## SCOPE OF SERVICES

We Implement Technology for Security; we furnish Security Solutions *and* Security Services.

Stronghold Security, LLC is committed to the delivery of viable solutions for every part of our clients' present and future security requirements. Most companies have assets (i.e., staff, facilities, and information) which are crucial to their existence. We help our clients protect and preserve those assets, through our security services and the strategic deployment of technology solutions. Our current customer base is comprised of private and corporate clients, local government agencies, and religious institutions.

## CORPORATE COMMITMENT

Stronghold Security, LLC's mission is to provide our clients with a complete compilation of solutions for all their current and future security and private investigation needs. We plan to be outstanding in our customer service area, to be responsive to our client's calls for service, and to be exceptionally efficient in the way we render client services. In essence we will nurture our customer relationships so as to build confidence and the resulting business. This strategy has already produced fruit as our company has continued to experience steady growth in the generation of work opportunities.

Stronghold Security, LLC has established a reputation for quality work and plans to continue to enhance its image in the industry. We are determined to become a well-known and respected provider of security solutions by:

- Increasing our all-around service offerings.
- Delivering outstanding ease-of-access and accessibility to current and services.
- Creating innovative, unique, and cost-effective solutions to problems currently faced by customers, particularly in the cyber security arena.

Our second primary goal will be to provide a stimulating and growth enhancing work environment where:

- We create top-quality occupational opportunities for others in the security service field.
- Our employees and staff feel valued.
- Creativity can flourish.
- Generating new ideas and products is well rewarded.
- Management structure is relatively flat and communication is encouraged.
- Mutual respect and sharing of knowledge is encouraged.
