5848 N. 95th Ct.  
Milwaukee, WI 53225

**SIN: 563-23 Doors and Shutters**  
**NAICS: 332321**

Established in 1965, and classified as a small business, ASI Doors, Inc. designs, manufactures, installs and services high speed, high performance security and custom door systems for commercial, security, clean-room, refrigerated and industrial applications.

**Marathon™ high speed roll up doors feature a cost saving design that eliminates the need for roller wheels, belts, cables, extension springs and other high wear parts.**

Marathon sliding fire doors are U.L. rated and designed to fit a wide range of opening sizes. ASI also manufactures Cleanseal™ clean-room door systems and Enviro™ cold storage door brands.

Due to the wide variety of door models, sizes, colors, custom configurations and activation options that can be designed and manufactured to suit your specifications, we encourage you to contact us for a comprehensive proposal based on your specific application.

ASI also offers to the government, the installation of our doors which includes, but is not limited to: Site preparation, mechanical installation of the door, electrical wiring and connection of the door, connecting the door to an existing security system, miscellaneous opening modifications, bollard configurations/installation, etc. While, these “open market” services involve too many variables to be included within the structure of our GSA contract pricing, they are negotiable based on the scope of work. Please contact our sales consultants at (800) 558-7068 for further information.

**ASI Doors are manufactured in the U.S.A.**
