General Services Administration

Federal Supply Service

Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through GSA Advantage™, a menu-driven database system. The internet address for GSA Advantage™ is: http://www.GSAAdvantage.gov.

Schedule for - Logistics Worldwide (Logworld)
The Professional Services Schedule (PSS)
Federal Industrial Group: 00 Corp Class: 874 V
Contract Number: GS-10F-0095M

For more information on ordering from Federal Supply Schedules
 click on the FSS Schedules button at http://www.fss.gsa.gov
Contract Period: 12-15-2001 through 12-14-2021
Pricelist Effective December 15, 2016

Contractor: XPO Logistics Supply Chain of New Jersey, Inc.
4035 Piedmont Parkway
High Point, NC 27265 9402

Business Size: Large Business

Telephone: (336) 232 - 4078
Extension: 4078
FAX Number: (336) 232 - 4191
Web Site: www.xpo.com
E-mail: eric.henningsen@xpo.com, dennis.hunt@xpo.com
Contract Administration: Eric Henningsen

Customer Information:

1a. Table of Awarded Special Item Number(s) with appropriate cross-reference to page numbers: 874-501, 874-503, 874-504, 874-505

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item.

2. Maximum Order: 1000000
3. Minimum Order: 100

4. Geographic Coverage (delivery Area): Domestic and International

5. Point(s) of production (city, county, and state or foreign country): Same as company address

6. Discount from list prices or statement of net price: Government Net Prices (discounts already deducted). See prices attached

7. Quantity discounts: None Offered

8. Prompt payment terms: Net 30 days

9a. Notification that Government purchase cards are accepted up to the micro-purchase threshold: Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold: Contact Contractor

10. Foreign items (list items by country of origin): None

11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: Contact Contractor

12. F.O.B Points(s): Destination

13a. Ordering Address(es): Same as contractor

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s), and a sample BPA can be found at the GSA/FSS Schedule homepage (fss.gsa.gov/schedules).

Payment address(es): XPO Logistics Supply Chain of New Jersey, Inc. P.O. Box 75635, Charlotte, NC 28275

14. Warranty provision: Contractor’s Standard Commercial Warranty

15. Export Packing Charges (if applicable): Contact Contractor
16. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level): Contact Contractor

17. Terms and conditions of rental, maintenance, and repair (if applicable): N/A

18. Terms and conditions of installation (if applicable): N/A

19. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable): N/A

20a. Terms and conditions for any other services (if applicable): N/A

20. List of service and distribution points (if applicable): N/A

21. List of participating dealers (if applicable): N/A

22. Preventive maintenance (if applicable): N/A

24a. Special attributes such as environmental attributes, (e.g., recycled content, energy efficiency, and/or reduced pollutants): N/A

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g., contractor’s website or other location.) The EIT standards can be found at: www.Section508.gov.

25. Data Universal Numbering System (DUNS) number: 05-4996103

26. Notification regarding registration in Central Contractor Registration (CCR) database: Registered or Expires: 12-14-2021

**Contract # GS-10F-0095M**

**LOGWORLD Schedule Contract Price List**

**5-10F-0095M**

**Hourly Rates**
The Service Contract Act (SCA) is applicable to this contract and includes SCA applicable labor categories. The prices for the indicated SCA labor categories are based on the U.S. Department of Labor Wage Determination Number identified in the matrix. Should work be performed in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly. Prices for the SCA labor categories meet or exceed those in Wage Determination No. 05-2017, Revision 21, dated 12-29-2015.
XPO Logistics Supply Chain of New Jersey, Inc.

Labor Categories Position Descriptions

Administrative Support I

General Experience: Must have 3 to 5 years of experience.

Responsibilities: Perform routine clerical tasks in support of the contract. Prepare graphic and print ready material, data entry, provide meeting support, and research as needed. Education: High School diploma.

Administrative Support II

General Experience: Must have 0 to 3 years of experience.

Responsibilities: Perform routine clerical tasks in support of the contract. Prepare graphic and print ready material, data entry, provide meeting support, and research as needed. Education: High School diploma.

Business Analyst

General Experience: Must have at least 5 years of directly related experience in the areas of strategic and business planning, resource management, finance, and performance evaluation.

Responsibilities: Same as those stated for the Senior Business Analyst.

Education: B.A.

CAD Operator I

General Experience: Must have at least 4 years of directly related experience.

Responsibilities: Provide operational support to projects. Provide CAD support in association to logistical layouts, design, and project development. Utilize AutoCad software to generate detailed engineering and logistics drawings.

Education: A.A./ experience substitute
CAD Operator II

*General Experience:* 1 to 2 years of directly related experience.

*Responsibilities:* Provide operational support to projects. Provide CAD support in association to logistical layouts, design, and project development. Utilize AutoCad software to generate detailed engineering and logistics drawings.

*Education:* A.A. / Experience substitute

Dispatcher, Motor Vehicle

*General Experience:* Must have 3 to 5 years of experience.

*Responsibilities:* Assigns motor vehicles and drivers for conveyance of freight or passengers. Compiles list of available vehicles. Assigns vehicles according to factors, such as length and purpose of trip, freight or passenger requirements and preference of user. Issues keys, record sheets, and credential to drivers. Records time of departure, destination, cargo, and expected time of return. Investigates overdue vehicles. May confer with customers to expedite or locate missing, misrouted, delayed or damaged merchandise. May maintain record of mileage, fuel used, repairs made and other expenses. May establish service or delivery routes. May supervise loading and unloading. May issue equipment to drivers, such as handtrucks, dollies, and blankets. May direct activities of drivers, using two-way radio. May assign helpers to drivers. May work at vehicle distribution center and assign vehicles to customer agencies.

*Education:* High School diploma.

Environmental Technician

*General Experience:* Must have 3 to 5 years of experience.

*Responsibilities:* Conducts tests and field investigations to obtain data for use by environmental, engineering and scientific personnel in determining sources and methods of controlling pollutants in air, water, and soil, utilizing knowledge of agriculture, chemistry, meteorology, and engineering principles and applied technologies. Conducts chemical and physical laboratory and field tests according to prescribed standards to determine characteristics or composition of solid, liquid, or gaseous materials and substances, using pH meter, chemicals, autoclaves, centrifuge spectrophotometer, microscope, analytical instrumentation, and chemical laboratory equipment. Collects samples of gases from smokestacks, and
collects other air samples and meteorological data to assist in evaluation of atmospheric pollutants. Collects water samples from streams and lakes, or raw, semiprocessed or processed water, industrial waste water, or water from other sources to assess pollution problem. Collects soil, silt, or mud to determine chemical composition and nature of pollutants. Prepares sample for testing, records data, and prepares summaries and charts for review. Sets monitoring equipment to provide flow of information. Installs, operates, and performs routine maintenance on gas and fluid flow systems, chemical reaction systems, mechanical equipment, and other test instrumentation. May operate fixed or mobile monitoring or data collection station. May conduct bacteriological or other tests related to research in environmental or pollution control activity. May collect and analyze engine exhaust emissions to determine type and amount of pollutants. May specialize in one phase or type of environmental pollution or protection and be identified according to specialty.

*Education*: High School diploma.

**Firefighter**

*General Experience:* Must have 3 to 5 years of experience.

*Responsibilities:* Controls and extinguishes fires. May drive vehicle to scene of fire following predetermined route, or selecting alternate route when necessary. Positions vehicle considering such factors as wind direction, sources of water, hazards from falling structures, and location of armaments or aircraft. Operates pumps, foam generators, boom and ground sweeps nozzles, and other similar equipment. Uses a variety of special protective gear in situations where poisonous gases, radioactive materials, and hazardous biological products are involved. Determines proper pressures for the distances to be pumped and the number of lines being used. When operating a crash truck, maneuvers vehicle to keep the fire in optimum range while ensuring that backflash will not occur. Maintains a constant awareness of water levels in self-contained tanks and warns handline and rescueman when tanks are close to running dry. Performs daily preventive maintenance inspection of vehicle and equipment. Performs minor maintenance such as oil changes, replacing packing in pumps, and draining and flushing tanks, and otherwise ensuring that all equipment is in usable condition.

*Education:* High School diploma.
Forklift Operator

*General Experience:* Must have 1 to 3 years of experience.

*Responsibilities:* Operates a manually controlled gasoline, electric or liquid propane gas powered forklift to transport goods and materials of all kinds about a warehouse, manufacturing plant, or other establishment.

*Education:* High School diploma.

General Clerk IV

*General Experience:* Must have 3 to 5 years of experience.

*Responsibilities:* Uses some subject-matter knowledge and judgement to complete assignments consisting of numerous steps that vary in nature and sequence. Selects from alternative methods and refers problems not solvable by adapting or interpreting substantive guides, manuals, or procedures. Typical duties include: assisting in a variety of administrative matters; maintaining a wide variety of financial or other records; verifying statistical reports for accuracy and completeness; and handling and adjusting complaints. May also direct lower level clerks. Positions above level IV are excluded. Such positions (which may include supervisory responsibility over lower level clerks) require workers to use a thorough knowledge of an office's work and routine to: 1) choose among widely varying methods and procedures to process complex transactions; and 2) select or devise steps necessary to complete assignments. Typical jobs covered by this exclusion include administrative assistants, clerical supervisors, and office managers.

*Education:* High School diploma.

Inventory Planner I

*General Experience:* Must have 1 to 3 years of directly related experience with logistics operation and inventory control.

*Responsibilities:* Responsible for the design and operation of all tracking and control issues, to include all cataloged and uncataloged materials within the production process. Works directly with an Order Planner to assure timely and seamless order fulfillment and that required levels of stock are maintained.

*Education:* High School diploma/Military training/Experience substitute.
Attachment 1: Labor Category Position Descriptions, Modification PS-0018, GS-10F-0095M

Inventory Planner II

*General Experience:* Entry Level Position.

*Responsibilities:* Responsible for tracking and controlling all cataloged and uncataloged materials within the production process. Works directly with an Order Planner to assure timely and seamless order fulfillment and that required levels of stock are maintained.

*Education:* High School diploma.

Laborer

*General Experience:* Must have 0 to 3 years of experience.

*Responsibilities:* Performs tasks which require mainly physical abilities and effort involving little or no specialized skill or prior work experience. The following tasks are typical of this occupation: Loads and unloads trucks, and other conveyances; moves supplies and materials to proper location by wheelbarrows or handtrucks; stacks materials for storage or binning; collects refuse and salvageable materials. Digs, fills, and tamps earth excavations; levels ground using pick, shovel, tamper and rake; shovels concrete and snow; cleans culverts and ditches; cuts tree and brush; operates power lawnmowers. Moves and arranges heavy pieces of office and household furniture, equipment, and appliances; moves heavy pieces of automotive, medical engineering, and other types of machinery and equipment. Spreads sand and salt on icy roads and walk-ways; picks up leaves and trash.

*Education:* High School diploma.

Lead Inventory Planner

*General Experience:* Must have 3 years of directly related experience in logistical operation and inventory control.

*Responsibilities:* Responsible for the design and operation of all tracking and control issues, to include cataloged and uncataloged materials within the production process. Works directly with the Lead Order Planner to assure timely and seamless order fulfillment and that required levels of stock are maintained. Oversees employees and responsible for training and assignment.

*Education:* B.A./Military training/Experience substitute.
Lead Order Planner

*General Experience:* Must have 2 to 4 years of directly related experience with logistics operation and order fulfillment.

*Responsibilities:* Responsible for overseeing and managing the design and operation of order fulfillment. To include all facets from origin of customer’s request to retrieval and initiation of shipment. Responsible for direction of employees involved in receipt of orders and fulfillment of orders. Position requires an understanding of both paper-based and electronic receipt of order and tracking. Works directly with the Order Planner to assure timely and seamless order fulfillment and that required levels of stock are maintained. Oversees employees and responsible for training and assignment.

*Education:* B.A./Military training/Experience substitute.

Logistics Engineer I

*General Experience:* Must have at least 6 years of experience with 4 years of specialized experience in logistical operations. Demonstrated experience in applying proven and emerging technologies to improve the operational functions of established logistics systems.

*Responsibilities:* Reports to the Senior Logistics Engineer and perform the duties necessary to support the activities listed in the responsibilities of the Senior Logistics Engineer.

*Education:* B.S.

Logistics Engineer II

*General Experience:* Must have at least 2 years of experience.

*Responsibilities:* Same as Logistics Engineer I.

*Education:* B.S.

Logistics Manager

*General Experience:* Must have at least 5 years of experience with 3 years of specialized experience in logistics operations.

*Responsibilities:* Provide oversight to tasks performed within a specific logistic functional area, including training, transportation, warehousing, acquisitions, distribution, and management services. Provides technical and administrative direction, reviews work products, and coordinates project
operations with the Senior Logistics Manager. Design and conduct technical research to support operations.

**Education:** B.S./B.A.

**Logistics Specialist**

**General Experience:** Must have at least 3 years of specialized experience in logistical operations. Demonstrated experience in the general operations of logistics-distribution, warehouse, and systems support.

**Responsibilities:** Provide and assist in the development and operation of logistic operations. Perform research, analysis, and develop materials in support of project operations.

**Education:** B.S./B.A./experience substitute.

**Machinery Maintenance Mechanic**

**General Experience:** Must have 3 to 5 years of experience.

**Responsibilities:** Repairs machinery or mechanical equipment. Work involves most of the following: Examining machines and mechanical equipment to diagnose source of trouble; dismantling or partly dismantling machines and performing repairs that mainly involve the use of hand tools in scraping and fitting parts; replacing broken or defective parts with items obtained from stock; ordering the production of a replacement part by a machine shop or sending the machine to a machine shop for major repairs; preparing written specifications for major repairs or for the production of parts ordered from machine shops; reassembling machines and making all necessary adjustments for operation. In general, the work of a Machinery Maintenance Mechanic requires rounded training and experience usually acquired through a formal apprenticeship or equivalent training and experience. Excluded from this classification are workers whose primary duties involve setting up or adjusting machines.

**Education:** High School diploma.

**Material Expediter**

**General Experience:** Must have 3 to 5 years of experience.

**Responsibilities:** Locates and moves materials and parts between work areas of plant to expedite processing of goods, according to predetermined schedules and priorities, and keeps related records: Reviews production schedules inventory reports, and work orders to determine types, quantities, and
availability of required material and priorities of customer orders. Confers with department supervisors to determine materials overdue and to inform them of location, availability, and condition of materials. Locates and moves materials to specified production areas, using cart or hand truck. Records quantity and type of materials distributed and on hand.
