Recently awarded and recognized by the Commonwealth of Virginia's Department of Criminal Justice Services to provide a Private Security Services Training School

Our success is measured by our growth in our employee base and the steady and meticulously planned contracts we enter. Our success in servicing our clients is demonstrated in our ability to maintain, sustain and exceed our client requirements.

Servicing our clients has demonstrated in our ability to maintain, sustain and exceed our client requirements. MPS offers:

- **Selective Recruitment** – Our applicants undergo thorough background checks of past residencies, criminal records, education, military service, and employment. During the application process we assess the applicants' public relations skills and emotional maturity, which determines if the applicant can work effectively with the public.
- **Training** – With such high performance standards we place on the officers, MPS recognized the training is “key”, regardless of previous training experience. MPS re-trains all of its new-hires and current employees. Officers must complete our basic training course and written exam.
- **High Morale** – MPS employees enjoy an excellent compensation package that includes better than the standard industry wages, comprehensive health plan, paid holidays, paid vacation, employee bonuses and incentive plans. As a result of our efforts, clients receive alert and enthusiastic officers, consistent staffing and low turnover.
