CUSTOMER INFORMATION

1a. Table of Awarded Special Item Number(s) with appropriate cross-reference to page numbers: Multiple Award Schedule 541620, 611430
   Award Disaster and Recovery 541620

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the government price based on a unit of one, exclusive of and quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer should show the range of the lowest price, and cite the areas to which the prices apply.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.

2. Maximum Order: $1,000,000.00

3. Minimum Order: $100.00

4. Geographic Coverage (Delivery Area): Domestic Only

5. Point(s) of production (city, county, and state or foreign country):
   303 N Market St., Ste 2, Maryville, MO 64468

7. Quantity Discounts: None Offered.

8. Prompt Payment Terms: Net 30 days. Information for Ordering Offices: Prompt Payment Terms cannot be negotiated out of the contractual agreement in exchange for other concessions.

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold: Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold.

10. Foreign items (list items by country of origin): None

11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

11b. Expedited Delivery. The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list." under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor
11d. **Urgent Requirements.** The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery: Contact Contractor.

Consultant/Technical Assistance Provider

**Education**: Bachelors Degree (additional qualifying experience may be substituted for the required education on a year-for-year basis)

**General Experience**: Five years of any combination of applicable experience in environmental policy management, water, wastewater or solid waste facilities development or planning (if a higher level of related education is possessed than is required, this education may be substituted for the experience requirement up to a maximum of two years.) Certain positions may require water or wastewater operator certification.

**Functional Responsibility**: Provides technical assistance to non-profit and local, tribal, state and federal government agencies to improve or develop water, wastewater, solid waste systems and other programs or services in rural communities. Work performed may be in the technical areas of water, wastewater and solid waste operations, management and financing, community development and organization.

Trainer

**Education**: Bachelors Degree in behavioral sciences, environmental sciences, business management, education or other relevant disciplines. (additional qualifying experience may be substituted for the required education on a year-for-year basis)

**General Experience**: A minimum of five years experience in training, classroom education or related activities. Knowledge of water, wastewater, solid waste and community development. Knowledge of federal, state, tribal and local government agencies, programs, issues and regulations related to rural water and wastewater systems and solid waste programs and facilities. (if a higher level of related education is possessed than is required, this education may be substituted for the experience requirement up to a maximum of two years.)

**Functional Responsibility**: Identify and assist in incorporating rural community and tribal training issues and needs into MAP’s ongoing programs. Determine training needs in the nine-state service area. Prepare instructor and student materials. Manage the quality of programs and products produced for training. Conduct training classes.

Program Director

**Education**: Bachelors Degree in Public Administration or related field. (additional qualifying experience may be substituted for the required education on a year-for-year basis)

**General Experience**: Five years of related program experience, including supervisory experience in out-stationed offices. Must possess background and experience with strategic development of goals and objectives to accomplish program requirements. Experience in rural community development. Excellent problem solving and communication skills. (if a higher level of related education is possessed than is required, this education may be substituted for the experience requirement up to a maximum of two years.)

**Functional Responsibility**: Oversees and directs agency planning, implementation and reporting for all service programs in support of organizational mission.
