## AMERICAN LANGUAGE TECHNOLOGIES, INC.

is a full service translation company based out of Dallas, Texas providing various language related services to Government agencies, Fortune 500 groups, as well as many other well known corporations. *ALT* was formed out of a perceived need in the marketplace for quality language translation services at competitive rates without compromising the quality that each client expects and deserves. Our staff includes the best and most highly qualified interpreters and translators in the country. Our interpreters and translators are qualified in most languages, and in most cases, certified by the American Translators Association (ATA) and its affiliates (MITA, NCATA, AATIA and NETA). Court interpreters are certified by the state in which they live. The majority of employees are required to pass an extensive background and drug check. With a network of over **3500** professionals worldwide representing over **95** languages, American Language Technologies can meet the most demanding of needs.
