

SERVICE OPTIONS FOR CONVEYORIZED X-RAY SCREENING SYSTEMS

***Labor Rate – May apply to certain Service Options**

	List Price	Discount to MFC	GSA Price
Current Established Labor Rate as cost of Per Diem	\$165.00	3%	\$161.00

Lease to Ownership and Lease with Option to Purchase for all X-ray units. Terms & Conditions:

Option I:	Direct from Company		
	<p><u>1-Year Plan:</u> GSA Price added to our Platinum Program Extended Warranty = Sum. 10% of that Sum is added, then divided by 12 (months). The number derived is the monthly payment.</p> <ul style="list-style-type: none"> If the customer is only interested in a 1-year lease, the customer is only responsible for this base cost (monthly payment), plus freight charges back to the factory. If the customer then makes a 13th payment, then the customer has purchased the machine. 	<p><u>2-Year Plan:</u> GSA Price added to our Platinum Program Extended Warranty = Sum. 20% of that Sum is added, then divided by 24 (months). The number derived is the monthly payment.</p>	<p><u>3-Year Plan:</u> GSA Price added to our Platinum Program Extended Warranty = Sum. 30% of that Sum is added, then divided by 36 (months). The number derived is the monthly payment.</p>
Option II:	Direct from Commercial Leasing Company		
	<ul style="list-style-type: none"> AUTOCLEAR LLC would obtain three (3) quotes from different Leasing companies for the customer for the best option. Commercial Leasing Company submits payment to AUTOCLEAR LLC for sale of the equipment then works directly with the customer to come up with a payment plan. 		

Installation and De-Installation of all X-ray Units. (Both options are based on the Per Diem rate.)

Terms & Conditions:

Installation:	<ul style="list-style-type: none"> Arrival at customer site at the agreed-upon and scheduled time by an AUTOCLEAR LLC Service Technician. Connecting the monitor and Operator Control Panel to the X-ray unit. Connecting any parcel collector or rollerbed (entrance or exit). Plugging in X-ray unit to appropriate electrical outlet. (Does not include electrical upgrading.) Calibrate equipment so that it is performing to standard specifications. One and one-half hours of onsite operator training for familiarization of unit to operator(s). Training manual and radiation certificate is presented to the end user. Established Labor Rate as cost of Per Diem (with a 4-hour minimum) * Travel expenses not included.
----------------------	---

De-Installation:	<ul style="list-style-type: none"> Arrival at customer site at the agreed-upon and scheduled time by an AUTOCLEAR LLC Service Technician. Unplugging of X-ray unit from electrical source. Disconnecting any parcel collector or rollerbed (entrance or exit). Readying of equipment for pickup from customer site, through scheduled trucking/freight company, and taken to the closest EPA Registered Landfill or disposal recycling location. Established Labor Rate as cost of Per Diem (with a 4-hour minimum) * Travel expenses not included.
-------------------------	---
