Introduction

WWC Global LLC (WWC) is an SBA Certified 8(a) and small, economically disadvantaged woman-owned consulting firm focused on the management and operational needs of government agencies. Our mission is to help federal agencies put good government principles into practice.

Our highly-educated and experienced staff in the U.S. and overseas leverages extensive public and private sector expertise to assist our customers in all stages of policy-making, program design, implementation, and ongoing management oversight. We provide flexible, short- and long-term solutions to a wide range of policy and management challenges, including business process reengineering, strategic planning, project management, program evaluation, budget development and execution, information collection and reporting, regulatory development and analysis, and Office of Management and Budget (OMB) coordination.

WWC is ready to assist agencies facing complex challenges to achieve results. Combining an understanding of the unique structural, budgetary, and regulatory issues facing federal agencies, along with a proven track record of breaking through bureaucratic “gridlock,” WWC offers efficient, workable, innovative, and tailored solutions to help your organization achieve its goals.

Please contact us to discuss consulting options for your agency or organization.
MAS Services

What is MAS?  MAS is a multi-year contract issued to WWC by the U.S. General Services Administration. The MAS contracting vehicle can be used by Federal, State and Municipal agencies to acquire general management consulting services from WWC’s staff of specialists.

**Our Approach in Action**

Your analysts work on every task with the utmost professionalism, completing tasks and projects that many said were impossible. And they do their work with charm and integrity, so that no one even minds that they were proven wrong.”

Comptroller, Washington, DC

Your briefing on the PRA to our senior policy officials was extremely helpful. Your knowledge of the PRA process, and the help you’ve provided as we work through the process as quickly as possible for our quick turn-around needs, will allow us to collect important data successfully and on time."

Service Contract Labor Standards

The Service Contract Labor Standards (SCLS) are applicable to this contract as they apply to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29CRF 5413.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and/or when the Contractor adds SCLS labor categories / employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and applicable wage determination (WD) number. Failure to do so may result in cancellation of the contract.

Our Approach in Action

“THANK YOU for selecting such high-quality analysts for our Comptroller staff. They are GREAT. They don’t hesitate to jump in and help with whatever we need done.

I just wanted to let you know they are working out extremely well and I am VERY happy. ”
