Company History

In 2000, Maria Cabrera, Owner/President, founded Police Service Dogs, Inc. (PSD), a women-owned, minority-owned, small business located in Oxford, Florida. PSD has supplied over 1000 dogs and trained hundreds of officers/handlers from many Federal, state and local agencies as well as foreign countries. The PSD Training Academy sits on 15 acres and performs all required canine and handler training, joint lodging for handlers and dogs, all related equipment, transportation kennels, equipment storage and approved storage for Government-owned weapons and ammunition.

Executive Management Team

Maria Cabrera, Owner/President. Maria Cabrera provides the coordinating and unifying direction that ensures that contract, fiscal and performance standards are met in an effective and efficient manner. She takes responsibility for oversight of PSD’s
administration, contract review, negotiation, compliance, project management, quality control, and PSD’s training and reporting system.

**Lazaro Cabrera, Training Director.** Lazaro (Laz) Cabrera is the PSD Training Director, a former K9 Patrol Officer, United States Navy veteran and certified USPCA Regional and National Judge. As a 19-year veteran of canine law enforcement, Laz’s reputation and dedication of protecting and serving public interest is well proven. This expertise also gives him an extensive knowledge and vision of how a working dog should do its job. Consequently, his efforts have been recognized through numerous awards and honors. Laz has won six consecutive police dog regional championships and four police dog national championships.

Laz’s experience in the field has proved invaluable to providing the highest level of service in canine and handler training with innovative methods allowing him to incorporate his own creative style. He has dedicated himself to developing a legacy of excellent working dogs.

**Lazaro Cabrera Qualifications and Certifications:**

- Bachelor’s Degree in Criminal Justice
- United States Navy Veteran
- 19-year Canine Law Enforcement Veteran
- Six-time consecutive Regional Police Dog Champion
- Four-time Police Dog National Champion
- PD1 and PD1 Detector USPCA Certified Regional Judge
- PD1 USPCA Certified National Judge

**Our Canines**

Police Service Dogs, Inc. Training Director, Laz Cabrera, travels to Europe where the majority of all PSD canines are acquired. Each dog is handpicked and carefully selection tested. PSD consistently acquires superior canines that demonstrate the highest level of performance and are social while focused on work possessing the high instinctive drives necessary to train as working canines. Our canines participate in a training course consisting of obedience, human socialization, environmental acclimation, agility, physical exercise, confidence courses, odor detection, advanced odor detection and on-the-job field training. All canines are trained to United States Police Canine Association (USPCA) or client preferred certification standards.

All PSD canines supplied are of the breed, age, and sex required by the client. Additionally, all canine medical requirements including health certificates, vaccinations, x-rays, and related paperwork will be delivered with each canine.
Guarantee

PSD provides a one (1) year return policy for medical and six (6) months for workability for selected canines. PSD also provides immediate canine replacement matching the same criteria of the initial canine at the time a disqualified canine is returned.

PSDK9 Training Director Seminar & Workshops Daily Fee (excluding travel, lodging, meals & incidentals) CRS14 $458.44

PSDK9 Training Director Seminar & Workshops based on client requested topic or training daily fee (excluding travel, lodging, meals & incidentals).

Working Dog Seminar (Maximum 10 working students, unlimited audit participants) (5 days) CRS15 $2,498.49

This five (5) day working dog workshop will cover how to clearly communicate with your canine partner by theoretically discussing the two forms of learning (classical and operant conditioning), how to shape obedience behaviors through the use of luring and operant conditioning, the practical use of different equipment such as place boards, treadmill, flex-pole, the fundamentals of leash mechanics, how to properly play with your canine partner (ball and tug), understanding the use of electronics and the importance of a force hold.

Obedience, Detection and E-Collar Refresher Training Class (Maximum 10 working students, unlimited audit participants) (5 days) CRS16 $2,498.49

This five (5) day working dog team obedience and detection refresher course will cover classical and operant conditioning, Maslow’s Pyramid for hierarchy of needs, the effects of dopamine, how to shape your obedience behaviors through a modern approach, determining whether or reward your detector dog with food or toy, the basic fundamentals of how to imprint odors on your detector dog through the use of different types of drills, two ways of delivering your reward (direct and indirect), the different stages for a detector dog, the 3 I’s in detection work, and problem solving different issues. This class also includes a refresher in training your dog using your e-collar.

E-Collar Training Class (Maximum 10 working students, unlimited audit participants) (5 days) CRS17 $2,498.49

This five (5) day e-collar course will cover classical and operant conditioning, how to mentally condition your dog to wearing electronics when the dog is not actually wearing the electronic collar, how to teach your dog leash pressure, the use of the treadmill and its importance in the e-collar learning process for your dog, the 3 steps of condition, counter conditioning, stay, and marrying your leash pressure with your electronics, and bringing your e-collar work to your everyday canine work.

Volume Discount Pricing with a minimum order of 5+ canines or 5+ courses (additional 2.00% discount off GSA Price).
Lodging

Police Service Dogs offers lodging for up to eight (8) students at the PSD Training Academy. Our student housing is adjacent to our training facility and features a comfortable "at home" lodging experience for our students. The housing is equipped with kenneling for your canine as well as safes for storage of service weapons. Additional housing is available offsite at customer cost. Contact contractor for pricing and availability.
