INTRODUCTION

Resource & Environmental Management Consultants, Incorporated (REMC) is an environmental and land resource management company formed in 1997. We are a Utah-based Small Business and our staff has extensive experience in solving a diverse range of environmental problems.

Our Mission Statement is to provide cost-effective professional environmental consulting services to Government clients.

Safety comes first at REMC our safety record is unblemished since the inception of the company in 1997. We are proud of this accomplishment and consider the safety of our staff and our projects as an asset for our clients.

REMC approaches problem solving for the client by first determining goals and objectives of the project to determine the most appropriate approach and personnel best suited to completing the project in a cost effective manner.

AREAS OF EXPERTISE

REMC’s areas of expertise are divided into Environmental and Resource Management categories.

Environmental Expertise

Environmental projects focus on a wide range of projects ranging from initial site investigations through remediation, reclamation and development.

- CERCLA – Site Characterization through Remediation Oversight
- RCRA – Site Characterization through Remediation Oversight
- NRD – Natural Resource Damage Assessment and Negotiation

CUSTOMER INFORMATION

1a. Table of Awarded Special Item Number(s) with appropriate cross-reference to page numbers: 541620, 562910 REM, OLM

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item.

2. Maximum Order: $1,000,000.00

3. Minimum Order: $100.00

4. Geographic Coverage (delivery Area): Domestic only

5. Point(s) of production (city, county, and state or foreign country): Same as company address

7. Quantity discounts: None Offered

8. Prompt payment terms: 2% - 10 / Net 30 days. Information Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions

9a. Notification that Government purchase cards are accepted up to the micro-purchase threshold: Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold: Yes

10. Foreign items (list items by country of origin): None

11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery is available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight
and 2-day delivery: Contact Contractor

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect faster delivery: Contact Contractor
