Management Systems That Make Business Sense
Eagle Force is a training, facilitating, & consulting firm with offices in Ohio, Texas, and California that helps organizations, large and small develop management systems that make business sense as well as meet the requirements of a standard. Achieving certification becomes secondary to developing a system that improves on quality and delivery while reducing cost. Systems that meet business needs will invariably meet the requirements of the standard but the reverse is not always true.

Need help? While Eagle Force helps organizations that are just starting to develop a management system, one of our frequent services is to help organizations that find themselves with faltering systems and excessive audit findings.

Training provided covers every area of the management system and includes:
   • Internal Auditing Training (basic & advanced)
   • Corrective Action Program (unique Eagle Force program)
   • Management Processes (Process Mapping, Management Objectives, KPI’s)
   • Continual Improvement

Standards supported by Eagle Force include:
   • ISO 9001:2000
   • Aerospace Standards
     o AS91100
     o AS9110
     o AS9120
   • Automotive Standard
     o ISO/TS 16949
   • Environmental
     o ISO 14001
   • Health and Safety
     o OHSAS 18001
     o ANSI Z-10

Business Improvement (Continual Improvement)
   • Productivity improvements
     o Productivity Profiling
     o Lean Manufacturing
     o Six Sigma
     o Theory of Constraints
   • Changeover improvements
   • Marketing Training & Marketing Plan Development
   • Total Cost Leadership
   • Supply Chain Development
   • Process Management & Process Mapping
     o Process Identification Matrix (Key Top Management Tool)

Service Contract Labor Standards (SCLS) Statement

The Service Contract Labor Standards (SCLS) is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and / or when the Contractor adds SCLS labor categories / employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
