<p>2. Maximum Order: *</p>	<p>* Ordering activities may request a price reduction at any time before placing an order, establishing a BPA, or in conjunction with the annual BPA review. However, the ordering activity shall seek a price reduction when the order or BPA exceeds the simplified acquisition threshold. Schedule contractors are not required to pass on to all schedule users a price reduction extended only to an individual ordering activity for a specific order or BPA.</p>																																																								
<p>3. Minimum Order:</p>	<p>None</p>																																																								
<p>4. Geographic Coverage:</p>	<p>Domestic 50 States, Washington DC, Puerto Rico, & US Territories</p>																																																								
<p>5. Production Point:</p>	<p>Bernalillo County, NM</p>																																																								
<p>6. Basic Discount:</p>	<p>See approved Price Schedule. GSA Net Prices are shown on the attached GSA Pricelist. Negotiated discount has been applied and the IFF has been added.</p>																																																								
<p>7. Quantity Discounts:</p>	<p>None</p>																																																								
<p>8. Prompt Payment Terms:</p>	<p>1%/20, Net 30 Days. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.</p>																																																								
<p>9a. Government Purchase Cards:</p>	<p>Government Purchase Cards must be accepted at or below the micro-purchase threshold.</p>																																																								
<p>9b. Government Purchase Cards:</p>	<p>Government Purchase Cards are accepted above the micro-purchase threshold. Contact Contractor for limit.</p>																																																								
<p>10. Foreign Items:</p>	<p>None</p>																																																								
<p>11a. Time of Delivery:</p>	<p>30 Days ARO on Equipment, 60 Days or Per SOW on Labor</p>																																																								
<p>11b. Expedited Delivery</p>	<p>15 Days ARO on Equipment, 50 Days or Per SOW on Labor (Expedited Freight Charges Apply)</p>																																																								
<p>11c. Overnight and 2-Day Delivery:</p>	<p>Consult with Contractor</p>																																																								

11d. Urgent Requirements:	Customers are encouraged to contact the contractor for the purpose of requesting accelerated delivery.
12. FOB Point:	Destination
13a. Ordering Address:	Same as Contractor's Address
13b. Ordering Procedures:	For supplies and services, the ordering procedures and information on Blanket Purchase Agreements (BPA's) are found in FAR 8.405.3.
14. Payment Address:	Same as Contractor's Address
15. Warranty Provision:	Standard Commercial Warranty. Customer should contact contractor for a copy of the warranty
16. Export Packing Charges:	N/A
17. Terms and Conditions of Government Purchase Card Acceptance:	Any Threshold Above the Micro-Purchase Level.
18. Terms and Conditions of Rental, Maintenance, and Repair (If Applicable):	N/A
19. Terms and Conditions of Installation (If Applicable):	N/A
20. Terms and Conditions of Repair Parts Indicating Date of Parts Price Lists and Any Discounts From List Prices (If Available):	N/A
20a. Terms and Conditions for any Other Services (If Applicable):	N/A
21. List of Service and Distribution Points (If Applicable):	N/A
22. List of Participating Dealers (If Applicable):	N/A
23. Preventative Maintenance (If Applicable):	N/A
24a. Special Attributes Such as Environmental Attributes (e.g. recycled content, energy efficiency, and/or reduced pollutants):	N/A
24b. Section 508 Compliance for EIT:	N/A
25. DUNS Number:	19-597-0504
26. Notification Regarding Registration in System for Award Management (SAM) Database:	Contractor has an Active Registration in the SAM database

SIN 246-1000 Ancillary Supplies and/or Services – Ancillary supplies and/or services are support supplies and/or services which are not within the scope of any other SIN on this schedule. These supplies and/or services are necessary to compliment a contractor’s offerings to provide a solution to a customer requirement. This SIN may be used for orders and blanket purchase agreements that involve work or a project that is solely associated with the supplies and/or services purchased under this schedule. This SIN EXCLUDES purchase that are exclusively for supplies and/or services already available under another schedule.

SIN 246-51 Installation of Security/Facility Management Systems Requiring Construction

Services Listing:

SIN	Type of Service	Description	Labor Category	UOI	GSA Pricing
Professional Services					
246-1000	Systems Designer	Provides design development of integrated security solutions including Video Surveillance, Access Control Systems, Mass Notification systems, and Intrusion Detection Systems.	S	Hour	\$127.60
246-1000	Systems Engineer	Provides qualified technical support and clarifications during the design submission approval stage. Produces required technical documents necessary for project completion.	S	Hour	\$154.15
246-1000	Project Manager	Supervises technical staff and acquisition management, procurement and technical support.	S	Hour	\$93.77
246-1000	Professional Services	Services include installation, configuration and upgrades of security applications. Provide technical support for end-users via remote or on-site support. BS/BA or equivalent training as well as three to five years of security related systems required.	S	Hour	\$154.15
246-1000	Trainer	Responsible for providing direct and/or on-line training and related support documentation for end-user personnel. BS/BA Engineering, Information Technology, Information Systems or equivalent. Combined minimum two years installation and management experience in integrated electronic security systems. State licensing required. Factory training required on all supported systems.	S	Hour	\$72.79
246-1000	Administrative Specialist	Provides support to Project Manager coordinating reporting between client, supervisory personnel and field personnel.	S	Hour	\$46.24
Technical Services					
246-1000	Systems Technician	Responsible for installation of electronic security hardware and software. Proficient in general aspects of Access Control Systems, Video Surveillance Systems and Intrusion Detection Systems.	C	Hour	\$84.23
246-1000	Senior Systems Technician	Responsible for installation of electronic security hardware and software. Provides on-site leadership. Directs technicians. BS/BA Engineering, Information Technology, Information Systems or equivalent. Combined minimum five years installation experience in integrated electronic security systems. State licensing required. Factory training required on all supported systems.	C	Hour	\$96.64
246-1000	Systems Manager	Supervises technical staff and provides technical support on projects assigned by the Project Manager. Supports assignments provided by Project Manager. Acts as primary on-site contact.	C	Hour	\$105.51
246-1000	Integrated Systems Service Technician	Responsible for troubleshooting, isolation and repair of electronic systems. Performs periodic and routine systems analysis and repairs. Provides remote support for diagnostics, system configuration, software installation and or upgrades.	C	Hour	\$84.23

Technical Services Prevailing Wage Rate					
246-51	Systems Installation Technician	Responsible for installation of electronic security hardware and software. Proficient in general aspects of Access Control Systems (ACS), Video Surveillance Systems (CCTV) and Intrusion Detection Systems (IDS). Wage rate for projects over \$2,000.00 in compliance with Davis Bacon Act.	G	Hour	\$93.80
246-51	Senior Systems Installation Technician	Responsible for installation of electronic security hardware and software. Provides on-site leadership. Directs construction installation technicians. Wage rate for projects over \$2,000.00 in compliance with Davis Bacon Act.	G	Hour	\$108.11
246-51	Systems Installation Manager	Supervises installation technical staff and provides technical support on projects assigned by the Project Manager. Supports assignments provided by Project Manager. Acts as Contractor's primary on-site contact. Wage rate for projects over \$2,000.00 in compliance with Davis Bacon Act.	G	Hour	\$117.99
System Support					
246-1000	System Support	Includes service calls, phone support, remote evaluation and priority response for the evaluation and repair of the components. Loaner equipment, when available, will be provided at no additional charge. SCI will support software and firmware for clients covered under separate software support program. Two preventive maintenance inspections per year shall be provided.	C	Annual	Call for Price

SCI, Inc. Professional Services, Installation, Service, Software Support and Training										
Professional Services										
246-1000	2461000SSD	Systems Designer	At least five years of experience in professional security engineering.	Provides design development of integrated security solutions including Video Surveillance, Access Control Systems, Mass Notification systems, and Intrusion Detection Systems.	BS/BA, Engineering, Information Technology, Information Systems or equivalent training required	30081	S	Hour	\$127.60	None
246-1000	2461000SSE	Systems Engineer	Minimum four years of experience in access control, video and related systems.	Provides qualified technical support and clarifications during the design submission approval stage. Produces required technical documents necessary for project completion.	BS/BA, Engineering, Information Technology, Information Systems or equivalent required	30083	S	Hour	\$154.15	None
246-1000	2461000SPM	Project Manager	Five years experience in security integration and technical management required.	Supervises technical staff and acquisition management, procurement and technical support.	BA/BA or equivalent training in security project management	23183	S	Hour	\$93.77	None
246-1000	2461000CPS	Professional Services	Three to five years of security related systems required.	Services include installation, configuration and upgrades of security applications. Provide technical support for end-users via remote or on-site support. BS/BA or equivalent training as well as three to five years of security related systems required.	BS/BA or equivalent training	15050	S	Hour	\$154.15	None
246-1000	2461000CTR	Trainer	Combined minimum two years installation and management experience in integrated electronic security systems.	Responsible for providing direct and/or on-line training and related support documentation for end-user personnel. BS/BA Engineering, Information Technology, Information Systems or equivalent. Combined minimum two years installation and management experience in integrated electronic security systems. State licensing required. Factory training required on all supported systems.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	15050	S	Hour	\$72.79	None
246-1000	2461000SAS	Administrative Specialist	If no degree, minimum five years related experience	Provides support to Project Manager coordinating reporting between client, supervisory personnel and field personnel.	BA in Administration or equivalent or minimum five years related experience.	01020	S	Hour	\$46.24	None
Technical Services										
246-1000	2461000CST	Systems Technician	Combined minimum two years installation experience in integrated electronic security systems.	Responsible for installation of electronic security hardware and software. Proficient in general aspects of Access Control Systems, Video Surveillance Systems and Intrusion Detection Systems.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23181	C	Hour	\$84.23	None
246-1000	2461000CSST	Senior Systems Technician	Combined minimum five years installation experience in integrated electronic security systems.	Responsible for installation of electronic security hardware and software. Provides on-site leadership. Directs technicians. BS/BA Engineering, Information Technology, Information Systems or equivalent. Combined minimum five years installation experience in integrated electronic security systems. State licensing required. Factory training required on all supported systems.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23182	C	Hour	\$96.64	None
246-1000	2461000CSM	Systems Manager	Combined minimum ten years installation experience in integrated electronic security systems	Supervises technical staff and provides technical support on projects assigned by the Project Manager. Supports assignments provided by Project Manager. Acts as primary on-site contact.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23183	C	Hour	\$105.51	None
246-1000	2461000CISSTAL	Integrated Systems Service Technician	Combined minimum two years experience in integrated electronic security systems	Responsible for troubleshooting, isolation and repair of electronic systems. Performs periodic and routine systems analysis and repairs. Provides remote support for diagnostics, system configuration, software installation and or upgrades.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23182	C	Hour	\$84.23	None
Technical Services Prevailing Wage Rate										
246-51	24651GSSIT	Systems Installation Technician	Combined minimum two years installation experience in integrated electronic security systems.	Responsible for installation of electronic security hardware and software. Proficient in general aspects of Access Control Systems (ACS), Video Surveillance Systems (CCTV) and Intrusion Detection Systems (IDS). Wage rate for projects over \$2,000.00 in compliance with Davis Bacon Act.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23181	G	Hour	\$93.80	None
246-51	24651GSIT	Senior Systems Installation Technician	Combined minimum five years installation experience in integrated electronic security systems.	Responsible for installation of electronic security hardware and software. Provides on-site leadership. Directs construction installation technicians. Wage rate for projects over \$2,000.00 in compliance with Davis Bacon Act.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23182	G	Hour	\$108.11	None
246-51	24651GSIM	Systems Installation Manager	Combined minimum ten years installation experience in integrated electronic security systems.	Supervises installation technical staff and provides technical support on projects assigned by the Project Manager. Acts as Contractor's primary on-site contact. Wage rate for projects over \$2,000.00 in compliance with Davis Bacon Act.	BS/BA Engineering, Information Technology, Information Systems or equivalent. State licensing required. Factory training required on all supported systems.	23183	G	Hour	\$117.99	None
System Support										
246-1000	2461000SS	System Support		Includes service calls, phone support, remote evaluation and priority response for the evaluation and repair of the components. Loaner equipment, when available, will be provided at no additional charge. SCI will support software and firmware for clients covered under separate software support program. Two preventive maintenance inspections per year shall be provided.			C	Annual	Call for Price	None
