GSA Contract Number GS-07F-5995R

Dear Federal Purchaser:

Our GSA contract will make purchasing professional security services quicker and easier, saving your agency valuable time and money. Chenega Infinity, LLC is a trusted leader in guard force protection and security services. Chenega Infinity, LLC primarily serves the federal government, so we understand your unique issues and concerns. Chenega Infinity, LLC is pleased to provide you with more detailed information on our company and our GSA Multiple Award Schedules (MAS) contract upon request.

This catalog contains more detailed information on Chenega Infinity’s services, our GSA Contract and basic information on GSA’s MAS Program. Chenega Infinity is your agency’s “Best Value” solution for security services to include guard force protection. If you have any contractual questions, please contact Allison Robertson, Vice President of Business Services at (571) 291-7616 or email at ARobertson@Chenega.com or Contracts Team Lead, Kirsten Lent (703)935-8647 or via email at Kirsten.Lent@chenega.com. Please visit our website at http://www.Chenegasecurity.com for additional information.

Chenega Infinity is proud to provide security services solutions to the federal government and we look forward to working with you.
Basic Information on GSA’s Multiple Award Schedules (MAS) Program
GSA Multiple Award Schedules closely mirror commercial buying practices. Customers are provided with high quality commercial products and services, the benefit of shorter lead times, and lower administrative costs.

Having a GSA Contract means that GSA Contracting Officers have already determined that our prices are fair and reasonable. GSA contracting officers understand the benefits of the prices/discounts that Chenega Infinity offers the Federal Government. This negotiation objective is commonly known as "most favored customer" pricing.

Placing an Order using Chenega Infinity’s Multiple Award Schedule Contract:

Orders up to the micro-purchase $10,000 threshold
Place order directly with contractor for the item that best meets your needs

Orders over the micro-purchase threshold
To ensure a "Best Value" determination is made, as required by FAR 8.404:
- Review the GSA Advantage! Online electronic ordering system at www.gsaAdvantage.gov

OR
- Review at least three schedule pricelists
- Select the “Best Value” (consider value provided business status e.g. small business, price, administrative costs, etc.)
- The information included on GSA Advantage On-line shopping service, GSA contractors’ pricelists, and GSA’s homepage should be used as informational tools to help your agency meet or exceed established small business goals. It should also be used as a tool to assist in including small and small disadvantaged businesses such as Chenega Infinity among those considered when making a best value determination.
- For orders exceeding the micro-purchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.
- Place order directly with contractor

Below are some areas to consider when a "Best Value" determination needs to be made, as required by FAR 8.404
- Business Size
- Blanket Purchase Agreements
- Contractor Team Arrangements
- Price Reductions
- Evergreen Contracts
- Nationwide Coverage
- Purchase Card Acceptance
Chenega Infinity Capabilities Overview

Chenega Infinity is a wholly owned by Chenega Corporation, an Alaska Native Corporation, and is part of Chenega’s Security Strategic Business Unit headquartered in Chantilly, Virginia. Managed by Robert Cox as its General Manager, Chenega Infinity offers professional Locksmith services with a long-term goal of growing into a full range provider of protective services for US Government customers worldwide.

Established as the newest generation of Chenega’s world-class protective services companies, and its only company dedicated to Locksmith services, Chenega Infinity was founded on Chenega’s stellar reputation of agility, responsiveness, long-term partnerships with our customers, and commitment to the success of their missions.

The vision of Chenega Infinity is to become a provider of unique, best-value protective services solutions in the protection of our nation’s sensitive and cleared facilities including geographically dispersed, remote and overseas locations. Chenega Infinity leverages Chenega’s extensive protective services experience and expertise in:

- Long-term and contingency based force protection of our nation’s military forces across the United States and overseas
- The security and safety of our National Space Program and the training of all NASA law enforcement and security services personnel
- The protection of our nation’s Mission Essential and National Critical Infrastructure facilities
- Providing long term and testing operations security services to our nation’s Ballistic Missile Defense System at geographically dispersed and highly remote overseas regions
- The security of multiple US Government DoD and non-DoD facilities of critical importance to our national security and that of our allies

CI is proudly an ISO 9001 registered company

**SCA Labor Descriptions SIN 561612: Guard Services**
Guard I: (Unarmed, Level 1)

General Duties and Responsibilities: Provides deterrence against the commission of wrongful acts committed against client employees, visitors, guests, their persons and property and property of the client; aids in discovery of security violations and early reporting of emergencies; provides directions, and informational assistance to employees, visitors and guests. Works from a fixed post and/or conducts roving patrols of facilities, grounds, parking lots, garages, and out buildings, etc. Remains alert to security risks and exposures and reports security, medical or other incidents requiring a public safety response and conducts general observation for fire or other hazardous conditions. Monitors intrusion detection, personal security devices, CCTV, fire and water pressure systems; screens employees, guests and visitors entering assigned area; controls, issues and records visitor passes; maintains duty logs, and records visitor ingress and egress. Prepares written reports detailing security related activity and incidents and is direct report to first-line supervisor; testifies in administrative hearings, civil and criminal proceedings; this position intervenes only when minimal action to safeguard persons or property is appropriate. Unarmed Guard I job-descriptions are customized to meet the requirements of each assignment, and are subject to client approval.

Minimum Educational, Experiential Requirements: Graduate of an accredited high school or a Certificate of Completion of General Education Development requirements and meet one of the following experience/education requirements: one (1) year of security experience within past five years; or one (1) years civilian or military work experience; or attendance at an institution of higher learning earning an Associate’s Degree, or a minimum of sixty (60) semester hours of college coursework in any field of study; or a graduate of an accredited local, county, state, military or federal law enforcement academy; or any reasonable combination of the foregoing, except when exempted by customer, rules or law; and completion of state or local sanctioned basic security guard/officer training program meeting licensing requirements and issuance. Must be 21 years of age or older; and must successfully complete GSA Federal Protective Services required screening and training, and all training required by the company; the candidate for this job-category must demonstrate maturity, sound judgment, excellent character, work-ethic, job-completion skills, and dependability.

Citizenship: United States of America or, where accepted and approved by the Contracting Officer Representative, legal resident aliens with proper INS-issued work permits.

Guard I: (Unarmed, Level 2)

General Duties and Responsibilities: Provides deterrence against the commission of wrongful acts committed against client employees, visitors, guests, their persons and property and property of the client; aids in discovery of security violations and early reporting of emergencies; provides directions, and informational assistance to employees, visitors and guests. Works from a fixed post and/or conducts roving patrols of facilities. Remains alert to security risks and exposures and reports security, medical or other incidents requiring a public safety response and conducts general observation for fire or other hazardous conditions. Monitors intrusion detection, personal security devices, CCTV, fire and water pressure systems; screens employees, guests and visitors entering assigned area; controls, issues and records visitor passes; maintains duty logs, and
records visitor ingress and egress. Prepares written reports detailing security related activity and incidents and is direct report to first-line supervisor; testifies in administrative hearings, civil and criminal proceedings; this position intervenes only when minimal action to safeguard persons or property is appropriate. Unarmed Guard I job-descriptions are customized to meet the requirements of each assignment, and are subject to client approval.

Minimum Educational, Experiential Requirements: Graduate of an accredited high school or a Certificate of Completion of General Education Development requirements and meet one of the following experience/education requirements: two (2) years of security experience within past five years; or two (2) years civilian or military work experience; or attendance at an institution of higher learning earning an Associate’s Degree, or a minimum of sixty (60) semester hours of college coursework in any field of study; or a graduate of an accredited local, county, state, military or federal law enforcement academy; or any reasonable combination of the foregoing, except when exempted by customer, rules or law; and, completion of state or local sanctioned basic security guard/officer training program meeting licensing requirements and issuance; Must be 21 years of age or older and must successfully complete GSA Federal Protective Services required screening and training, and all training required by the company. The candidate for this job-category must demonstrate maturity, sound judgment, excellent character, work-ethical, job-completion skills, and dependability.

Citizenship: United States of America or, where accepted and approved by the Contracting Officer Representative, legal resident aliens with proper INS-issued work permits.

Guard I: (Unarmed, Level 3)
General Duties and Responsibilities: Provides deterrence against the commission of wrongful acts committed against client employees, visitors, guests, their persons and property and property of the client; aids in discovery of security violations and early reporting of emergencies; provides directions, and informational assistance to employees, visitors and guests. Works from a fixed post and/or conducts roving patrols of facilities. Prepares written reports detailing security related activity and incidents and is direct report to first-line supervisor; testifies in administrative hearings, civil and criminal proceedings; this position intervenes only when minimal action to safeguard persons or property is appropriate. Unarmed Guard I job-descriptions are customized to meet the requirements of each assignment, and are subject to client approval.

Minimum Educational, Experiential Requirements: Graduate of an accredited high school or a Certificate of Completion of General Education Development requirements and meet one of the following experience/education requirements: three (3) years of security experience within past five years; or three (3) years civilian or military work experience; or attendance at an institution of higher learning earning an Associate’s Degree, or a minimum of sixty (60) semester hours of college coursework in any field of study; or a graduate of an accredited local,
county, state, military or federal law enforcement academy; or any reasonable combination of the
foregoing, except when exempted by customer, rules or law; and completion of state or local
sanctioned basic security guard/officer training program meeting licensing requirements and
issuance. Must be 21 years of age or older and must successfully complete GSA Federal
Protective Services required screening and training, and all training required by the company; the
candidate for this job-category must demonstrate maturity, sound judgment, excellent character,
work-ethic, job-completion skills, and dependability.

Citizenship: United States of America or, where accepted and approved by the Contracting
Officer Representative, legal resident aliens with proper INS-issued work permits.

Guard II: (Level 1, Armed)

General Duties and Responsibilities: Provides deterrence against the commission of wrongful
acts committed against client employees, visitors, guests, their persons and property and property
of the client; aids in discovery of security violations and early reporting of emergencies; provides
directions, and informational assistance to employees, visitors and guests. Works from a fixed
post and/or conducts roving patrols of facilities. Remains alert to security risks and exposures
and reports security, medical or other incidents requiring a public safety response and conducts
general observation for fire or other hazardous conditions. Monitors intrusion detection, personal
security devices, CCTV, fire and water pressure systems; screens employees, guests and visitors
entering assigned area; controls, issues and records visitor passes; maintains duty logs, and
records visitor ingress and egress. Prepares written reports detailing security related activity and
incidents and is direct report to first-line supervisor; testifies in administrative hearings, civil and
criminal proceedings; When appropriate, provides assistance to Unarmed Guard I/II positions.
This position intervenes when action to safeguard persons or property is appropriate. Armed
Guard job-descriptions are customized to meet the requirements of each assignment, and are
subject to client approval.

Minimum Educational, Experiential Requirements: Graduate of an accredited high school or
a Certificate of Completion of General Education Development requirements and meet one of
the following experience/education requirements: one (1) year of security experience within past
five years; or one (1) years civilian or military work experience; or attendance at an institution of
higher learning earning an Associate’s Degree, or a minimum of sixty (60) semester hours of
college coursework in any field of study; or a graduate of an accredited local, county, state,
military or federal law enforcement academy; or any reasonable combination of the foregoing,
except when exempted by customer, rules or law related to incumbent employees; must be
computer literate; knowledge of laws, law enforcement procedures, and use of Deadly Force
Policy; must meet legal mandates and training requirements for arrest authority when arrest
authority is a requirement; must have or be able to obtain client required clearance; possess a
valid state driver’s license; completion of state or local sanctioned security guard/officer and
firearms training program meeting licensing requirements and issuance; possess a valid
concealed carry permit (non-uniformed); meet client and/or CI required background, medical and
psychological examination, illegal drug screening, mandated physical fitness tests, and all
training required by the company; must be 21 years of age or older; the candidate for this
position must demonstrate maturity, sound judgment, excellent character, work-ethic, job-
completion skills, dependability, speak and write English fluently and communicate effectively using tact.
