Attn: Accounts Receivable
12612 Challenger Pkwy, Suite 300
Orlando, FL 32826

15. Warranty.

Advantor Systems Corporation (Advantor Systems) will repair or replace, without charge, any merchandise manufactured by it and proved defective in material or workmanship for a period of two years after the date of shipment, upon receipt of defective product. Subsystems such as monitors, computers and printers and other product not covered as Advantor Systems manufactured product will be warranted for the period of time provided for by the original equipment manufacturer. Advantor Systems will warranty all replacement parts and repairs for 90 days from the date of shipment. All goods for warranty work shall be sent freight prepaid to our Orlando, Florida facility. Repairs made necessary by reason of misuse, alteration, normal wear, excessive voltage or Acts of God are not covered under this warranty. Advantor Systems is not liable for any incidental or consequential expenses or liability incurred by the customer as a result of field repair, installation or any other reason. *The foregoing warranty is in lieu of all other warranties, expressed or implied, including but not limited to, the implied warranties of merchantability and fitness for a particular purpose.*

16. Export Packing.

Contact Advantor for additional information.

17. Terms and Conditions of Government Purchase Card Acceptance.

Requires Name, Card Number, Security Code, Expiration Date and Billing Address.

18. Terms and Conditions of Rental, Maintenance, and Repair.

24b. Electronic and Information Technology

Not applicable.

25. Data Universal Number System (DUNS).

011-49-4957

26. CCR Notification.

Notified and Current.

27. Free Trade Agreement.

Pursuant to FAR 25 certain items may not be sold independent of a system under this contract. Pricing and Country of Origin are consistent with Advantor's turnkey systems integration approach.

Warranty and Repair Procedures

Government Service Program

Every Advantor Systems manufactured product is subjected to stringent quality processes designed to insure dependable performance, reliability and customer satisfaction. When service is necessary, please follow the following procedures:

Procedure for Warranty Replacement

1. Contact our Technical Support Center at 1-800-327-4007 to discuss the nature of the problem. Many times it may simply be improper operation or use of equipment which can be resolved with a brief telephone conversation. If all procedures are correct and equipment still does not operate the Support Center will determine the proper steps for resolution.
2. If it is determined that factory service is required, re-pack item securely in original factory carton or satisfactory carton with original anti-static protection. Obtain an RMA number from Support Center technician. Only those manufactured products listed on the attached Repair Schedule are supported for warranty and repair.
3. Enclose a brief note describing problem or failure along with date of purchase and serial number. Include name and telephone number of person to be contacted should additional information be required. The RMA# should be written on the note. Address must be manned during business hours for carrier to deliver.
4. Indicate full name and address for equipment return on packing slip and any other information required by your government facility.
5. Ship item via freight pre-paid, insured for the value of the item, to the following address:

Advantor Systems Corporation
Attn: Shipping and Receiving
12612 Challenger Pkwy, Suite 300
Orlando, FL 32826

6. The item will be given the highest priority repair attention and returned to the addressee via surface freight prepaid.
