Pursuant to 552.243-72, Modifications, contractor may add additional locations utilizing the same pricing methodology as awarded. When a contractor receives a RFQ from a Federal customer citing the Schedule contract, the contractor is responsible for ensuring that the applicable wage determination (number, rev. # and date) for the site location specified in the RFQ is incorporated into their Schedule contract. This action may occur up to the time of the award of a resultant task order. A task order may not be awarded until the Schedule contract is modified to incorporate the current prevailing wage determination.
