CORPORATE OVERVIEW

MediaForce, LLC, a Woman-Owned Small Business, is an award-winning social marketing and communications firm that specializes in innovative integrated marketing and advertising solutions for public service campaigns. The company has provided production and distribution services for government and nonprofit marketing campaigns for over 15 years, often developing innovative new messaging channels for their use. MediaForce’s programs blend a strategic mix of communications outlets that include social and traditional media, digital solutions, grassroots marketing and exclusive location-based networks that ensure targeted audiences are successfully reached, engaged and measured.

The roster of multimedia capabilities that we have employed on behalf of clients include:

- Video and audio Public Service Announcement (PSA) distribution
- Media production in English and Spanish
- Graphic design/print production
- Media buys at a PSA rate:
  - In-store broadcasting
  - Physician and hospital waiting rooms
  - Digital media
  - Airport media
  - Transit/Out-of-Home
- Website development, hosting and maintenance
- Web analytics
- Radio media tours
- Social media
- Grassroots marketing, pitching, tracking and reporting
- Focus groups
- Closed and open captions
- Transcriptions
- Translation
- Promotional item production

Ensuring quality needs to be a significant part of any business strategy. In a competitive business environment, quality can be a key differentiator that results in increased market share. We maintain rigorous quality control standards because we understand that a stumble in any marketing, advertising or communications campaign could be perceived by the audience to reflect on the client’s reputation or overall standards of quality in all other areas of a client’s activities. MediaForce adheres to the philosophy of Total Quality Management (TQM).

DESCRIPTION OF AWARDED SINs

512110 VIDEO/FILM PRODUCTION
Video tape and film production services will be provided to inform the public and government agencies about the latest products, services, and/or issues, in various outputs such as industry standard formats, CD-ROM, DVD and video streaming development. Filming in studios, on location, live shows, or events may also be required. Examples of services include, but are not limited to:

- Writing
- Directing
- Shooting
- Distribution
- Arranging for talent
- Narration
- Music and sound effects
- Editing

541810 ADVERTISING SERVICES
Services provided under this SIN will promote public awareness of an agency's mission and initiatives, enable public understanding of complex technical and social issues, disseminate information to industry and consumer advocacy groups and engage in recruitment campaigns. Services include, but are not limited, to the following components:

- Advertising objective determination
- Message decision/creation media selection
- Outdoor marketing and media services
- Broadcast media (radio, TV and Public Service Announcements)
- Media planning and placement services
- Advertising evaluation
- Related activities to advertising services

541820 PUBLIC RELATIONS SERVICES
Services include, but are not limited to: providing customized media and public relation services such as the development of media messages and strategies; providing recommendations of media sources for placement of campaigns; preparing media materials such as background materials, press releases, speeches and presentations and press kits. Other related services may fall under the following categories:

- Executing media programs
- Conducting press conferences
- Media alerts
- Related activities to public relations services

541511 WEB-BASED MARKETING SERVICES
Develop strategies for an agency to make the maximum use of their Internet capabilities. Typical tasks may involve the consultation, development and implementation of the following web-based tasks:
• Website design and maintenance services
• Search engine development
• E-mail marketing
• Interactive (digital) marketing
• Web-based training
• Video conferencing via the web
• Section 508 compliance, including captioning services
• Online media management
• Related activities to web-based marketing services
• Coordination and management of online search and display networks
• Web analytics tracking and reporting services

Media will also be provided in a format that is compatible with the ordering agency's software requirements. Continual website updates and maintenance may also be required.

541910 MARKET RESEARCH AND ANALYSIS
Services include, but are not limited to:
• Customizing strategic marketing plans
• Branding initiatives
• Creating public awareness of products, services, and issues
• Targeting market identification and analysis
• Establishing measurable marketing objectives; determining market trends and conditions; identifying and implementing appropriate strategies
• Conducting focus groups, telemarketing, individual interviews, preparing/distributing surveys, and compiling/analyzing results

541613 MARKETING CONSULTING SERVICES
This SIN will be used to offer a complete solution that integrates various services found under the other SINs. Services required under this SIN may include the creation of comprehensive solutions using strategically targeted marketing plans that include full-service execution of media planning and creative multimedia campaigns. These comprehensive solutions include services available separately under: 541810 Advertising, 541820 Public Relations, 541511 Web-Based Marketing, 541910 Market Research and Analysis, and 512110 Video/Film Production.

NOTE: SIN 541613 may not be used to fulfill individual requirements that are covered separately by other SINs in this schedule. SIN 541613 may only be used to fulfill comprehensive agency requirements that span multiple service offerings from the schedule.

541810ODC OTHER DIRECT COSTS (ODCs)
ODCs are expenses other than labor hours. All ODCs proposed must be directly related to a service being offered under this Schedule and can only be purchased in conjunction with the Schedule service. Possible ODCs may include items such as audio/visual equipment, facility rental, commercial production, media costs, booth space rental, etc.
LABOR CATEGORY DESCRIPTIONS

CHIEF STRATEGY OFFICER
Provides vision and oversight for multiple client engagements. Responsible for overall performance of project teams. Identifies and develops integrated marketing campaign strategies involving all aspects of the project. Defines market research needs and requirements. Works with the customer to identify image branding requirements, target markets, media outlets and technology-driven marketing and public information resources. Strategizes with the executive management team.

The Chief Strategy Officer generally has a BBA, BS or BA and 15 years of experience.

Assists in the administration of the project from introduction to completion. Duties may include research, tracking projects, maintaining research spreadsheets, media pitching and organizing files for appropriate documentation. Reports to the Client Services Director, Program Manager or Project Manager.

The Client Services Assistant generally has a BS or BA and 0 years of experience.
SENIOR PROGRAM DIRECTOR
Takes overall responsibility for complex programs or campaigns. Contributes strategic planning to design programs that fulfill client requirements, and supervises all campaign elements to ensure the program meets or exceeds highest client expectations. Designs the most cost-effective means of achieving client goals. Can serve as the primary point of contact with client with regard to program vision, strategy and oversight, while supervising staff in charge of implementation-level activities to ensure that the client is up-to-date on program status and overall progress. Guides the development of program components and acts as quality assurance officer over all program elements. Oversees budget expenditures, ensures the strategic focus and coordination of talent groups, and directs administrative and billing personnel. Plays a key role in the development of marketing strategies.

The Senior Program Director generally has a BS or BA and 20 years of experience.

PROGRAM MANAGER
Supervises all program elements to ensure the program meets or exceeds client expectations. Determines the most cost-effective means of achieving client goals. Can serve as the primary point of contact with client, ensuring that the client is up-to-date on program status and overall progress. Guides the development of program components and acts as quality assurance officer over all program elements. Oversees budget expenditures, ensures the strategic focus and coordination of talent groups, and directs administrative and billing personnel. Plays a key role in the development of marketing strategies.

The Program Manager generally has a BS or BA and 8 years of experience.

SENIOR PROJECT DIRECTOR
Provides managerial oversight and direction of complex project teams, ensuring timely project completion. Serves as the key point of project contact between internal functional departments, including marketing strategy, creative services, marketing/communications, information management and print/production management. Oversees every task of every project, coordinates functional department assignments and ensures the integration of client direction and feedback. Provides status reports to internal team on a weekly basis and facilitates communication among team members.

The Senior Project Director generally has a BS or BA and 15 years of experience.

PROJECT MANAGER
Provides managerial oversight and direction of the project team, ensuring timely project completion. Serves as the key point of project contact between internal functional departments, including marketing strategy, creative services, marketing/communications, information management and print/production management. Schedules every task of every project, coordinates functional department assignments and ensures the integration of client direction and feedback. Provides status reports to internal team on a weekly basis and facilitates communication among team members.

The Project Manager generally has a BS or BA and 5 years of experience.
ACCOUNT EXECUTIVE II
Serves as day-to-day liaison with clients to ensure successful and timely definition, implementation and completion of projects. Works closely with both clients and project teams in developing strategies, objectives and measurements. Monitors projects to ensure they are meeting all clients needs and acts as a main line of communication to and from the strategic client. Strategizes with the Client Services Director, Program Manager, Creative Director, Media Relations Specialist, and Project Manager.

The Account Executive II generally has a BS or BA and 5 years of experience.

ACCOUNT EXECUTIVE I
Serves as day-to-day liaison with clients to ensure successful and timely implementation and completion of projects. Works directly with client in developing programs, campaigns and materials. Works closely with internal project teams to convey client directives for developing strategies, objectives and measurements. Monitors projects to ensure they are meeting all clients needs and serves as the front line for communication to and from the client.

The Account Executive I generally has a BS or BA and 3 years of experience.

SUBJECT MATTER EXPERT III
Implements strategy dictating direction and management of support services in a specified field. Meets with client regularly to discuss performance, propose initiatives, and establish priorities.

Subject Matter Expert III generally has a BA or BS and 15 years of experience.

SUBJECT MATTER EXPERT II
Implements strategy dictating direction and management of support services in a specified field. Meets with client regularly to discuss performance, propose initiatives, and establish priorities.

Subject Matter Expert II generally has a BA or BS and 10 years of experience.

SUBJECT MATTER EXPERT I
Performs directed subject matter work. Supports team in producing high quality deliverable in time-efficient manner. Meets with client as needed.

Subject Matter Expert I generally has a BA or BS and 5 years of experience.

PRODUCT SPECIALIST
Specializes in a particular product line. Monitors all aspects of that product's lifecycle, including long- and short-term development and marketing. Stays abreast of trends in the marketplace to ensure the product's competitive position. Interfaces with project managers and clients to determine the product's future direction. Requires a bachelor's degree and at least 5 years of experience in the field or in a related area. Familiar with standard concepts, practices, and procedures within a particular field. Relies on experience and judgment to plan and accomplish goals. Performs a variety of tasks. A wide degree of creativity and latitude is required. Works closely with the Program Manager or Project Manager.

The Product Specialist generally has a BS or BA and 5 years of experience.
PRODUCTION QUALITY CONTROL SPECIALIST
Evaluates and ensures high-quality production of all projects before their final release.

The Production Quality Control Specialist generally has a BS or BA and 10 years of experience.

SENIOR MEDIA RELATIONS SPECIALIST
Develops media relations strategies to ensure media placement and media coverage for client or client programs. Creates and implements a plan to meet media objectives within an established budget. Determines tactical plan; liaises with media and journalists to identify placement opportunities. Creates or supervises creation of press releases and media tours. Works with account teams to develop objectives and strategies for media and sponsorship buys.

The Senior Media Relations Specialist generally has a BS or BA and 10 years of experience.

MEDIA SPECIALIST
Works with account teams to develop objectives and strategies for media and sponsorship buys. Creates and implements a plan to meet media objectives within an established budget. Tracks, analyzes and interprets results of advertising expenditures. Negotiates with media and sponsorship sales representatives to buy and place advertising for clients, calculates rates and budgets, and ensures that ads appear as specified.

The Media Specialist generally has a BS or BA and 5 years of experience.

CREATIVE DIRECTOR II
Drives the creative direction and conceptual design of complex, multi-segment integrated video, audio, print and interactive multimedia projects to ensure market differentiation and successful market penetration. Works with the creative team to identify, develop and coordinate innovative approaches to all media outlets. Oversees overall creative quality of design for projects in all media. Manages the production staff and works closely with the team leader to manage expectations and customer satisfaction.

The Creative Director generally has a BS, BA or equivalent and 15 years of experience.

CREATIVE DIRECTOR I
Drives the creative direction and conceptual design of video, audio, print and interactive multimedia projects to ensure market differentiation and successful market penetration. Works with the creative team to identify, develop and coordinate innovative approaches to all media outlets. Oversees creative quality of design for projects in all media. Manages the production staff and works closely with the team leader to manage expectations and customer satisfaction. Reports to the team leader to manage expectations and customer satisfaction.

The Creative Manager generally has a BS, BA or equivalent and 10 years of experience.

PLEASE NOTE:
Where indicated within the specific labor category descriptions, relevant work experience is an acceptable substitute for education requirements listed in the job descriptions and job postings for roles within MediaForce. In certain instances, specific licenses or certifications are a requirement and is stated in the job description or job posting. Below is an example:

- BA or BS college degree preferred. Related work experience may be substituted for educational requirements.

The Service Contract Labor Standards, formerly the Service Contract Act (SCA) is applicable to this contract as it applies to the entire Multiple Award Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29CRF 5413.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and/or when the Contractor adds SCLS labor categories / employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and applicable wage determination (WD) number. Failure to do so may result in cancellation of the contract per the current Multiple Award Schedule Solicitation.
