BSD Comments	Purchases of additional supplies, services, and/or participation in investigator's meetings will be itemized separately.	
BSD Comments	Pricing is valid if accepted within 90 days of the prepared date of initial proposal. Changes in the statement of work or scope of the project may result in pricing adjustments.	
BSD Comments	Typical lead-time for Kit Assembly operations is one (1) week from the time of request. Under certain situations, rush jobs may be accommodated with less than one (1) week lead-time. An additional surcharge of 25% of the Kit Assembly fees. FBS must receive client-supplied components no later than two (2) prior to the production run. If components arrive within two (2) days of the production run, FBS may reschedule the project; otherwise the additional 25% surcharge will apply.	
BSD Comments	FBS must receive client-supplied components no later than two (2) days of the production run, FBS may reschedule the project; otherwise the additional 25% surcharge will apply.	
BSD Comments	Rush shipping orders (giving priority status) will be assessed an additional 50% surcharge.	
BSD Comments	Rush charges will be applicable to shipments of less than 500 vials with less than two (2) business days notification; or shipments of 500 or more vials with less than five (5) business days notification.
