, Tires and Wheels

**Tires:** The use of any traction device may cause cosmetic scuffing of tires when installed. This condition is unavoidable with certain tread types and designs being more at risk. By design, all traction devices must hang down (drape) the side wall of the tire in order to stay on the tire while being used. As a result, radial tires may also experience some scuffing of the tires side wall due to the flex inherent in the side walls of radial tires.

**Wheels:** Wheels are also at risk to cosmetic scuffing with the use of any traction device. Larger diameter wheels using very low profile tires such as 35, 40, 45, and 50 series tires are especially at risk due to the short height of the tire side wall.

**Vehicles:** Traction devices can and do break during the course of their normal service life. Traction devices are designed for use in the snow or ice covered road surfaces - Not on bare pavement. Use of traction devices on bare pavement greatly increases the wear and chance of component failure of the device. Speeds faster than 30 MPH also greatly increase the chance of component failure. Continued use of traction device which has been broken is extremely unsafe and may cause loss of control or damage to the vehicle on which installed. Any traction device which has been broken should immediately be repaired or replaced in a safe place.

**Disclaimer of Liability:** The use of any traction device is at the risk of the vehicle operator. Vehicle operators who are unwilling to accept the possible risks associated with the use of any traction device such as, but not limited to, accident, vehicle damage, tire damage or wheel damage, should not use any traction device on their vehicle. Continued travel on roads where the use of a traction device is suggested or required should be terminated if the vehicle operator elects not to use a traction device on their vehicle. Alternative modes of transportation should be used in this circumstance. Under no circumstances will compensation for damage be considered by Pewag, Inc. where the damage is said to have resulted from the use of any traction device.

Pewag will custom build chains to suit your needs for any tire size and application. All of our made to order chains are built to the highest quality Pewag standards. Call our office today and order your custom Pewag chains.

## Tire Chain Facts

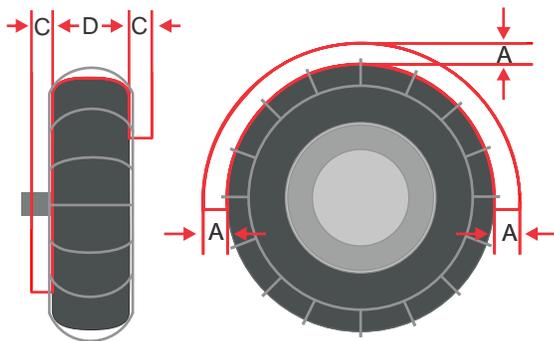

### S.A.E. Minimum Clearance Specifications For Tire Chains:

Note: For design purposes, "D" is the maximum known tire section width as established by the Tire & Rim Association (TRA). The minimum clearances specified must be maintained around spring clips, fenders, braces, splash pans, fuel lines, brake lines, brake controls and wherever necessary. Tire size must be known in order to select a tire chain of correct fit. For passenger cars, vans and small pick-up trucks, it is important to check the owners manual. The restricted wheel clearances in most of today's downsized and front wheel drive (FWD) vehicles may require the use of S.A.E. Class "S" tire chains or prohibit their use, as noted in the owners manual.

#### Please Note:

- 1.) All tires containing an "R" designate "Radial" tires. All traction devices for sizes with a letter designation (such as P175/70R-14) will fit regular tires (i.e. 175/70-14).
- 2.) Most tire size designations shown do not indicate radial construction. This is done by replacing the dash with a capital "R" in the tire size listing.
  - Example: 10.00-20 becomes 10.00R20. Chains listed can be used on radial and regular tires.
- 3.) Snow tires, Mud & Snow (M&S) tires and other oversized tires may require a larger size chain.
  - SAE Class "S": Regular passenger traction devices for vehicles with restricted wheel well clearances.
  - SAE Class "U": Regular and "All-Square" tire chains for vehicles with regular wheel well clearances.
  - SAE Class "W": Passenger traction devices that use light truck components, and some light truck PL Chain.

Tire Chain Minimum Clearance Chart		
Minimum Wheel Well Clearances		
SAE Class	"A" Above Tire Tread	"C" Sidewall
SAE Class "S"	1.46" / 37mm	.59" / 15mm
SAE Class "U"	1.97" / 50mm	.91" / 23mm
SAE Class "W"	2.50" / 63.5mm	1.50" / 38.1mm

## Pewag Sportmatik SMX Car Chains

High performance - European made - **TITAN Grip**® tire chains  
For cars that require class "S" limited clearance tire chains

- 3.2mm **TITAN Grip**® titanium alloy steel for exceptional wear
- Suitable for front and rear wheel drive cars
- Can be mounted without moving car
- Asymmetrical pattern - Square Link - design for superior traction and a smooth ride
- Exclusive Pewag self tightening connector system for perfect tensioning
- **Always** pre-fit chains before use is required

## Pewag Brenta-C XMR 4x4 Chains

For Light Trucks, Pick-ups, and SUV's

- 4.5mm **TITAN Grip**® titanium alloy steel for exceptional wear
- Can be mounted without moving the vehicle
- Diagonal pattern - Square Link - designed for superior forward, stopping, lateral traction and a smooth ride
- Suitable for emergency vehicle applications
- **Always** pre-fit chains before use is required

## Pewag Light Truck Square Link Chains

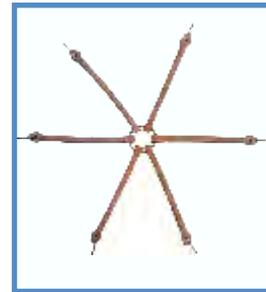

For Light Trucks, Pick-ups, Vans and SUV's

- Our 5.6mm nickel manganese alloy square link tire chains wear over four times longer than conventional 4/0 twist link tire chains
- Square Link cross chain gives 32% more traction
- Supplied with CAM (SC) or Non-Cam (S) side chain tighteners
- Always** pre-fit chains before use is required

Available in duals

Optional multi-arm adjuster

## Pewag Light Truck Mud Service Chains

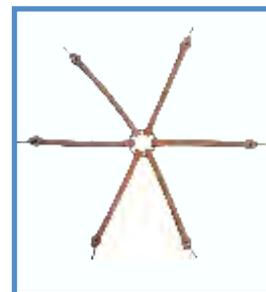

Extra Heavy Duty for Singles and Duals

- Pewag "All-Square" 7mm alloy cross chain
- Ideally suited for heavy snow and mud applications
- Oversized cross chain for maximum off-road traction
- Square Link cross chain gives 32% more traction
- Supplied with CAM (SC) or Non-Cam (S) side chain tighteners
- Always** pre-fit chains before use is required

Available in duals

Optional multi-arm adjuster

## Pewag "ASV" Truck Chains

High performance - European made - **TITAN Grip**® tire chains  
Available in Light and Heavy Truck Tire Sizes

Built Pewag tough! With **TITAN Grip**® technology.

- Designed for use in the severest conditions, where maximum traction is a must
- Exceptional forward, stopping, and lateral traction capabilities
- Especially suited for emergency vehicle and off-road use
- Light truck cross chain size: 7mm
- Heavy truck cross chain size: 8.2 mm
- Asymmetrical pattern for smoothest ride
- **Always** pre-fit chains before use is required

PEWAG HEAVY TRUCK

## Pewag CL-Pattern Truck Chains

"All-Square" Singles and Dual Continuous Link Pattern Truck Chains

Built Pewag tough with **TITAN Grip**® technology.

- 7mm **TITAN Grip**® titanium alloy steel construction for exceptional wear
- Can be mounted without moving the vehicle
- Diagonal pattern - Square Link - designed for superior forward, stopping, and lateral traction
- Suitable emergency vehicle applications
- **Always** pre-fit chains before use is required

Available in duals

## Pewag "TITE N LITE" Chains

315/80-22.5	TNL 2249SC	50 lbs	TNL4249SC	90.2 lbs	TNL6253

- Manufactured using our premium 5.6mm alloy steel
- Lightweight and extremely durable when weight or clearance is a problem
- "H" Pattern design for a smooth ride and exceptional traction

## Pewag Truck Square Link Chains

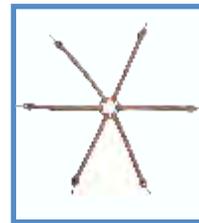

Singles and Duals for use on Heavy Trucks

- Our 7mm nickel manganese alloy square link tire chains wear over four times longer than conventional 6/0 twist link tire chains
- Square Link cross chain gives 32% more traction
- Both Cam and Non-Cam side chain available by request
- Always** pre-fit chains before use is required

Available in duals

Optional multi-arm adjuster

## Pewag Wide Base Tire Chains

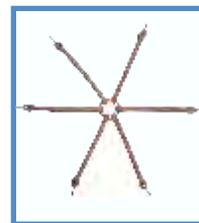

For Light and Heavy Trucks

- Single tire mount: for high floatation, wide base rim tires and super singles
- Dual tire mount: for dual tire and wheels with minimal space between tires
- Both Cam and Non-Cam side chain available by request
- Always** pre-fit chains before use is required

Available in duals

Optional multi-arm adjuster

## Pewag Mud Service Chains

Extra Heavy Duty for Singles and Duals

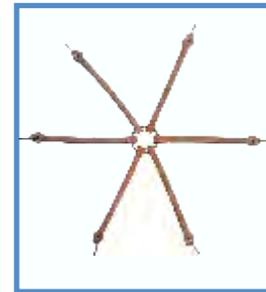

### Pewag Mud Service Chains available for Heavy Trucks

- Pewag "All-Square" alloy cross chain
- Oversized cross chain for maximum off-road traction
- For use in heavy snow and mud applications
- Always** pre-fit chains before use is required

Available in duals

Optional multi-arm adjuster

## Pewag Skid Steer Chains

Designed for Skid Steers with Industrial Lugs

Pewag Skid Steer Chains		
Tire Size	Stock No.	Description
10x16.5	SSE10165-4	4 Link Spacing
12x16.5	SSE12165-4	4 Link Spacing
14x17.5	SSE14175-4	4 Link Spacing
10x16.5	SSE10165-2	2 Link Spacing
12x16.5	SSE12165-2	2 Link Spacing
14x17.5	SSE14175-2	2 Link Spacing

- Pewag skid steer tire chains are extra tough for off road and snow removal use
- Built using our 8.2mm nickel manganese alloy cross chain for exceptional wear and durability
- 2 and 4 link spacing design available
- Always** pre-fit chains before use is required

## Pewag O.T.R. Chains

Designed for Plows, Scrapers, Loaders, Graders, and Backhoes

Pewag "All-Square" alloy equipment chains - proven value with 32% better traction and four times the wear compared to conventional twist link tire chains used in similar conditions.

**Pewag UNIVERSAL "ED" Heavy Equipment Chains**

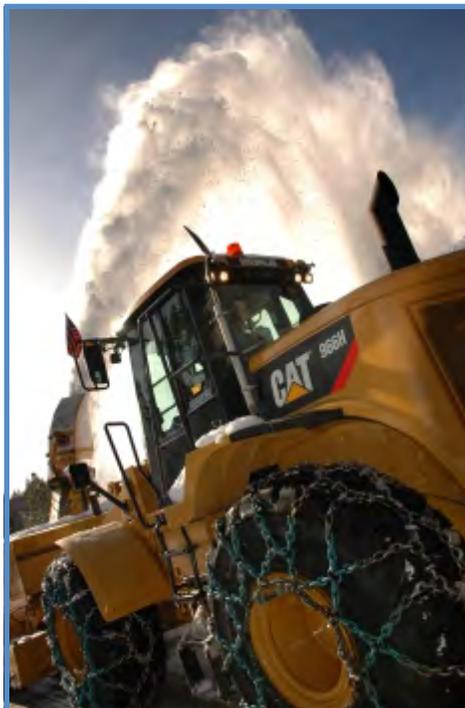

Pewag Universal "ED" with Wear Bars  
made with - **TITAN Grip®** - alloy steel

- Heavy equipment tire chains are designed for rugged - commercial applications
- Manufactured using Pewag's superior **TITAN Grip®** alloy steel with welded wear bars for extra traction and durability
- New pattern design offers superb lateral and forward traction
- Suitable for on and off road use
- Highly recommended for snow removal or any heavy duty application where continuous use of tire chains is required
- Replacement parts available at your local retailer

**Universal "ED" chains are available in sizes up to 51" wheels. Sizes not shown can be special ordered. Please call for more information on these special order sizes.**

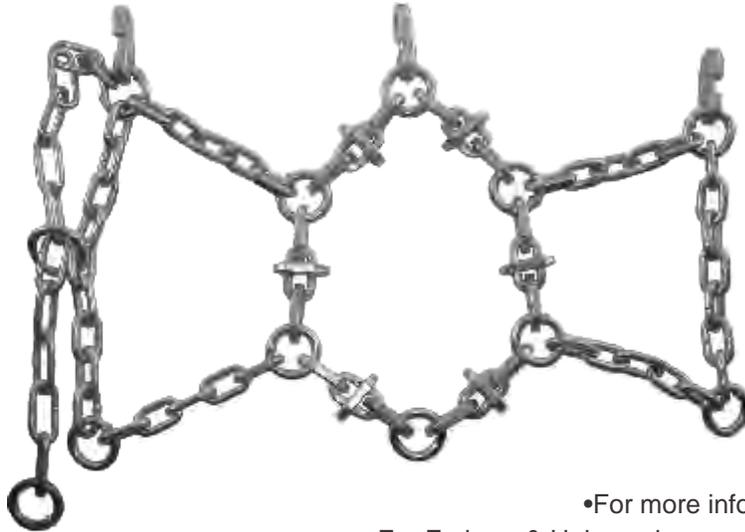

**PEWAG HEAVY EQUIPMENT**

## Pewag Universal "Extension Feld" Chains

Pewag Universal "Extension Felds" with Wear Bars  
Made in 8.2mm, 10mm, and 12mm

•For more information see: **PAGE 31**

•For Erzberg & Universal spare parts see: **PAGE 46-47**

Pewag Universal chains are designed to fit up to L3 tires (that have NOT been capped). For capped L4 and L5 tires, Pewag makes "Extension Felds" which can be easily added to the chains to increase the length of the chain for these types of tires.

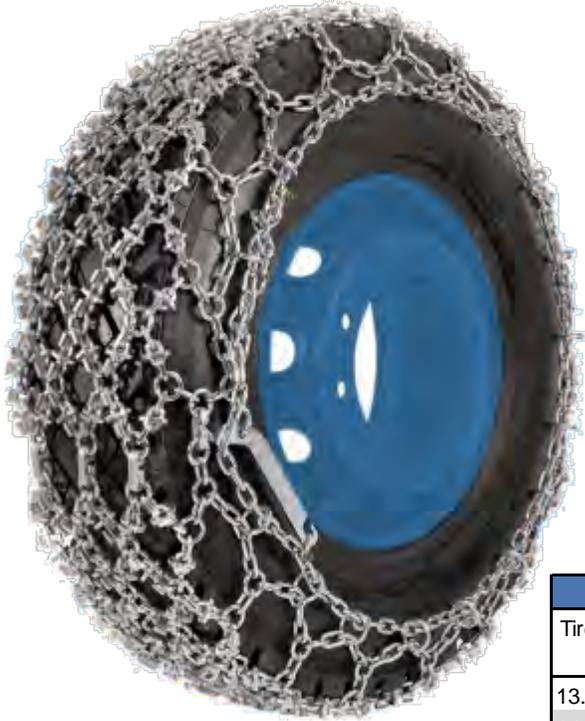

The use of "Extension Felds" insures the best possible fit on larger OTR tires and should be anticipated when ordering any tire chains for use on an OTR tire.

**PEWAG HEAVY EQUIPMENT**

## Pewag Erzberg "Extension Feld" Chains

Pewag Erzberg "Extension Felds" with Wear Bars  
Made in 8.2mm, 10mm, and 12mm

•For more information see: **PAGE 31**

•For Erzberg & Universal spare parts see: **PAGE 46-47**

- Pewag Erzberg chains are designed to fit up to L3 tires (that have NOT been capped). For capped L4 and L5 tires, Pewag makes "Extension Felds" which can be easily added to the chains to increase the length of the chain for these types of tires.
- The use of "Extension Felds" insures the best possible fit on larger OTR tires and should be anticipated when ordering any tire chains for use on an OTR tire.

### Pewag Universal & Erzberg Fitting / Sizing Information

Goodyear  
20.5R25  
GP-2B G3

Dia: 58.1" = Cir: 182.53"  
x Width: 20.9" = 3815 sq in.

Goodyear  
20.5R25  
RT-5C L5

Dia: 63.8" = Cir: 200.4"  
x Width: 22.7 = 4549 sq in.

Today's equipment tires can vary greatly in physical size making it important to know your tire BRAND, MODEL, and the E G or L number when ordering equipment chains.

The Goodyear OTR tires shown to the left are a graphic example of this variation in physical size - Both are cataloged as 20.5R25 tires - yet there is a 17% difference in the physical size of the tires when fitting a tire chain such as the Pewag Universal & Erzberg chains. There is a 5.7" difference in the diameter of the 2 tires which directly effects the length of the chain needed to connect around the tire by 17.9".

How is this calculated?

Diameters are translated into circumference by multiplying the diameter x 3.1416 x the width = tread area to be covered by the tire chain. In the example to the left, this calculation yields results of 3815 vs 4549 sq inches, a 17% variation.

Pewag Universal & Erzberg Chains are designed to fit up to L3 tires - ( that have NOT been capped). For capped L4 tires AND L5 tires - Pewag makes "Extension Felds " which can easily be added to the chains to increase the length of the chain for these type tires. The use of extension felds insures the best possible fit on the larger OTR tires and should be anticipated when ordering any tire chains for use on OTR tires.

## Pewag COMPACT CROSS Heavy Equipment Chains

Pewag Compact Cross available in two different link designs

- These heavy equipment tire chains are a superb blend of Pewag's tire protection and traction chain technology
- Double Diamond Net Design features heat treated - forged - spiked - traction links for unsurpassed traction and wear
- Net Pattern provides for excellent self-cleaning properties while providing an exceptionally smooth ride for the operator
- Pewag Compact Cross tire chains are suitable for all on and off road conditions where "continued use" demands exceptional traction and service life
- Compact Cross Spike Links are available in 12mm, 14mm, 18mm, and 21mm
- Compact Cross Granite Links are available in 12mm, 14mm, 16mm, and 18mm

**Our Compact Cross chains are available in sizes up to 63" wheels. Sizes not shown can be special ordered.**

***Please call for details!***

## Glacier Square & Twist Link Chains

### Glacier Square Link Passenger Chains

- Square link (PLC) design for extra traction and durability
- Suitable for front and rear wheel drive cars
- Type "S" (limited clearance) vehicles
- Adjusters recommended. Sold separately
- **Always** pre-fit chains before use is required

### Glacier Twist Link Passenger Chains

- Twist link (PL) design
- Suitable for front and rear wheel drive cars
- Type "S" (limited clearance) vehicles
- Adjusters recommended. Sold separately
- **Always** pre-fit chains before use is required

## Glacier Cable Chains

### Glacier Cable Chains

- Case hardened steel rollers on cable cross members
- Suitable for front and rear wheel drive cars
- Type "S" (limited clearance) cars
- Adjusters recommended. Sold separately
- Meets all state requirements for cable traction devices
- **Always** pre-fit chains before use is required

### Glacier V-Trac Cable Chains

- Diagonal pattern cross members for smooth ride
- Compatible with ABS, Traction Control and AWD cars
- Meets S.A.E. Class "S" (limited clearance) cars
- Supplied with rubber tensioner
- Meets all state requirements for cable traction devices
- **Always** pre-fit chains before use is required

## Glacier Twist and Square Link Chains

### Glacier Twist Link Truck Chains

- Features cam style ("SC") side chain
- Twist link cross chain case hardened to N.A.C.M. specifications
- Regular "S" side chain (Without cam locks) available by special order

### Glacier Square Link Truck Chains

- Features cam style ("SC") side chain
- Square cross chain; case hardened to N.A.C.M. specifications
- Regular "S" side chain (Without cam locks) available by special order

## Glacier Cable and V-Trac Cable Chains

### Glacier Truck Cable Chains

- Case hardened spring rollers for longer wear
- Meets all state requirements for cable traction devices
- Heavy duty lever fastener for added tightening
- Light weight and easy to install

### Glacier V-Trac Truck Cable Chains

- Diagonal pattern design for smoother ride
- Can be installed without moving vehicle
- Case hardened spring rollers for longer wear
- Light weight and easy to install
- Meets all state requirements for cable traction devices

## Glacier Heavy Truck Cable Chains

### Glacier Truck Cable Chains

Will meet all state requirements including Colorado D.O.T.

- Case hardened spring rollers for longer wear
- Heavy duty lever fastener for added tightening
- Light weight and easy to install

### Glacier V-Trac Truck Cable Chains

- Diagonal pattern design for smoother ride
- Can be installed without moving vehicle
- Case hardened spring rollers for longer wear
- Light weight and easy to install

## Glacier Emergency Chains

6086V

6087

6085V / 6088V

- Ideal for emergency and short use situations
- Twist link cross chain case hardened construction
- EASY-ON, EASY-OFF installation, requires wheels with holes or slots for mounting

6081 / 6083

Please call so we can help you find the ideal Emergency Chain for your vehicle.

## Glacier Twist Link and V-Bar Chains

### Glacier Twist Link Truck Chains

- Feature cam style ("SC") side chain
- Twist link cross chain; case hardened to N.A.C.M. specifications
- Side chain (without cam locks) available by special order
- **Also available in our Heavy Duty / "HD" Chain. Call for more info**

### Glacier V-Bar Truck Chains

- Case hardened, V-Bar twist link cross chain
- Twist link V-Bar designed for extra traction
- For on and off road application
- Side chain (without cam locks) available by special order

## Glacier Mud Service and Square Link Chains

### Glacier Mud Service Chain

- Extra heavy duty cross chain design for maximum traction off-road
- Twist link cross chain case hardened to N.A.C.M. specifications
- Ideal for use in heavy snow and mud

### Glacier Square Link Truck Chains

- Feature cam style ("SC") side chain
- Square cross chain case hardened to N.A.C.M. specifications
- Side chain (Without cam locks) available by special order

## Glacier Wide Base Tire Chains

### Light and Heavy Trucks

- Single tire mount: for high floatation, wide base rim tires and super singles
- Dual tire mount: for dual tires and wheels with minimal space between tires
- Both Cam and Non-Cam side chain available by request

Available in duals    Optional multi-arm adjuster

## Glacier Small Equipment Chains

### Snow Blowers, Garden Tractors and Small Equipment

- Heavy duty twist link cross chains
- 2 link spacing for maximum traction and smooth operation

# Pewag Grade 120 Load Binders

## Load Binders for Cargo Securement and Tightening of Chains

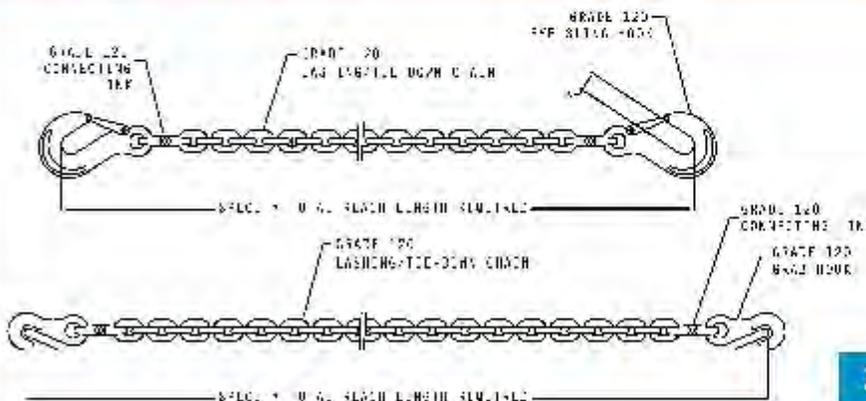

### FEATURES AND BENEFITS

- HIGH STRENGTH GRADE 120 CONSTRUCTION FOR MAXIMUM WORKING LOADS
- FORGED STEEL EYE BOLT, STEEL BARREL CONSTRUCTION AND CAST HANDLE ASSEMBLY
- HIGH LOAD CAPACITY TRAPEZOIDAL THREAD FORM
- HOOKS AND LINKS HEAT TREATED TO GRADE 120 STRENGTH STANDARDS
- SHORT REACH HOOKS PROVIDE FOR MAXIMUM TAKE-UP
- DOUBLE ACTING SPRING LOADED PAWLS
- WORKING LOAD LIMIT, CHAIN SIZE AND BATCH CODE STAMPED ON HANDLE WITH 1/4" TALL RAISED LETTERS
- MEETS EACH SPECIFICATION OF 4:1 DESIGN SAFETY FACTOR ON WORKING LOAD LIMIT
- MEETS G4 EXCLUSUS (FMSA AND OSHA REGULATIONS INCLUDING 49 CFR PARTS 392 AND 393)

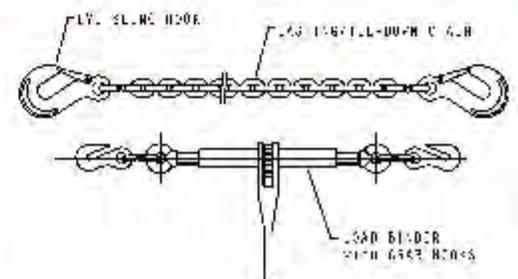

Model	Wt. Working Load Limit (WLL)	Tensile Strength (Tens)	Trapezoidal Links				Barrel Links				Total Length (mm)	Weight (kg)

## Glacier Shoe Chains

- Aggressive chain design for maximum traction
- Easy-on and Easy-off design
- Ideal for outdoor use in heavy snow and ice
- Durable elastic rubber keeps them in place

Glacier Shoe Chains			
Stock No.	Size	Men's Shoe Size	Women's Shoe Size
GSC - S	Shoe Chain S	2 - 5	3 - 6
GSC - M	Shoe Chain M	5 1/2 - 8	6 1/2 - 9 1/2
GSC - L	Shoe Chain L	8 1/2 - 10 1/2	10 and up
GSC - XL	Shoe Chain XL	11 - 13	---

## Pewag Utility Tote Bags

- Pewag quality tote made from tough durable nylon
- Reinforced handles for easy carrying
- Full zipper so your items stay in the tote
- Hundreds of uses over the road, or in the shop
- Available in four convenient sizes

Glacier Shoe Chains		
Stock No.	Description	Dimensions
Mini Tote Bag	Up to 20 lbs	5" x 5" x 7"
Small Tote Bag	Up to 40 lbs	10" x 10" x 6"
Medium Tote Bag	Up to 55 lbs	10" x 10" x 8"
Large Tote Bag	Up to 65 lbs	10" x 10" x 13"

## Corex Ramp-Up™

**Ramp-Up™**

Corex Ramp-Up™			
Stock No.	Description	Working Load	Weight
200SD	Light Duty	75,000 lbs	17.7 lbs
201HD	Heavy Duty	150,000 lbs	40.8 lbs

Manufactured by:  
**COREX**  
L L C

For a smooth quick installation with fewer adjustments; simply drive onto the Ramp-Up™, chain your vehicle, and drive off.

## Merritt Chain Hangers

- Attractive diamond plate locking lid for security
- Strong design can store up to 300 lbs. of chains
- 24" for open frame mounting
- 18" for fairing package mounting

# Pewag "Tow-To-Go" Chain

## ••• Tow-To-Go

Ready to Use Tow & Pulling Chain

- High quality grade 80 chain can handle high work loads and enhance safety
  - 5/16" chain: up to 4,500 lb work load
  - 3/8" chain: up to 7,100 lb work load
- No assembly required
- Unique Grab Hooks with built-in locking pins prevent chain from slipping in choke applications
- Provide better alternative to standard grab hooks
- Convenient solution for most tow & pulling applications

Built-in locking pins prevent chain from slipping in choke applications

WARNING: Locking pins are designed to retain chains under "slack" conditions only, and are not intended for supporting load.

Pewag "Tow-To-Go"			
Stock No.	Description	Working Load	Weight
T8810	5/16" x 10'	4,500 lbs	10.70 lbs
T8816	5/16" x 16'	4,500 lbs	16.40 lbs
T8820	5/16" x 20'	4,500 lbs	20.10 lbs
T81010	3/8" x 10'	7,100 lbs	17.86 lbs
T81016	3/8" x 16'	7,100 lbs	28.32 lbs
T81020	3/8" x 20'	7,100 lbs	32.65 lbs

Attractive retail packaging maximizes POP sales

- Various lengths and individual components are available

# Pewag "Sling-In-A-Box"

## ●●● Sling-In-A-Box Ready to Use Overhead Lifting Chain

- Assembled - ready to use Professional Grade 100 chain assembly is specifically designed for overhead lifting applications
- Can handle up to 3 ton loads (using quad assemblies)
- Unique integrated shortening hook design is completely adjustable and eliminates improper choke, wrapping or knotting of chain
- OSHA approved, includes sling tag
- Available in single, double & quad length assemblies
- Sold in 5' & 10' lengths
- Perfect for home and professional shop use

Integrated shortening hook design is completely adjustable and eliminates improper choke, wrapping or knotting of chain

Attractive retail packaging maximizes POP sales

NEW PRODUCTS

# Pewag "Sling-In-A-Box"

## ●●● Sling-In-A-Box

Ready to Use Overhead Lifting Chain

•Custom slings are available in any size for any application. Call for details

### Features & Benefits

- **Ready to use Chain Sling in standardized sizes and configurations**
- **High quality G100 chain and components with +25% WLL compared to G80**
- **With integrated Pewag XK shortening hook to adjust sling length**
- **Components are orange powder coated finish**
- **Meets the 4:1 NACM design factor**
- **Meets the NACM standard 400 F heat resistance**
- **Meets the 20,000 cycle ASTM standard fatigue test for G100**

Configuration	Description	Capacity in lbs			
		90	60	45	30

**Diameter:** The diameter (A) is the thickness of the steel wire material used to form the chain link. The measurement should be taken at an unbent area of the link where possible.

**Pitch:** The Pitch (B) is the inside measurement of the chain link's length.

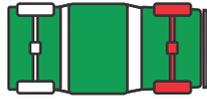

**Diameter & Pitch:** There are two primary measurements of importance when measuring chain links used in the manufacturing of tire chains. These are the **diameter** of the link and the **pitch** of the link. The illustration shows the proper way to take these measurements.

# Tire Chain Requirements

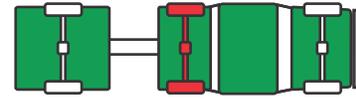

## Automobiles & Pick Up Trucks

Rear Wheel Drive Vehicle

Front Wheel Drive Vehicle

Vehicle Towing Trailer

## Buses & Recreational Vehicles

# Sales Terms & Conditions

## PEWAG INC. TERMS AND CONDITIONS OF SALE

### I. Offer and Contract

No offer or contract shall be binding upon Pewag Inc. (The "Seller") except by issuance of the seller's printed acknowledgment form. Acceptance by the seller of buyer's (The "Buyer") order is expressly made conditional on assent of these Terms and Conditions. (The "Terms and Conditions"), either by written acknowledgment or by conduct of Buyer that recognizes existence of a contract with respect to the products (The "Products") and services described on Seller's acknowledgment. No additional or different terms or conditions will be binding upon Seller unless specifically agreed to in writing; failure of Seller to object to conditions contained in any other writing or other communication from Buyer shall not be construed as a waiver of these Terms and Conditions nor acceptance of any other provisions. These Terms and Conditions also serve as notice of Seller's objection to and rejection of any terms and conditions of purchase or sale included in Buyer's order or other writing that are different from or additional to these Terms and Conditions. Paragraph headings herein are for convenience only and are not to be considered in interpreting any of the provisions herein.

### II. Delivery and Risk of Loss and Licenses

1. Delivery of the Products to a common carrier at Seller's principal place of business or at any other loading point, if so agreed to by the parties in writing, shall constitute delivery to Buyer ("Delivery") and regardless of shipping terms or freight payment, all risk the loss or damage in transit shall, upon Delivery, shift to Buyer. If Buyer is responsible for any shipment delay, Seller's written notification to Buyer that the Products ordered hereunder are ready for shipping shall constitute Delivery to Buyer, and all further risk of loss or damage as well as all costs for handling, transportation and storage shall be borne by Buyer.
2. Seller shall not be liable for any damages as a result of any delay or failure to deliver due to any cause beyond Seller's reasonable control, including without limitation, any act of God, act of buyer, embargo or other government act, regulation or request, fire, accident, strike, slowdown, war, riot, delay in transportation or inability to obtain necessary labor, materials or manufacturing facilities.

### III. Suspension and Cancellation

1. If Seller shall be prevented from delivering the Products as a result of delay or default on the part of the buyer, or any other reason beyond the Seller's reasonable control, Seller shall be entitled to reschedule the Delivery or performance date or dates as it shall reasonably require.
2. Buyer may not cancel, terminate or return any orders accepted by the Seller in accordance with Article I hereof, except with Seller's prior written consent and then only upon such terms as shall be acceptable to Seller, in its sole discretion. Authorized return of shipments must be returned in good order and condition to Seller's principal place of business, unless otherwise specified by Seller, must be accompanied by a packaging slip, and must have transportation and insurance charges prepaid. Collect of unauthorized return of shipments will not be accepted by Seller. Buyer agrees to pay Seller a restocking fee of twenty percent (20%) of the original purchase price for any return shipments authorized by Seller. Buyer shall receive a credit for the purchase price, less any amount due to Seller for the aforementioned restocking fee, or any authorized return shipments, provided that any Products are returned to Seller in good order and re-sellable condition as determined by Seller in its sole discretion.

### IV. Products

Seller reserves the right to revise and discontinue Products at any time and without prior notice. Seller will ship Products that have the same or similar functionality and performance of the Products ordered, but changed, including but not limited to changes with regard of color, construction, measurements and weight, due to technical requirements between what is shipped and what is described in specification sheets, catalogs, brochures or the like, are possible and shall not constitute a defect in the product or non-compliance on the part of the Seller.

### V. Prices and Payment

1. If the Products are shipped from Seller's principal place of business or from any other location within the U.S.A., The quoted price is F.O.B. Seller's principal of business or the location of shipment, whichever is applicable unless otherwise agreed upon in writing.
2. A minimum order of one hundred U.S. Dollars (\$100.00) is required.
3. The Seller reserves the right to alter the price of products quoted in the catalogue.
4. All prices are subject to change prior to Seller's issuance of an acceptance form. For all prices, products and services the Seller reserves the right to make adjustments due to changing market conditions, product discontinuation or other extenuating circumstances.
5. The quoted price of the Products does not include palletization, insurance, taxes, freight and shipping charges or similar charges. Buyer shall be responsible for any palletization, insurance, taxes freight and shipping charges or similar charges of shipments of the Products and Buyer shall reimburse Seller for any such charges paid by Seller, unless otherwise agreed upon in writing. The Shipping policy may vary between different product groups, please refer to the most recent seller price list and/or catalogue for detailed information.
6. To the extent that any Products shipped outside the continental U.S. Are subject to any duties, tariffs, taxes, freight costs, palletization or similar charges, which are not included in the quoted price, shall be borne by Buyer, unless otherwise agreed upon in writing.
7. Payment for all orders must be received by Seller within thirty (30) days of the date of the invoice.
8. Seller reserves the right to demand prepayment on all orders by customers who have no established credit with the Seller.
9. Seller reserves the right to make deliveries in installments. All such installments shall be separately invoiced and paid for when due, without regard to subsequent deliveries.
10. Overdue amounts shall bear a delinquency charge of interest at eighteen percent (18%) per annum or the maximum rate permitted by law. The interest rate is subject to change at Seller's discretion.

### VI. Taxes and Other Charges

And manufacturer's tax, occupation tax, use tax, sales, tax, excise tax, duty, custom, inspection or testing fee or change of any nature whatsoever imposed by any governmental authority, on or measured by the transaction between Seller and Buyer shall be paid by Buyer in addition to the price quoted or invoiced. In the event that Seller is required to pay any such tax, fee or charge, buyer shall reimburse Seller therefore unless otherwise agreed upon in writing.

### VII. Limited Warranties

1. Seller warrants that the Products shall be free of defects in material and workmanship for a period of ninety (90) days from the receipt of the products by buyer, unless otherwise agreed upon on writing. Seller's obligations under the aforesaid warranty shall be repairing or replacing any part or parts of the Products, which if properly installed, use and maintained, prove defective in material or workmanship. Any freight charges shall be the responsibility of buyer. Such repair or replacement shall be Seller's sole obligation and Buyer's sole remedy hereunder and shall be conditioned upon A.) Seller's receipt of written notice of any alleged defect within five (5) days after its discovery, and B.) At Seller's option, return of such defective products or part thereof freight prepaid to Seller's principal place of business. Any Product repaired or replaced pursuant to this warranty will be warranted for the remain of the original warranty period.
2. Seller's obligations under paragraph 1. Of this provision shall not apply to any component or part of the Products sold hereunder which A.) Is consumed by the normal wear and tear, or B.) Which is consumed by operation above rated capacity, excessive or abnormal use, or C.) Which

has been damaged due to negligent or faulty use, alteration, maintenance, storage, repair, operation or handling by Buyer, or E.) Which is installed or operated in disregard of the operating manual/instructions of the Products.

3. Any description or representation of the Products whether in writing or made orally by Seller or Seller's agents, specifications, samples, models, bulletins, drawings, diagrams, engineering sheets or similar materials used in connection with Buyer's order are for the sole purpose of identifying the Products and shall not be construed as an express warranty. Any suggestions by Seller or Seller's agents regarding use, application or suitability of the Products shall not be construed as an express warranty unless confirmed to be such in writing by Seller. Performance figures and specifications by Seller are estimates only and are not warranties, unless expressly stated otherwise.

4. THE WARRANTY EXPRESSED HEREIN SHALL BE IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND IS IN LIEU OF ANY AND ALL OTHER OBLIGATIONS OR LIABILITY ON SELLER'S PART.

### VIII. Warranty Claims, Inspection, and Waiver of Defects

1. Written notice of any alleged covered defect must be presented to Seller within five (5) days after its discovery, and Seller must be allowed to inspect the Products while they are in the alleged defective condition. Use of the Products must be suspended until the written notice of an alleged defect, proceeds must be suspended until written clearance is issued by Seller for continued use, provided that Seller, upon receipt of written notice of an alleged defect, proceeds without unreasonable delay to remedy any defect coming within the warranty.
2. Buyer shall inspect all Products immediately upon their arrival and shall give written notice within five (5) days after receipt of the products of any claim that the Products do not conform to the terms of the contract. Seller shall have reasonable access to inspect any allegedly non-conforming Products.
3. Buyer waives any right to assert any claim against Seller arising from any non-conformity of the Products sold hereunder which would have been observable on reasonable inspection or testing within five (5) days after Delivery.

### IX. Limitation of Liability

1. Except as otherwise agreed in writing, Seller's liability with respect to the Products shall be limited to the contact price.
2. SELLER SHALL NOT BE SUBJECT TO ANY OTHER OBLIGATIONS OR LIABILITIES, WHETHER ARISING OUT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR OTHER THEORIES OF LAW, WITH RESPECT TO THE PRODUCTS SOLD OR SERVICE RENDERED BY SELLER, OR UNDERTAKINGS, ACTS, OR OMISSIONS RELATING THERETO, WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SELLER SHALL IN NO EVENT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR ANY OTHER LOSS, DAMAGE OR EXPENSE OF ANY KIND, INCLUDING LOSS OF PROFITS, ARISING IN CONNECTION WITH THE CONTRACT OR WITH THE USE OR LIABILITY TO USE SELLER'S PRODUCTS FURNISHED UNDER THIS CONTRACT. SELLER'S SOLE LIABILITY AND BUYER'S SOLE REMEDY IS LIMITED TO EITHER (1) REPAIR OR REPLACEMENT OF DEFECTIVE PARTS OR PRODUCTS, AND/OR (2) AT SELLER'S OPTION, RETURN THE PRODUCTS TO SELLER AND REFUND OF PURCHASE PRICE.

### X. Severability

If at any time, any one or more of the provisions of these Terms and Conditions become invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions of these Terms and conditions shall not be in any way impaired.

### XII. Non-Waiver

The failure of the Seller to enforce at any time or for any period of time, the provisions of these terms and Conditions, shall not be construed as a waiver of such provisions or of the right of the Seller thereafter to enforce each and every such provision.

### XIII. Arbitration

All disputes arising under this Contract shall be settled by final and binding arbitration in the city of Chicago, Illinois in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The parties may agree on the selection of a single arbitrator, but in the event they cannot agree, each party shall select an arbitrator and the two selected arbitrators shall select a third arbitrator. The award by the arbitrator or arbitrators shall be final and judgement upon the award rendered may be entered in any court having jurisdiction thereof.

### XIV. Governing Law

THIS AGREEMENT AND ANY SALES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS, WITHOUT REGARD TO ITS CONFLICTS OF LAW RULES.

### XV. Complete Agreement

These Terms and Conditions of Sale and Seller's acceptance form constitutes the complete and exclusive statement of the agreement between the parties hereto. It supersedes all prior written and oral statements, including prior representations, statements, conditions or warranties.
