1. Customer Information

- 1a. Table of awarded special item number(s) with appropriate cross-reference to page number(s): **382-1 and 382-2**
- 1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.
- 1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided.

Glossary Development

Experienced and qualified personnel dedicated to read and extract key words from documents that are going to be translated to develop a glossary, which should be approved by client before starting translation.

Testing

Group of native target (foreign) speakers whom will read and tryout, in order to reach the goals and purposes of documents achieving accurately, comprehension, and understanding of the specific culture or country.

Memory Translation

Recognition of word, sentence and/or paragraph translated previously and repeated in new or revised documents, in order to keep consistency of terminology.

Panel of Proofreaders

Group of native target speakers whom review and edit documents to achieve accuracy, understanding, comprehension and localization of documents to specific culture or country.

Project Coordinator

Highly experienced professional whose job is to make sure every single project runs smoothly and according with client's requirements and datelines, as well as taking care of credit and administrative matters.

Consulting Fees

Consulting experience and articulated professional who job is to provide information related to translations, interpretations, formatting, graphics designs and other related services applicable to foreign languages and common uses.

Desktop Publishing

Skilful, experienced and highly creative personnel dedicated to create, develop and emulate client's documents according to their needs and budgets.

Author's Alterations

Knowledgeable, educated and experienced professional who's job is read, review and edit text in English or other targeted languages complying with client requirements and grammatical and style languages.

Formatting

Experience and highly creative personnel dedicated to create, develop and duplicate client's documents according to their budgets and needs.

Typesetting

Qualified, experienced native speakers on foreign language whom type and set a document getting the text ready for formatting or printing in a foreign language according with clients needs.

Editorial Services
