COMPANY OVERVIEW

Corporate Security Solutions, Inc. (hereafter referred to as "CSS") is pleased to present our services on the GSA for Security Officer Services (GUARD I & GUARD II) to the Continental United States. We believe that CSS is uniquely qualified to provide the required Security Officer Services to GSA under this contract. Our confidence is based on the following advantages that we offer GSA:

Breadth of Operations

CSS has Branch Office locations in Michigan, Ohio, Florida, Louisiana, and Texas serving our federal and commercial customers. CSS has the ability to provide security guards services to the entire Continental United States, Iraq, Kuwait, and Afghanistan.

Sustained Growth

From our beginnings 38 years ago, CSS has grown to over 2,000 employees nationwide.

Range of Services

The number of employees is one measure of growth, but CSS has also grown in our core competencies. From providing uniformed and armed security guards to commercial firms and government installations to providing armed Personal Security Detail in Iraq to protecting caravans of new Iraqi Army supplies in Baghdad and Kuwait, CSS has a wide range of experience to provide security support services.

Customized approach to Security Services

Offering customized approaches to each customer's security needs, CSS has high quality security officers, and an operating credo called "One Trusted Source" to meet each customer's specific requirements. We will take responsibility for coordinating and/or managing any and all of your physical security requirements!

Management

CSS follows a disciplined approach to the management of our guards on every contract to ensure fulfillment of contract requirements. We complement our management strength with standard operating procedures tailored to each contract. Our security guards receive training at the start of each contract to ensure that they are ready from Day One to provide the services required.
