General Information

Metech International has facilities in Gilroy, California and Worcester, Massachusetts for the environmentally sound recycling of electronic equipment and material. These facilities are ISO 9001 and ISO 14001 registered and an IAER Certified Electronics Recycler[®]. IAER is the International Association of Electronic Recyclers, a professional organization consisting of recyclers, electronic equipment manufacturers, educational institutions, and other groups involved in some way in the proper recycling of electronics.

Our services include comprehensive data erasure and destruction, full receipt accountability and material tracking, and customized reporting capability with downstream material accountability.
