Federal Supply Service
Authorized Federal Supply Schedule Price List
On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!, a menu-driven database system. The INTERNET address for GSA Advantage! Is: GSAAdvantage.gov

Schedule Title: Professional Services Schedule (PSS)
FSC Group, Part, and Section or Standard Industrial Group: Multiple Award Schedule
FSC Class(es)/Product code(s) and/or Service Codes: R425
Contract Number: GS-10F-0194Y
Contract Period: February 08, 2017 to February 07, 2022
Contractor's Address: Rhino Fire Protection Engineering, PLLC
12359 Sunrise Valley Drive, Suite 350
Reston, VA 20191
Contractor's Telephone Numbers:
703-476-5034 phone
703-476-5038 fax
Contractor's Websites: http://www.rhinofpe.com

Point of Contact: Craig P. Thompson
Business Size: Small Business
1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

541330ENG, 541330ENGRC - Engineering Services, OLM, OLMRC, OLMSTLOC - Order Level Materials (OLM)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

Not applicable.

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item.

Prices are based on an hourly unit for one (1) employee for SINs 541330ENG. Prices are not based on geographic location.

See attached price list at the end of the document.

2. Maximum order.

$1,000,000.

3. Minimum order.

$100.

4. Geographic coverage (delivery area).

Worldwide.

5. Point(s) of production (city, county, and State or foreign country).

Rhino Fire Protection Engineering, PLLC 12359 Sunrise Valley Drive, Suite 350, Reston, VA 20191

6. Discount from list prices or statement of net price.

Discounts included in price matrix (Please see attached Authorized FSS Price List).

7. Quantity discounts.

N/A

8. Prompt Payment Terms.
Information for Ordering Offices: Prompt Payment Terms cannot be negotiated out of the contractual agreement in exchange for other concessions

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold.

Yes, Government purchase cards are accepted at or below the micro-purchase threshold.

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold.

Yes, Government purchase cards are accepted above the micro-purchase threshold.

10. Foreign items (list items by country of origin).

None.

11a. Time of delivery. (Contractor insert number of days.)

Within 30 days maximum.

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.

As agreed upon between Rhino Fire Protection Engineering, PLLC and the Customer.

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

As agreed upon between Rhino Fire Protection Engineering, PLLC and the Customer.

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery.

As agreed upon between Rhino Fire Protection Engineering, PLLC and the Customer.

12. F.O.B. point(s).

FOB Destination

13a. Ordering address(es).
13b. Ordering procedures: For supplies and services, the ordering procedures information on Blanket Purchase Agreements (BPA’s) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address(es).

15. Warranty provision.

Not Applicable.

16. Export packing charges, if applicable.

Not applicable.

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level).

Contact Contractor.

18. Terms and conditions of rental, maintenance, and repair (if applicable).

Not applicable.

19. Terms and conditions of installation (if applicable).

Not applicable.

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable).

Not applicable.

20a. Terms and conditions for any other services (if applicable)

Not applicable.

21. List of service and distribution points (if applicable).

22. List of participating dealers (if applicable).
Not applicable

23. Preventive maintenance (if applicable).

Not applicable.

24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).

Not applicable.

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor’s website or other location.) The EIT standards can be found at: www.Section508.gov/.

Not applicable

25. Data Universal Number System (DUNS) number.

79-656-0204

26. Notification regarding registration in the System for Award Management (SAM) database.

<td>2</td>
<td>From the SCA Directory of Occupations: “This operator prepares various drawings computer models of such units as construction projects or parts and assemblies, including various views, sectional profiles, irregular or reverse curves, hidden lines, and small or intricate details. Work requires use of most of the conventional drafting and CAD techniques and a working knowledge of the terms and procedures of the occupation. The Draft/CAD Operator II makes arithmetic computations using standard formulas. Familiar or recurring work is assigned in general terms. Unfamiliar assignments include information on methods, procedures, sources of information, and precedents to follow. Simple revisions to existing drawings or computer models may be assigned with a verbal explanation of the desired results. More complex revisions are produced from sketches, computer models or specifications that clearly depict the desired product.”</td>
